THIEF LEFT \$10 IN CHICKENCOOP

Shippensburg Woman Whose Fowls Were Stolen Finds Bill in Poultryhouse

Carlisle, Pa., Feb. 14.—Samuel Heilman, Southampton township, the last of the alleged chicken thieves four of whom are in jail here and have been held for court, has been arrested and is being held here. It is claimed that among other articles Heilman took a corn sheller from a neighboring farmer.

ASKS COUNTY TO RETURN MONEY

Acquitted and Sentenced to Pay Half of Costs, Now Objects to Penalty

Carlisle, Pa., Feb. 14.—Paying the costs in the Cumberland County courts and now instituting an action to get his money back is the act of Howard Disney, of West Fairview, and one that has created an interesting question. Disney brought an action against Rollie Sparrow, of Wormleysburg at the February session of court, claiming assault and battery. The jury acquitted the defendant and ordered that the costs be equally divided "between the prosecutor and defendant," and Disney paid \$36.50, his share. Now he claims through his attorney that he was not the "prosecutor" and has asked for a rule to show cause why the verdict should not be set aside and the money returned.

DAILY HEALTH TALKS

Good Health Is in Your Own Hands

BY SAMUEL HAMILTON, M. D.

The man who said "People dig their graves with their teeth" uttered a truth that goes clear to the bottom of the health question. Suppose you should take everything you eat and drink for breakfast, everything you eat and drink for dinner, everything you eat and drink for supper, and mix all together in one mass. It would surely be a dreadful mixture to look upon. And yet your stomach is obliged to dispose of that unsightly mass each day! Is it any wonder so many people have indigestion, dyspepsia, backache, headache, bad blood, live complaint, skin diseases, nervousness, coughs, colds, catarrh, bronchitis and goodness knows what else? Yes, people dig their own graves with their teeth, and before they come they pass through one sickness or trouble after another. You should be glad to know what Dr. Pierce, of Buffalo, has called Golden Medical Discovery that can be depended upon to overcome many of the diseases named above. It may seem impossible for one medicine to do so much, but really the whole thing is as simple as the figure 1. Dr. Pierce's Golden Medical Discovery corrects the disordered conditions in a sick stomach, aids digestion, acts as a tonic and purifies the blood. When this is done, away go the diseases that are caused by a sick stomach. If you are digging your grave with your teeth, stop today. Correct your stomach disorders right now with Golden Medical Discovery, and henceforth eat for your health's sake. If you don't know what foods are best for you, write Dr. Pierce, Pres. Invalids' Hotel, Buffalo, N. Y., and receive confidential medical advice without charge.

Golden Medical Discovery is made without alcohol or opiates, so anybody and everybody can take it with safety. It is put up both in liquid and tablet form. Send Dr. Pierce 10c for a trial pkg., and see for yourself how good it is. Try it now.

Relieve Your Indigestion With A Laxative

Dyspeptics know that indigestion is accompanied by constipation, and that until the bowels can be regulated so they will act freely and naturally every day at a stated time, swallowing dyspepsia tablets is of little use.

A great and growing number of sufferers from this trouble find immediate and then permanent relief by the use of a combination of simple laxative herbs with pepsin sold by druggists under the name of Dr. Caldwell's Syrup Pepsin. The laxative herbs act on the bowels and the pepsin and extracts on the digestive tract, forming an exceptionally effective laxative- tonic.

It is a combination that has been found wonderfully helpful in indigestion, constipation, biliousness, headaches, bad breath, belching and gas on the stomach. A small dose is all that is required.

The druggist will refund your money if it fails to do as promised.

PRICE AS ALWAYS

In spite of greatly increased laboratory costs due to the War, by sacrificing profits and absorbing war tax we have maintained the price at which this family laxative has been sold by druggists for the past 26 years. Two sizes—50c and \$1.00.
