Itching, Scratching, Skin Diseases That Burn Like Flames of Fire

Here is a Sensible Treatment That Gets Prompt Results For real, downright, harassing, discomfort, very few disorders can approach so-called skin diseases, such as Eczema, Tetter, Boils, eruptions, scaly irritations and similar skin troubles, notwithstanding the lavish use of salves, lotions, washes, and other treatment applied externally to the irritated parts. No one ever heard of a person being afflicted with any form of skin disease whose blood was in good condition. Therefore, it is but logical to conclude that the proper method of treatment for pimples,

blotches, sores, boils, rough, red and scaly skin, is to purify the blood and remove the tiny germs of pollution that break through and manifest their presence on the surface of the skin. People in all parts of the country have written us how they were completely rid of every trace of these disorders by the use of S. S. S., the matchless, purely vegetable, blood purifier. S. S. S. goes direct to the center of the blood supply, and purifies and cleanses it of every vestige of foreign matter, giving a clear and ruddy complexion that indicates perfect health. How About This Altoona, Manager Ford? She Says Independents Are Afraid

The sporting editor of the Altoona Mirror hails the notion that Harrisburg's crack basketball team hesitates to engage the fierce mountain wild cats of the Alleghenys. Says he: "Almost every good basketball team in Pennsylvania and a little higher percentage of 'Just fair' cage teams in the state are being hooked by the Harrisburg Independent cage team for games at Harrisburg, but Altoona Machine Shop, a team that is regarded as 'some five' by local fans and a lot outside the city, can't for the love of Mike as much as get an answer to a challenge to the capital team."

"Business Manager Eddie Sarvis, of the Machinists, has written a couple of letters to Harrisburg asking for a game at Harrisburg's own figures and on any date suitable to the capital crowd. Harrisburg knows just what Altoona has and knows it blame well. Merle Gerdes, an ex-Machine Shop forward, is guiding on Harrisburg, and he knows Machinists' pep.

Westinghouse, a team that licked Altoona 42-26 recently, beat Harrisburg 47-26 at Harrisburg, Pitcairn, which plays here Friday, goes to Harrisburg Saturday, yet Machinists, who are itching for a game at Harrisburg, aren't even considered for a game.

There is such a thing as Harrisburg having too much done in the class of Machinists. Harrisburg never did have a hanker for booking teams that are anyway liable of handing the home crowd a trimming. Just the same Machinists want to play at the capital.

Tarsus Withdraws Protest; Hershey Beats Reading

Tarsus Gymnastic Association showed itself a big league club by cutting out the protest over a game with Hick-A-Thrift in which the two scorers had different results. "Rather than have any trouble or notoriety in the S. S. League," gallantry decided Manager Holohan, "we give the game to the foe, 24-33." The S. S. League stands as follows now:

Table with 2 columns: Team Name and Score. Includes St. Mary's, Hick-A-Thrift, Tarsus, Covenant, Salem, Camp Curtin, Methodist, Market Square.

Hershey Olivets won a hard fast battle from Reading Olivet five, and the Hershey Stars trounced Lebanon High School Juniors, 32-14. The first score was 57-39. The lineup: HERSHEY — Reading, f. Stover, g. Field goals, Strine, 5; Clark, 2; Elliott, 1; Stover, 2; Zimmerman, 3; Roth, 6; Richardson, 2; Bixler, 4; Oakes, 1; Purcell, 1; Fouts, Roth, 5; Stover, 11.

Coal Screened Twice

DIRTY coal is abominable. The housewife wants coal that is clean and burns brightly and briskly. The coal we send to you has been screened twice—once at the mines and again in our yard.

Our coal is all mechanically screened. It is hoisted by electric power to a big screen to remove dirt.

To the consumer all coal looks alike, but there the comparison ends. It's the service that follows the purchase that really counts—promptness of delivery, cleanliness of coal, courtesy of drivers—these are the things you pay for as well as coal.
