HARRISBURG, MONDAY, MARCH 3, 1919.

DED 2871

Announcing the March Sale of HOUSEWARES

Again, that series of events which establishes March as the one period of all the early year when needs for the home can be acquired to best advantage. With an appreciation which realized that such purchases are not every day shopping plans for this annual occasion have been going forward for months. And the excellence of every assortment, whether it is China, Glassware, Silver Cutlery, or Utensils for the Kitchen, establishes a merit mark for the March Sales for the Home, which places the March pricing in bold relief.

Every price quoted represents saving that you cannot afford to miss. We have taken advantage of opportunities from time to time, where there was a possibility of saving money for us, and for you. In fact some of the goods in this sale are goods that were made for government use. The quantities of some items are not as large as on other items, consequently we shall limit the quantity purchases on some articles on sale, so the great number of people who come will not be disappointed.
