### Many Wounded Men Are Entertained in Theaters

Market street motion picture theaters have been hests during the past week to scores of wounded soldiers from Carlisle and other hospitals. At the Colonial during the past week soldiers wearing pajamas were among the visitors. The Kiwanis Club of Harrisburg has taken up the idea and will give a theater party in the next few weeks at the Regent theater with manager Peter Magaro as the host.

Much work in helping the soldiers has been accomplished by the canteen committee of the Harrisburg Chapter, American Red Cross, which has cared for 6,500 men in the service during the past week. Many of the workers served late into the night. The past week was a record-breaker for the committee.

### BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards's determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place. Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits, loc and 25c a box. All druggists.
