It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

R. R. CONTROL BY U. S. IS FAVORED

Local Brotherhood Passes Resolutions Condemning Private Ownership

Federal control of the railroads is favored by the Iona Lodge No. 218, United Brotherhood of Maintenance of Way and Shop Employees, of this city, in a resolution passed by that body. It charges that service under private owners were incapable of tory. Copies of the resolution will be sent to various legislators of the district. The resolution reads:

"Whereas, It is a known fact that the railroads in the hands of the private owners were incapable of fulfilling the duties of public carriers with any degree of success, and

"Whereas, The management of the different railroad systems, time and time again, declared it was impossible to find the money for terminal and road facilities, and

"Whereas, Under private management there was embargo after embargo placed upon necessary freight movements throughout the whole country, and

"Whereas, Through private management and private manipulations there were many railroad systems placed in the hands of receivers, and

"Whereas, Through state laws of various states there was no uniformity of tariffs and restrictions upon railroads which created little short of a national disaster, and

"Whereas, Under private management the worker was enslaved by low wages and poor working conditions without any redress except through strikes and the attendant inconvenience to the public, and

"Whereas, The private management of railroads maintained a policy of the 'Public-be-Damned' and to the convenience or benefit of either shippers or receivers, thereby having a tendency to increase the cost of living to the workers and the public in general, and

"Whereas, The managements under private control roads impoverished the systems by paying high salaries to unnecessary officials and corporation lawyers and lobbyists, therefore be it

Resolved, That local A. No. 218, of the United Brotherhood of Maintenance of Way Employees and Railroad Shop Laborers of Harrisburg, Pa., hereby demand that you, as Senators and Congressmen of the United States, elected by popular vote from this district, do in future make every effort in your power to have the railroads remain under government control or under government ownership."

Maximum Terminal Time Fixed on Middle Division

Railroad Checks Refused by Last of Altoona Banks

Announcement was made at the Altoona First National Bank today that beginning with today, the institution will discontinue cashing the pay checks for the Pennsylvania Railroad employees. The First National was the only one of the Altoona institutions that did not adhere rigidly to the result adopted some weeks ago by the Clearing House association not to cash the checks. Being a depository of the company, the officials tried the policy of accommodating the men who appeared with their checks.
