Karl Peters, president of the Rosewood At'hletic Club, just recently returned from the service, has started a movement to put a Rosewood basketball team in the cage to complete the season now half over. In spite of the fact that but a small percentage of the members of the club has yet been discharged from the service, there is enough material on hand to round into shape a fairly strong combination.

After a week's rest, the Technical High school's basketball quinet will play McKinley Manual Training school of Washington on the Chestnut street floor Friday night. The Southerners will be making their first trip to this city, and are reputed to be one of the best high schools in the South.

will be making their first trip to this city, and are reputed to be one of the best high schools in the South.

As added attractions, Faculty Director Grubb will pit the freshmen against the sophomores in an interclass contest, and after the debris has been cleared from the floor as a result of the two matches, dancing will follow.

It is likely that Coach Miller will send nine players into the fray until the final whistle has been blown by Referee "Dave" McConnell. At forward will be Captain Lingle, Ebner and "Johny" Beck, as for the center position "Hap" and "Doughnuts" are as friendy as two game cocks. It is just friendly rivalry, with the honors a toss-up. Back at guard are C. Beck, Kohlman, Smith and Bihl. Any of the four are capable players, and on any other team of the league would have a position cinched.

In the interclass game, the Sophs, under the leadership of "Snaps" Emanuel, look like a formidable combination. Many predict that the second year lads will make a bid for the interclass pennant. A record crowd is expected to be on hand to see the basketball contest that will, prove to be the de luxe edition, according to the well known P. L. Grubb.
