At a very enthusiastic meeting of the Motor Dealers Association last evening, held in the Packard Motor Car Company's salesrooms at 101 Market street, space was alloted for both the passenger show and the truck and tractors shows. There will be twenty-two passenger car exhibits, twenty-two accessory exhibits and twenty-two truck exhibits. To date there are seven tractor exhibitors and when plans are finally completed there will be at least a dozen tractors on display.

This automobile show is by far the largest that has ever been staged in Harrisburg.
