Last year we were obliged to dispense with the B. B. B. Sale because of War conditions in the Mercantile field. For years Bowman's Big Bargain Sales have been among the leading Thrift events of Central Pennsylvania. Twice each year people have come from towns miles away to avail themselves of these unusual opportunities for savings. And savings at Bowman's mean, not only low in price, but dependable in quality. Consequently you save more than the price mark indicates—you also get the economy of increased service out of what you buy.

This year we have prepared for weeks to make this sale compare favorably in value-giving with the B. B. B. Sales of pre-war days. Every department has made extraordinary reductions. There will be seven days of the Bowman's Big Bargain Sales. Come tomorrow or Saturday if possible.

Bowman's February Furniture Sale

Go Hand-in-Hand With Bowman's Big Bargain Sale

They both come in February. Consequently hundreds of people "hit two birds with one stone," by coming to the Fifth Floor For Fine Furniture when they come to Harrisburg for the great B. B. B. Sale.

Scores of people have come from miles away, of course, purposely to see and buy at the February Furniture Sale, but hundreds of others will come for both events during the next seven days.

Did you see some of the fine suites we had on exhibit in our windows? You couldn't blame people for buying them at first sight. In fact, we had to send in duplicate orders for several of them, as some were not only extraordinary in value but unusual in beauty of design.

A deposit will hold any purchase for later delivery. All goods purchased in the February Furniture Sale will be stored for ninety days free. All furniture delivered by auto truck or freight charges prepaid to distant points.

The Bowman Club plan gives you the privilege of buying furniture in the February Sale and extending payments over a period of months.
