A fact:

For the 200 or more men of note who sailed on the George Washington for the Peace Conference, more than a dozen different brands of cigarettes were carried in stock by the ship's "canteen." Of these, the cigarette carried and sold in far the largest quantity was Fatima.

Liggett & Mgers Tobacco Co.

FATIN A Sensible Cigarette

NOTE - The really big man hasn't any use for "frills." He appreciates the plain but practical Fatima package because he realizes the extra value that's put into the cigarette itself. But chiefly, it's Fatimas' taste and the fact that Fatimas never "talk back" that keeps warm the friendship of so many men for Fatima.
