

### COBLENZ COURT CONVICTS HUNS IN ENEMY PLOT

#### Trio of Germans Found Guilty of Distributing Propaganda

By Associated Press  
Coblentz, Feb. 5.—Three Germans have been convicted in military courts here during the past few days on the charge of circulating enemy propaganda among American troops in the occupied area of Germany. The distribution of material which intelligence officers regard as propaganda has been arrived at in various ways. It has been given away as post cards and sold in stores. One shopkeeper was convicted after having offered for sale a watch fob with American and German flags crossed upon it. At Treves recently a thousand post cards were confiscated by American officers. They pictured a beautiful German woman with a handful of strings and at the other end of the strings were comparatively tiny French, British and American soldiers dancing to her caprice.

### HAIR ON FACE DISAPPEARS QUICK

The most effective, convenient and harmless way to remove hair is with DeMitracle, the original sanitary liquid. It acts quickly with certainty and absolute safety. Results from its use are immediate and lasting. Only genuine DeMitracle, the original sanitary liquid, has a money-back guarantee in each package. At all drug stores in 50c, \$1 and \$2 sizes, or by mail from us in plain wrapper on receipt of price. FREE book mailed in plain sealed envelope on request. DeMitracle, 1217 St. and Park Ave., New York.

### "Regained Her Appetite and Took on Flesh After Using Tonnall."

"I was nervous, had no appetite, and suffered with pains from indigestion," says Mrs. Leah Fox, of Palmyra, Pa.  
"On account of stomach troubles I had, I could not eat, my system was rundown and caused much nervousness. At Boger's Drug Store in Lebanon, Pa., I bought Tonnall and immediately after I began using it, I began to pick up, my appetite came back good and strong, and I gained in flesh. I find so many people who use Tonnall, praise it as doing wonders for them, and my friends everywhere give it the best endorsement, and recommend it above all others."  
This testimonial was given Jan. 25, 1919.  
Tonnall is sold at Gorgas' Drug Store, Harrisburg, and at the Hershey Drug Store, Hershey, Pa., and M. K. Maritz, at Steelton.—Adv.

### COAL COMPANIES PREPARE TO FIGHT NEW ASSESSMENT

#### Counsel For Corporation Plans Appeals From Increased Taxation

County commissioners, when they discovered to-day that an attorney for the coal companies holding land in this county, was comparing property assessments with sale prices in various districts, anticipated that the companies will make a hard fight to prevent any big increase in the valuation of the coal fields. The lawyer when questioned did not deny the purpose of his search and the commissioners said they believe the information which is gathered will be used in the court proceedings which will in all probability follow when the coal land values are advanced.

The officials declared they will see that similar comparisons are made in an effort to have all county property assessed on an equitable basis as possible. To-day they conferred with borough councilmen, the assessor and other officials from a town near Harrisburg. It was found that the values of some of the properties were too low and they were advanced. Similar conferences will be held during the next few weeks before the appeals are heard. The commissioners said it will require at least two months to complete the triennial assessment but that they are determined to have the valuations correct when they are fixed finally. Plans for the coal land procedure will be completed as soon as the report of the expert engineers is received. Every effort will be made to have a complete and accurate record ready to present when these cases are heard. All the officials anticipate an appeal to the courts by the coal companies and are preparing to furnish conclusive proof of the actual value of the lands owned by the operators.

### St. Mary's Leads in Sunday School League

	W.	L.	Pct.
St. Mary's	3	0	1.000
Tarusus	12	1	.667
Hick-A-Thrift	2	1	.667

St. Mary's clinched her hold on first place last evening by beating Covenant Presbyterian, 40-19. A feature in the victory was Monk Gerdes of the Independents. Line-up: COVENANT ST. MARY'S Beebie, f. Leedy, f. Hartman, f. Ainslee, g. (Bolton) Melick, g. Sourbier, c. (Dapp) Ellinger, g. Hyland, g. Field goals, Hartman, 1; Ainslee, 1; Ellinger, 1; Leedy, 5; Bolton, 4; Sourbier, 1; Gerdes, 4; Hyland, 2; Foush, Ainslee, 13; Hyland, 8. Referee, Flickinger.

### MAY INSURE ALL PROPERTIES OF SCHOOL BOARDS

#### D. D. Hammelbaugh Welcomes Delegates of Association of Secretaries

A mutual insurance company to insure school properties throughout the state was favored at the sixth annual convention of the Association of School Board Secretaries of Pennsylvania at the Penn-Harris Hotel to-day. A committee was authorized to study means for the institution of such a company if it be found practicable. The committee will be named during the afternoon.

