Yanks Hold Before Bolsheviki

London, Feb. 11.-The Bolsheviki launched an infantry attack Saturday against the allied positions near Sreumak-renga, southeast of Archangel, and were repulsed, according to an official statement on activities in northern Russia, issued by the War Office to-night.

In the operations Friday, in which American British and Russian troops improved their positions on the Petrograd road south of Kadish, the Bolsheviki suffered heavy losses.

september last, regarding the Shan sumpresented. The budget calls respectively to delay the Society of Nations project, but it probably will be considered later by that organization.

Franklin D. Roosevelt, assistant secretary of the United States Nay, has virtually completed the work of dis-establishing American shore stations in France. He will return to America on the George Washington with President Wilson.

The on mission on ports, waterways and rarways of with Dr. Shive Creepi, of Italy, in the chair, England, supported by America, proposed the proclamation of the principle of complete liberty of transition vall. This proposition was opposed by Albert Clavelle, for France and Lambros Coromilas for Greec, who pointed out that England and America occupied special situations that made the question of commercial land transit jnsignificant free.

But One Freight Charge Approved
The commission appointed two sub-commissions, one to study while control of priss, was becommissioned to the control of priss, was presented by Chairman Roberts. The report shows that during the list three question of the control of priss, was presented by Chairman Roberts. The report shows that during the list three question of the control of priss, was presented by Chairman Roberts. The first commission appointed two types of the principle that no country may charge duties on goods passing through its ports or over its railways or waterways other than the freight rates paid on goods destined for the country itself. Neither may they levy on such goods customs of the country steelf. McCoromist should be taken as would make navigation of the Scheld river free of the steel of the principle that no country may charge duties on goods destined for the country itself. hey should, due to the fact that hose dealers who are guilty of forethose dealers who are guilty of fore-stalling buy up and resell at an ad-vance that which should, in all fair-ness, be sold direct to the consum-er." Because of the war Inspector Nebinger reports that more work

Employment of a clerk for the office is again urged because of the great amount of work which must be done by the inspector away from the office. During his absence there is no one there to receive a com-

plaint of any equipment which to be inspected. Inst year 3,751 scales, measur weights, gasoline pumps and measur devices were inspected, of wh 3,834 were scaled and 317 comments.

3.43 were sealed and 317 c demined.

To standardize scales, weig and measures used in drug six new equipment was purchased byear which proved to be very uful in testing these devices.

Grove Submits Report

James H. Grove, city building spector, submitted his annual port also, in which he explained the big decrease in operations byear was due to the high prices materials and the labor shorts both caused by the war. The least total cost of new buildings be erected and for remodeling to other improvements was reached twelve years during 1918 when we The Senate passed finally on third reading this morning, the bill sponsored by Senator Crow, Fayette, which would reorganize the governor's office, with an '88,000 salary to rease for Governor Sproul's successor. The biff was carried with but one dissenting vote, taht of Senator Lieby, Perry, The measure now soes to the House for action.

Senator Daix, Philadelphia, Introduced a bill providing for military training in the public schools, which is almost an exact counterpart of measures presented to the House last night by Representative J. 1t. Scott, of Philadelphia, would repeal that setting the public schools, which makes it necessary for amusement halls and public entertainment rooms, to be located on the first of June, 1920. It has been dearned, when the first for June, 1920. The bill also provides that after the first of June, 1920, all new amusement halls and public entertainment to most one of the setting the police was presented. The budget calls for an expenditure amounting to session last evening, when the financial budget for the year 1919 was presented. The budget calls for an expenditure amounting to self-form the provision of goes for street repairs and cleaning. \$15,840 for the first department, 18,435 for interest on bonds, \$12,-1,33,58 for the sinking fund, \$10,500 for the collection of garbage, and for the collection of garbage, and for the collection of garbage, and for the provisions of for the collection of garbage, and self-form the provisions of for the collection of garbage, and self-form the provisions of for the collection of garbage, and
