

WILSON PREDICTS CHAOS IN EUROPE IF LEAGUE FAILS

United States Must Support Czecho-Slovaks, Jugoslavs, Poland and Other Weak Nations, President Tells Congressmen

Washington, Feb. 27.—President Wilson told members of the Congressional foreign relations committees last night that unless the United States entered the League of Nations the League would fall and chaos and turmoil beyond description would result in Europe. Views of Republican members opposing the league constitution as reported to the Peace Conference apparently were not changed by the conference. The President was said to have stated that it was necessary that the United States and to the support of the Czecho-Slovaks, the Jugoslavs, Poland and other weak and struggling peoples made free as a result of the great war. The President was said to have said the senators and representatives at the league constitution adopted as proposed by Great Britain, but is not the one drawn by General Lansing of the British authorities on the league proposal. Drafts presented by the United States, France and Italy were rejected.

Trouble "Unthinkable"
Conceding that it is the League of Nations which is the card with the surrender of some sovereignty, the President

ident in the center of one side, with Chairman Hitchcock, of the Senate committee, on his right and Chairman Flood, of the House committee, on his left. Across the table was Mrs. Wilson, with the two ranking minority members, Senator Lodge and Representative Cooper, on her right and left respectively.

After the dinner, the gentlemen returned to the East room, lighted their cigars and conversed informally for ten minutes, after which chairs were drawn into an irregular oval. President Wilson at one end, and discussion of the league started. It was commented upon that the President touched first upon a "delicate" subject, as it was termed, his request that debate be deferred until he could explain the constitution, article by article. After that he requested the questions be asked to clarify points on which there seemed to be doubt and the discussion proceeded with great frankness.

Receive War Crosses, Then Killed in Action

Lewisburg, Pa., Feb. 27.—Sergeant Warren Pursley, Company F, Fifty-Eighth United States Infantry, who was killed in France November 3, was awarded the distinguished service cross, according to a letter received by his sister, Mrs. G. Donald Cook. The letter says that Sergeant Pursley, who formerly lived at Welkert, Union county, was killed by shell fire in the Bois de Noye and that before his death he received this highest honor a soldier can receive. The letter does not state just why the cross was awarded.

Berwick, Pa., Feb. 27.—According to official information received from the War Department by Mrs. Malcolm Frew, of Berwick, her brother, Sergeant Alexander Newell, was killed in action on the French front, October 11, 1918. On July 15, 1918, General Pershing awarded Sergeant Newell the distinguished service cross for "leading a squad of men fearlessly through an enemy barrage, capturing five machine guns, thirty-three prisoners, and rescuing a sergeant of his company who was helpless from wounds, all under a violent artillery fire near Chateau Thierry, France."

MEMBER GEORGE WASHINGTON CREW VISITS CHAMBERSBURG

Chambersburg, Pa., Feb. 27.—One of the members of the crew of the George Washington, the ship which carried President Wilson and his party to Europe and back, is here on a visit in the person of Chester Paul Lennher, whose mother resides here. Mr. Lennher is spending a five-day furlough here. He has already made fourteen trips to Europe. The George Washington, he says, will be in readiness to take the President back to Europe early in March. Upon its arrival in Europe the vessel will dock at Liverpool, England, for repairs.

Many Tickets Sold For Big Benefit Dance to Be Held For Children's Aid

Despite the fact that the event will not be staged until March 3, approximately 3,000 tickets have already

been sold for the big benefit dance to be given by employees of Bowman and Company, the Knights of Columbus and the Harrisburg Operatic Society for the benefit of the Children's Industrial Home, the Day Nursery and the Sylvan Heights Orphanage. The demand for tickets is almost unparalleled, members of the committee

on arrangements declared today. Two orchestras have been engaged for the occasion. Updegrave's famous orchestra and a new organization known as the "Banjosaxo" Jazz Orchestra will play for the dancing. In a separate room there will be tables for cards and it is possible that

there will be special features on the program. Bowman's decorators will be in charge of the decorative scheme. It is planned by members of the committee to transform the hall into such a scene as Alice might have seen in Wonderland, they say.

TO ADDRESS CIVIC CLUB.
Chambersburg, Pa., Feb. 27.—At its regular meeting on next Monday the Chambersburg Civic Club will be addressed by Dr. Ethelbert D. Warfield, president of Wilson College. His subject will be "Some Phases of Reconstruction Work."

Scores of New Spring Suits Ready

Smart Models in most serviceable materials---men's serge and all wool poplins

\$20.00 \$22.50 \$25.00

There is a great craze for navy blue suits—and we are prepared. After all what better shade is there for long service and for a dressy appearance than navy blue. But many prefer the other shades and we have them also. There is black, which is always in demand, and there are gray, taupe, copenhagen and tan—all good shades.

We are making an extraordinary effort on suits at these popular prices and we venture to say that no other store will show you as many styles, as splendid materials and as fine tailoring in garments at these prices as you will get here. Not a bit of doubt in our minds, but that many stores will price suits like these five to ten dollars higher. That's your one cue for comparison.

We have all sizes for women and Misses—and many models.

TRY THIS, HAVE MORE CLOTHES

This is a mighty good suggestion for ailing women by one who knows, too, may profit from the advice of Mrs. Emma Stiles, of 1559 North 7th street, Philadelphia:

"Nu Vim cured a bad case of Stomach Trouble when all other remedies failed. I tried Nu Vim and it thoroughly cleansed my liver and kidneys, took off all the liver spots on my face, and the pains in the lower part of my back left me entirely. I must say I am a new woman on three bottles. Try it for yourself and have more clothes to wear by saving doctor bills. It's great."

What's the use of spending money on dressy medicines that do no good, when you need clothes and comforts? If you have rheumatism, or blood, liver, kidney, stomach or bowel disorder, or are weak, nervous and run down, try Nu Vim Iron Tonic. It is safe, contains no mineral iron, no dangerous, harmful narcotic or habit-forming drugs, a real, vegetable tonic—a standard household remedy. You can get it at Gorkas' drug store, 15 North 7th street.

STOMACH TROUBLES ARE DUE TO ACIDITY

Safe, Certain, Speedy Relief For Acid Indigestion

So-called stomach troubles, such as indigestion, gas, sourness, stomach-ache and inability to retain food are in probably nine cases out of ten, simply evidence that excessive secretion of acid is taking place in the stomach, causing the formation of gas and acid indigestion.

Gas distends the stomach and causes a full, oppressive, burning feeling, sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the excessive development or secretion of acid. To stop or prevent this souring of the food contents of the stomach and to neutralize the acid, and make it safe and harmless, a teaspoonful of saturated magnesia, a good and effective corrector of acid stomach, should be taken in either powder or tablet form or cold water after eating or whenever gas, sourness or acidity is felt. This sweetens the stomach and neutralizes the acidity in a few moments and is a perfectly harmless and expensive remedy to use.

An antacid, such as bisulphated magnesia which can be obtained from any druggist in either powder or tablet form enables the stomach to do its work properly without the aid of artificial stimulants. Magnesia comes in several forms, so be certain to ask for, and take only Bisulphated Magnesia, which is especially prepared for the above purpose. G. A. Gorkas.

Rheumatism

A Home Cure Given By One Who Had It

In the spring of 1893 I was attacked by Muscular and Inflammatory Rheumatism. I suffered as only those who have entered the lists for over three years I tried remedy after remedy, and doctor after doctor, but such relief as I received was only temporary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bedridden with Rheumatism, and it effected a cure in every case.