Speaking on "Application and Enforcement of the Compulsory School Attendance Law," Harry L. Graham, of Butler, told that the compulsory school attendance laws in this state are miserably inadequate. Radical changes are needed in the school law, for the present laws have failed in promoting attendance.

Knowledge and not age should be the measure on which judgment is passed whether or not a child should be permitted to leave school. Mr. Beaver declared, the age system has failed. If the knowledge system prevailed, children desiring to leave school would apply themselves with greater energy for they would realize that the sooner they get the necessary information the sooner they will be able to leave school, he believes. As the system now is, many children merely dawdle along until they are old enough to leave school, Mr. Butler declared.

The address of welcome was delivered by D. D. Hammelbaugh, secretary of the Harrisburg board. Mrs. E. H. McCauley, of Beaver, responded. Addresses in addition were given by A. L. Castle, of Chester, who spoke on "Insurance on School Property"; R. S. Kelly, of Meadville, "Standardization of School Equipment and Supplies"; Ferdinand Reigen, Ford City, "Taxation and School Finances"; and John D. Huns, of Scottdale, "Prevention of Waste in Schools." Dr. Nathan C. Schaeffer, superintendent of public instruction, gave an extemporaneous talk on the subject of taxation in his relation to school finances.

At this afternoon's meeting the subjects discussed were: "Problems of Secretaries of Fourth Class Districts" by A. H. Palmer, West Taylor township; "Proposed School Legislation," F. L. Bensingger, Franklin; "Problems of Secretaries of Third Class Districts," A. D. Jaquet, Uniontown; "Unifying Accounts of School Districts," R. S. Scobel, Erie; "Problems Caused by Conditions Arising from the War and the Epileptic," Charles H. Meyer, Johnstown; "Our Association; its Future," William J. Byrnes, Jr., of Lower Merion township; "The Secretary's Duties in Connection With the School Employees' Retirement System," Dr. H. H. Balsh, Harrisburg, secretary State Retirement Board.

A question box in charge of D. D. Hammelbaugh, of Harrisburg, was held during the session and at 4 o'clock reports of officers and committees were heard. Field goals, Hartman, 1; Ainslee, 1; Ellinger, 1; Leedy, 5; Bolton, 4; Sourbier, 1; Gerdes, 4; Hyland, 2; Foush, Ainslee, 13; Hyland, 8. Referee, Flickinger.

### Bolsheviks Capture Vilkomir, Says Report

Copenhagen Feb. 5.—In their advance from Dvinsk, the Bolsheviks have captured Vilkomir, forty-five miles north west of Vilna, the capital of Lithuania, according to a report from Vilna.

Washington, Feb. 5.—Lithuania will ask the United States to guide it in establishing a stable government according to an announcement at the headquarters of the Lithuanian National Council here. It was said that the request would be made by the cabinet established by the National Council which is the present governing body in Lithuania.

AID SOCIETY TO MEET The Women's Aid Society of the Harrisburg Hospital will meet at the hospital to-morrow afternoon. Mrs. Marlin E. Olmsted will preside. A number of matters of importance will come before the members for consideration, and a full attendance has been requested.

### Dr. Hanson to Address Knights and Dames of Malta

REV. H. W. A. HANSON  
"The Man Without a Country" will be the subject of the lecture of the Rev. Dr. H. W. A. Hanson, pastor of the Messiah Lutheran Church, before the Knights of Malta, Knights of the Order of St. John, and the City of the Army, Second and Foster streets. The meeting will be called at 8 o'clock. The lecture will be illustrated with stereopticon views, and will be preceded by a short musical program.

### NEW ROAD ROUTES ARE BEING ASKED

#### Notwithstanding Senate Action Cook Puts in a Series of Bills

Although the Senate road committee yesterday determined to co-operate and State Highway Department and not to add any road mileage to the state system, several bills appeared in the House today for additional road routes.

Mr. Cook, York, presented most of them. He wants roads from Weiglstown to Aapers; Ulrich's corner to Dover and York to Dover, and changes in a road from Rossver, to Mechenburg, so that it will go by way of Siddonsburg and Bowmansdale.

Mr. Bowman presented an amendment to the Chambersburg to Huntinton road, so that it will go by way of Newburg.

The bill presented by Mr. Phillips, Clearfield, to change the supervisor system of the state will cause a storm. Tready rural members are starting to denounce it. It abolishes the present system of selecting supervisors and will likely be the subject of some animated hearings. The State Highway Department has expressed any opinion regarding the measure as yet.

Among the bills presented were: Mr. odd Allegheny—Authorizing courts to name and fix pay of assistants to probation officers.

Mr. Phillips, Clearfield—Abolishing the present township supervisor system and providing that there shall be a county road supervisor to be named by the county commission and representatives of the State Highway Department and the county agricultural society.

