

### RECORDS GO TO WASHINGTON

#### Detailed Instructions For Soldiers to Get the Sixty Dollar Bonus

All records of the draft boards in Pennsylvania are to be shipped direct to the office of the Adjutant General of the army at Washington, according to word received here by Major W. G. Murdock, the State's chief draft officer, who will shortly issue detailed instructions for the boards. The government property now in the hands of the boards is to be sold by the boards and they will be informed as to methods in a circular to be issued soon.

The State headquarters has received details of the method whereby the men discharged from the army since April 6, 1917, may receive the \$60 bonus. The circular issued says:

"Section 1406 of the Revenue Act approved February 24, 1919, authorizes the payment of a bonus of \$60 to officers, soldiers, field clerks and nurses of the army upon honorable separation from active service by discharge, resignation or otherwise. This bonus is not payable to the heirs or representatives of any deceased soldier.

"Those who are discharged hereafter will receive this bonus on the same roll or voucher upon which they are paid their final pay.

"Those who have been discharged and have received their final pay without the \$60 bonus, should write a letter to the Zone Finance Officer, Lemon Building, Washington, D. C., stating their service since April 6, 1917, the date of last discharge and

their present address to which they desire their bonus checks to be sent and enclosing with this letter their discharge certificate or military order for discharge and both, if both were issued.

"Upon the receipt by the Zone Finance Officer, Washington, D. C., of this information and the soldier's discharge certificate, this officer will cause checks to be drawn and mailed to the claimants in the order in which their claims were received by him. The discharge certificate will be returned to the soldier with the check.

"It is estimated that at least one million and a quarter persons have been discharged from the service who are entitled to the benefits of this act and while payments will be made as expeditiously as practicable, it will manifestly take considerable time to write and mail this many checks."

### KREGER TAKES CROWDER PLACE

#### Other General Officers Ordered Back to Ranks in Regular Army

Washington, March 7.—Secretary Baker announced that Brigadier General Edward A. Kreger, now in charge of a branch in France of the office of the judge advocate general, had been ordered home to act as judge advocate general during the absence in Cuba of Major General Enoch H. Crowder.

At the same time announcement was made that nearly a score of general officers had been ordered back to their rank in the regular army, among the number being Brigadier General Samuel T. Ansell, formerly acting judge advocate general. With his rank of lieutenant colonel of the regular army, General Ansell has been designated by General Crowder to continue as chairman of the clemency board in the office of the advocate general.

Secretary Baker issued this statement:

"Brigadier General Edward A. Kreger has been directed by cable to return to the United States and in the absence of General Crowder in Cuba, General Kreger as senior officer of the judge advocate corps, will be designated as acting judge advocate general.

"In the ordinary routine of demobilizing the army a large number of officers in various bureaus of the War Department holding temporary rank have been returned to their regular army status. Brigadier General Ansell is among the number. The action thus taken has no relation to the controversy which has existed with regard to the administration of military justice and clemency.

"By direction of the judge advocate general, General Ansell will continue to be chairman of the clemency board composed of officers of the judge advocate general's office reviewing court martial proceedings with a view to recommending commutation of excessive sentences where found necessary."

#### Hog Market Closes on a Strong Basis

Altoona, Pa., March 7.—At the opening of yesterday's session of the General Synod of the Reformed Church Dr. S. Earl Taylor, general secretary of the Inter-Church movement delivered an address explaining the movement to mean federation of church bodies, organization of forces and surveys for effective work.

Report of delegates to the Council of Reformed Churches holding the Presbyterian system recommended a closer affiliation with other denominations, the Presbyterian church, North and South, having adopted articles of federal union.

The general committee in united campaign by the Reformed body estimated the needs of the movement as follows: Home missions, \$1,000,000; foreign missions, \$1,115,000; publication and Sunday school

board, \$250,000; ministerial relief, \$1,000,000; association of schools and colleges, \$2,125,000; board of education, \$200,000. The appointment of a committee of twenty-five to conduct a campaign was requested.

Chicago, March 7.—As a result of the removal of a minimum hog price by the food administration, the hog market yesterday closed on a strong basis, best selling at \$18.60, or a five-cent advance over yesterday's top, and the highest price since November 6 last. The general average for the day was \$18.25, or five cents lower than Wednesday. The market opened unevenly with yesterday's gain of 15 to 20 cents virtually wiped out, but rallied with competition between shippers and packers and closing prices ruled 15 to 20 cents higher than at the opening.

### Cocoonat Oil Makes A Splendid Shampoo

If you want to keep your hair in good condition, be careful what you wash it with.

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulsified cocoonat oil (which is pure and entirely greaseless), is much better than the most expensive soap or anything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get mulsified cocoonat oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.

### "Got a Cigaret?" King Asks Soldier

New York, N. Y.—Byron Stowe of this city, a warrant machinist in the Naval Air Service, who arrived yesterday on the Transport Sierra, was at an aerodrome in Germany that had recently been surrendered to the Allies.

"A big plane landed near me," he said. "A strapping fellow got out of it. He asked if I could spare a cigarette. I handed him one. Then he fumbled around, couldn't find a match and asked me for one. I gave it to him.

"He asked, 'You're an American, aren't you?' and added that he was a Belgian. While we stood there chatting about the weather and other commonplace topics, I happened to notice the unusual outlines of his plane. It resembled descriptions I had heard of 'Albert's Chariot'."

"I looked over my begrimed and besmudged acquaintance again and asked him: 'Say, are you King Albert?'"

"He looked abashed a moment, then grinned and said: 'Yes, I'm Albert. Why?'"

"And sure enough, it was the Belgian King. Maybe I'll go back some day and ask him to lend me a cigarette and a match."

### BANISH CATARRH

Breathe Hyomei for Two Minutes and Relief Stuffed Up Head

If you want to get relief from catarrh of the head or from an irritating cough in the shortest time breathe Hyomei.

It should clean out your head in two minutes and allow you to breathe freely.

Hyomei often ends a cold in one day. It will relieve you of disgusting sniffles, hawking, spitting and offensive breath in a week.

Hyomei is made chiefly from a soothing, healing, antiseptic, that comes from the eucalyptus forests of inland Australia where catarrh, asthma and consumption were never known to exist.

Hyomei is pleasant and easy to breathe. Just pour a few drops into the hard rubber inhaler, use as directed and relief is almost certain.

A complete Hyomei outfit, including inhaler and one bottle of Hyomei, costs but little at drugists everywhere and at H. C. Kennedy. If you already own an inhaler you can get an extra bottle of Hyomei at drugists.
