1109 Acres, good buildings,

I have just purchased the four farms of the Frank C. Bosler Estate at Carlisle (924 acres in all), and am ready to talk business with persons desiring either large or small farms. Much of the land lies along the trolley between Harrisburg and Carlisle (a single fare to Carlisle), and is therefore too valuable for large farm, plots, It will be cut up into 5 to 20 acre plots. The balance is adapted to general far as among the stone land and constant of the standard county. It has been carried to the market and there will no doubt the market and there will no doubt the market and there will no doubt the sampler plots. The surveys are not yet completed, but persons desiring certain locations can make arrangements for such plots as they desire. Prices on the balance will be announced when surveys are finished. An apple orchard, containing 2,000 bearing twenty-year-old trees and 600 young trees, all in good condition, will de disposed of promptly. This property, is about one mile from Carlisle on Harrisburg short road.

Any of the property can be seen by making arrangements with R. E. Shearer, Carlisle, or myself.