Mr. McCall, Allegheny—Appropriating \$86,000 to pay road and school taxes on all land.

Mr. Boland, Chester—Requiring all legal notices to be printed in English.

Mr. Zanders, Carbon—Fixing pay of jurors at \$3.50 per day.

Mr. J. T. Schmitz, York—Increasing pay of road supervisors from \$3 to \$4.

Mr. Geary, Allegheny—Forbidding unfair competition by imitating trade marks, and other distinctive features of commodities.

Mr. North, Chester—Increasing license for motor trucks and placing it on a basis of capacity instead of horse power.

Mr. Walker, Philadelphia—Fixing maximum interest rate for small loans at 2 1/2 per cent per month and abolishing all fees.

The House adjourned at 11.30 a. m. until 9 p. m. Monday.

### Liberty Motor Is Shown in City For the First Time

The Packard Motor Car Company will conduct an interesting exhibit in its showrooms at Front and Market streets to-day, to-morrow and Friday. This exhibit consists of a United States Liberty "12" aeroplane motor, which has been loaned by the United States Government to the Packard Motor Car Company for exhibition at its various branches.

The exhibit is in charge of an Army aviator, who will give an interesting talk and explanation of the motor, which played such an important part in the world war.

The exhibition will be open to the public each day from 8.30 in the morning until 6 o'clock in the evening. The Packard Motor Car Company will have its guests this morning at the Kiwanis Club, to-morrow evening the members of the Rotary Club and on Friday evening will entertain the members of the Harrisburg Motor Dealers' Association and members of the Motor Club of Harrisburg.

### How Many Women Do You Know

Who can say they are perfectly well? I am tired all the time. "I am so nervous it seems as though I should fly to pieces every time I get around today," and all such expressions are characteristic of women who have overtaxed their strength until headaches, backache, nervousness, dragging-down pains, irregularities and the blues, symptoms of a female weakness have developed. Women who are in this condition may rely upon Lydia E. Pinkham's Vegetable Compound to restore them to health and strength.

### DAILY HEALTH TALKS

The Best Way to Treat Constipation  
By S. C. Babcock, M. D.

The medical books name many drugs that will move the bowels. The drug store shelves are loaded down with laxatives, purgatives and pills. The trouble with most of them is the after-effects. Constipated people know that pills work all right for a while, but they soon lose their effect, and a change has to be made to something else. The constant taking of pills results in a form of bowel inactivity that is difficult to cure. The system becomes so accustomed to laxative drugs that the organs just won't work without them, and so the pill habit becomes as bad as constipation itself. Dr. Pierce, of Buffalo, N. Y., seems to me to have the right idea. He says the bowels should first be gently moved with Pierce's Pleasant Pellets, and in the meantime laxative foods only should be eaten. Figs, prunes, fruit, spinach, bran vegetables and fruit, are fine for constipation. Chew every bite thoroughly, eat little meat and be as active as possible. Now, doesn't that seem sensible? Pleasant Pellets will start the bowels working right; then it is up to you to keep them right by right eating. Try Pleasant Pellets for sick headache, coated tongue, biliousness, dizziness, torpid liver or to break up a cold. They are just fine!

Dr. Pierce's Anodyne Pile Ointment soothes, cools and heals piles in a most gratifying way. Perhaps there is no other remedy for this torturing trouble that relieves so surely and quickly. Dr. Pierce believes Anodyne Pile Ointment will overcome any case that can be overcome by medical treatment. Try it right now.

Dr. Pierce's Anurie Tablets are intended for people who suffer from kidney disorders—whose backs ache, whose systems are over-run with uric acid. Nearly everybody has too much uric acid. Anurie Tablets dissolve uric acid quickly, as they are made double strength.

### GOVERNOR TO GREET GENERAL

#### Attending Reception to General Menoher at Johnstown This Afternoon

Governor Sproul left to-day for Johnstown where he will welcome General Charles T. Menoher, commander of the Rainbow Division, to his old home in the Flood City. The Governor will return here to-morrow.

While in Johnstown the Governor may meet some Somerset county men who will want to discuss the vacancy in the Judgeship caused by the death of Judge W. H. Ruppel. John A. Berkey, former banking commissioner, is being mentioned for the place. Berkey and Ruppel were only thirteen votes apart in the judicial election some years ago.

The State Board of Public Grounds and Buildings has been called for a meeting to-morrow afternoon to outline the policy in regard to state improvements including the Capitol Park extension, memorial bridge, additional office buildings and other matters. The architects in charge of Capitol Park plans will be present and explain the projects in detail to Governor Sproul, who becomes chairman of the board by virtue of his office.

