RAILROADS HARD HIT BY THE WAR

Operating Expenses and Revenues Take Big Jump, Report Shows

By Associated Press
Washington, Feb. 18.—The effect of war on railroad expenses, revekues and net earnings is shown by the Interstate Commerce Commission's final report on earnings of 135 principal roads, those whose revenues amounted to \$1,000,000 or more, in 1918.

Operating revenues amounted to \$4,913,319,000, the highest in history, and \$865,000,000 more than the \$4,010,463,000 of the previous year. Operating expenses rose provertionately more however, to \$4.00,463,000 of the previous year. Operating income, which is the difference between revenues \$4.00 expenses, with deductions for ordinary taxes, amounted to \$719,159,000, but because of other adjustments on account of car and facility rents, the net income to the railroad administration from oper-

ation amounted to only \$690,418,-These figures are somewhat dif-ferent from those reported by the railroad administration, which re-revenues were \$2,230,00,000 ex-ported federal income as \$688,000,-For the eastern district, operating penses \$1,914,000,000, and net income for the government \$209,000,-000.

For Constipation! Physic Purge or Laxative?

Everyone now and then becomes constipated, and millions are chronically in that condition. The perplexing question arises-what to use.

Purgatives and cathartics are drastic and usually cause a reaction. Saline waters are rapid in action but do no more than empty the bowels.

Just as certain an effect, and certainly a much more pleasant one, can be obtained by the use of a combination of simple laxative herbs with pepsin sold by druggists under the name of Dr. Caldwell's Syrup Pepsin. It acts gently, without griping. It is an especially ideal medicine for children, en, old people and others who find purges too powerful.

Only a teaspoonful is required, and by morning the movement is free and complete. A bottle in the house is insurance for the whole family against constipation, indigestion, headaches, flatulency and other digestive ills.

The druggist will refund your money if it fails to do as promised.

PRICE AS ALWAYS In spite of greatly increased laboratory costs due to the War, by sacrificing profits and absorbing war taxes we have maintained the price at which this family laxative has been sold by druggists for the past 26 years. Two sizes—50c and \$1.00.

GERMANS TAKE VALUABLES FROM DEPORTED POLES

Detain Males from 15 to 35 Years, Says Polish Committee

Paris, Feb. 18.—The Polish National committee announces that the first large crowd of deported Polanders, comprising 25,000 men and women and 650 children has arrived from Germany at the Polish frontier. The deported persons, the committee says, traveled day and night in open trucks in a temperature of twelve degrees below zero. Fifty-six children died as a result of the cold.

At the German frontier, according to the statement, the Poles were deprived of their money, footwear and extra clothing and males among them, ranging from 15 to 35 years of age, were detained.

The Polish ministry of foreign affairs, the statement adds, has protested vigorously to the German government and also has advised the allied governments of the facts in the case.

More Pennsylvanians Are Released from

German Prison Camps Washington, Feb. 18.—The War Department made public information regarding Americans released from German prison camps as follows: Sergeant Charles W. Kerwood, Bryn Mawr, Pa., released from German prison camp wounded and transferred to Vichy, France, December 10.

Reported released from German prison camps and returned to France: Angelo S. Pacione, Philadelphia; Wartlaw Borys, Chester, Pa.; Harry M. Burnell, East Philadelphia; John L. McClellan, 1404 Pleasant Valley, Altoona, Pa.; Elwood H. Frantz, St. Clair, Pa.

Aliens Advocating **Property Destruction**

To Go, Says Sec. Wilson Washington, Feb. 18.—Aliens found advocating destruction of property or overthrow of the government by force will be deported under the provisions of the immigration act of February 5, 1917. This announcement was made yesterday by Secretary of Labor Wilson in a letter sharply rebuking Micrometer Lodge No. 460. International Association of Machinists, of Brooklyn, for protesting against the deportation of fifty-eight "alien radicals." The secretary denied that the aliens were being deported without due process of law and asserted that they had been given fair trials.

Agree on P. O. Bill But Cut Tube Mail Service

Washington, Feb. 18—Senate and House conferees reached an agreement yesterday on the \$400,000,000 post office appropriation by eliminating the Senate amendment providing for pneumatic tube mail service in New York city and Brooklyn and retaining the Senate amendment appropriating \$200,000,000 for road construction during the next three years. The pneu

three years.

The pneumatic tube amendment, over which the conferees have been deadlocked for a week, authorized the Postmaster General to contract for tube service in New York and

Brooklyn and prohibited removal of the service from post offices in other cities in which it formerly was used for mail transmission. The Senate provision for a road building program provides \$50,000.

The Senate provision for a road building program provides \$50,000,000 for this year and \$75,000,000 for each of the two following years. The House conferees also yielded on the Senate appropriation of \$300,000 for motor truck service. The House bill set aside \$1,000,000 for this service.

IN OPINION OF THE WILLIAMSPORT GAZETTE WILIAMSPORT GAZETTE
The prospects for the much needed addition to the Williamsport government building are particularly bright. The efforts of Congressman Edgar R. Kiess to impress upon the committee the absolute need for more room have been rewarded with success. The House Public Buildings committee has ordered an appropriation of \$100,000 favorably reported.

The bill which originated with Congressman Kiess, has been closely followed by him and only last week he was twice before the committee.

Safe Buying ---When You Buy a Used Car of Us

It is good business to buy a used car, if you are sure you are getting a good used car.

The way to be sure to get a good used car is to buy it from a good concern.

We sell only "pedigreed" cars-cars that are of known worth.

Every car we sell is first thoroughly overhauled and gone over to see that it is in Al

We hold back no secrets about the used cars we sell; we tell you the whole storythe facts—the plain truth about the car.

That is why we sell so many used cars and why our customers recommend their friends to us.

The 300 Mark Reached!

About a week ago we told you that 286 dealers were selling Gunzenhauser's bread.

We thought then that that was a pretty good record for such a short time in business in Harrisburg.

It is certainly gratifying to us to be able to tell you, at this time, that 300 dealers now sell Gunzenhauser's bread.

I You will remember that we told you when we started in to make bread for the people of this city that we did not expect to sell all the bread in this community, but we did know that we would make such good bread that a large proportion of the people would demand

That was a sort of prophecy at that time which has been fulfilled to a great degree.

We are not placing any laurels on our own heads on account of the rapid and big success of Gunzenhauser's bread in this city, because we have been in the baking business for so many years that we do know how to make good bread. So you see it is really the natural

result of making good bread that has been our reward in this city.

Now that we have a good start we are going to repeat what we told you when we began, that we are going to continue to use the very best flour milled in America, the very best quality of milk we can procure, the very best yeast, in Gunzenhauser's bread.

And we are going to continue to make the very best bread because Gunzenhauser's bread will always be made by the very best bakers—those bakers who have had long experience, are skilled and who have been trained along the lines of good bread making which has established our reputation for making good bread since we began our baking career many years ago.

¶ You can buy Gunzenhauser's bread at any good grocer's or dealers.

I Once you have tried our bread we believe you will continue to have it on your table daily.