Road improvements in Millville and vicinity in Columbia county were today discussed with Commissioner Sadler by Representative Shaffer and a committee of people from that section.

Dr. C. Howard Witmer has been named as county medical inspector in Lancaster county by Col. Edward Martin, Commissioner of Health. He succeeds Dr. J. L. Mowrey. Dr. F. F. Myers returns to his place as dispensary assistant.

### Vandals Slash Valuable Paintings With Knife

By Associated Press  
Phoenixville, Feb. 5.—Vandals broke into the Pennsylvania Academy of Fine Arts Summer school at Chester Springs, Monday, and destroyed a large number of valuable paintings and works of art, it became known yesterday. The paintings, many of them of great historic interest, were slashed with a knife. The school building, which is preserved as it was in revolutionary days, was the headquarters of General Washington and other officers of the Continental Army in 1777.

### STATE CROPS GO TO HIGH FIGURES

#### State Agricultural Statistics Reveal Extent of Gain in a Year

Pennsylvania's ranking as an agricultural State was never more emphasized than during the past year, when the war attracted attention to the possibilities of the farming industry and brought to the general public for the first time figures which showed that Pennsylvania ranked tenth among all the States in the value of its farm crops.

Pennsylvania's diversified agriculture depends on no one crop, but the nine staple crops are corn, wheat, oats, rye, barley, potatoes, buckwheat, hay and tobacco. Its ranking in the production of these nine crops is eighth with such great agricultural states as Illinois, Iowa, Minnesota, Ohio, Indiana, Missouri and South Dakota leading in the order named. The last two named States lead by but a slight margin in the value of the nine crops.

During the past year Pennsylvania ranked seventeenth with its corn crop, which had a valuation in sixteenth place. In winter wheat the ranking was eighth, both for production and value of crop, but in all wheat the rank was twelfth for both production and value.

As a buckwheat raising community Pennsylvania leads all other States both in production and value and in potatoes the rank is fifth in production and second in value of crop. With the oats production the ranking is thirteenth place with a value of crop in tenth place. Rye shows production in eighth place and value in seventh place, while the barley ranking is twenty-third in production and twenty-fifth in value.

### GROWING DEAF WITH HEAD NOISES? TRY THIS

If you are growing hard of hearing and fear Catarrhal Deafness or if you have roaring, rumbling, hissing noises in your ears go to your druggist and get 1 ounce of Farnint (double strength), and add to it 3/4 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who is threatened with Catarrhal Deafness or who has head noises should give this prescription a trial.

growing, ranks sixth in production and the crop eighth in value. In the nine crops the value is estimated at \$377,097,818.85, while the hypothetical value of all crops of the state is \$469,929,000.

RETURNED FROM CARLISLE  
Ephrata, Pa., Feb. 5.—F. M. Miller, Samuel G. Hopford, William Fisher and William H. Fordney have returned from attending court in Carlisle.

## Real Economy In Fuel

### LONG FLAME FURNACE COAL

Will Save You Money  
Looks like Anthracite Coal, ignites easily, but does not burn out quickly

### ONE TON OF LONG FLAME

will give you as much heat as two tons of anthracite or two cords of wood.

After using this coal you will not care to use any other kind.

Price, . . . . \$8.85 Ton  
Half Load, \$4.70

No Coal Cards Needed to Purchase This Coal

## FRESH AIR HEAT IS HEALTHY HEAT

### ONE HEATER TO TEND NO RADIATOR TO FREEZE FRESH AIR CONSTANTLY SMALL AMOUNT OF FUEL

## ONE-PIPE Bengal FURNACE

### A FEW GOOD POINTS

ASSURES the comfort of warm air in every corner of the house, not merely in overheated zones around the stove or radiators. SAVES time, dirt and fuel by having ONE heater, and that in the basement. GIVES extra comfort and beauty through the house by going away with ugly and cumbersome stoves, radiators and pipes. AIDS good health through fresh air constantly in motion, purified by a water bath after each circulation. AFFORDS no chance for freezing and bursting radiators and their pipe connection with attendant discomfort and expense. NOT NECESSARY to close rooms to keep the house warm.

And you get full value from your fuel. No such roundabout method as first heating pipes which in turn heat water or steam, which in turn again heat pipes which finally heat the air in the rooms. All air is heated directly and so at a fraction of the cost of other methods of heating.

Write without delay for a descriptive folder telling you how time, money, health and comfort are saved by installing a One-Pipe Bengal Warm-Air Furnace.

Low cost of installation, minimum fuel expense, minimum attention required, and maximum convenience, comfort and service mark One-Pipe Bengal Warm-Air Furnaces.
