

AMERICAN IDEA TO BE TAUGHT

E. E. Bach Secured By McClain to Take Charge of Americanization Work

Director Frank B. McClain, of the State Council of National Defense, is going into the plans to make the committee a big institution in a very practical way. He has secured E. E. Bach, of the Lackawanna Steel Company, to supervise the Americanization work. Mr. Bach is noted for the very practical manner in which he has handled this matter.

The idea is to get right down to bed rock and to outline instruction, sending teachers to school if necessary so that they can instruct and having speakers discuss principles rather than theories.

Mr. McClain left last night for Pittsburgh to look into the operation of employment agencies for which the state is paying the bill.

Ex-Member Here.—Ex-Representative H. Ailes Brumbaugh, of Blair, was in the House last night.

St. Patrick's Dinner.—Legislators and State officials will attend the biennial dinner of the Legislative Sons of St. Patrick next Tuesday night at the Penn-Harris. Governor Sprout is to be a speaker.

Notaries Named.—Among notaries public named last night were Mrs. Caroline S. Cappello, Carlisle; Maurice J. Sturmer, Oxford; Walter R. Sohr, and Mrs. Elizabeth Walsh, Harrisburg; James P. McCormick, Coal township; Luigi Pannelli, Pottsville; Milton H. Gross, Manchester.

Mr. Beckley Ill.—Representative Ross L. Beckley, of Cumberland county, is in the Harrisburg Hospital for an operation for appendicitis.

Representative Returns.—Representative Nelson McVicar, of Tarentum, who has been ill, is back at his desk.

To Give Demonstration.—Plans for a demonstration of headlights at the scene of the Heaton wreck to demonstrate conditions have been made and it will take place to-morrow morning. John P. Dohoney, chief of the bureau of accidents of the Public Service Commission, will attend.

Not to Forward.—Local draft boards are not required to forward discharges of soldiers making claim for the \$60 bonus for discharged soldiers. The boards are to act in merely an advisory capacity, according to state draft officers.

Mr. Pinchot Visits.—Clifford Pinchot, of Milford, Pike county, was at the capitol. He was interested in the water survey matter and the fate of some conservation bills.

Smallpox About.—The smallpox situation in Lackawanna county is getting serious. Notice to physicians in that section to look closely after vaccination. The disease has appeared in Scranton.

CONFERENCE NEXT WEEK.—Harrisburg ministers of the Central Pennsylvania conference of the Methodist Episcopal Church will conduct the last services of the conference year on Sunday. They will leave early next week for the sessions of the conference which will open on Wednesday, March 19, at Scranton. Only routine business is expected. No changes of pastors are expected in the Harrisburg churches.

St. Patrick Dinner Will Be Tuesday

Announcement was made to-day that the biennial dinner of the Pennsylvania Legislative Sons of St. Patrick, will be given in the Penn-Harris Hotel on Tuesday, March 18.

The association which numbers among its senators, representatives, state officials, newspapermen and many persons prominent in the public life of the state, was originated twenty years ago by Colonel George Nox McCain, Frank B. McClain, ex-Lieutenant Governor; Peter J. Hoban and George J. Brennan, legislative correspondent of the Philadelphia Inquirer.

At the meeting of the association held two years ago, many of the leading men of the state, including Senators Penrose, Vane and McNichol, Governor Brumbaugh and various cabinet officials. At this dinner Senator Penrose publicly shook hands with Governor Brumbaugh.

Frank B. McClain, of Lancaster, is permanent president of the organization, and this year State Treasurer Harmon M. Kephart handles the finances, while Representative T. J. Hefferman, Philadelphia, acts as secretary.

Dr. Orr Opens Services in Market Square Church

Last night at Market Square church, Prof. Harry P. Armstrong conducted the opening services. By his splendid leadership in evangelistic singing he is getting wonderful results from the audiences. Then his own solo is always an attractive feature. Dr. Orr preached a sermon which was stirring and convincing.

He used the scene at the grave of Lazarus, where Jesus wrought the great miracle of resurrection. He spoke about people seeing the glory of God if they would but believe. He asked for belief in the chief things of religious faith.

Then he urged the rolling away of stones that keep God from doing His great work. Stones of prejudice, criticism, jealousy, unforgiving spirit and any one of the many things which can hinder and do hinder the manifestation of the spirit in mighty services.

Services will be held each afternoon at 8 o'clock, and each evening at 7:30 o'clock.

PLAY PLEASES MANY

The play entitled "The Senior," a comedy in three acts, given by the students of the Swatara township High school under the direction of Miss Aline Bateman and Ralph N. Lutz, was appreciated by large audiences. It was given for the benefit of the Athletic Association and a large sum was realized.

It was given at Oberlin on Friday afternoon and also on Friday evening, March 7, and at Enhart on Saturday evening. The orchestra from Bressler added a great deal to the completion of a well balanced program.

EASE THE PAINFUL RHEUMATIC TWINGE

Sloan's Liniment will relieve it on one application

By penetrating without rubbing, it helps to scatter the congestion, resulting in a warm, tingling glow of comfort and ease. Takes little to turn the trick quick. Won't stain the skin. Get a big bottle to-day for economy's sake. All druggists everywhere sell it.

Sloan's Liniment
Kills Pain

Job is plainly shown by the announcement of a monster booster rally to be held in Grace church this evening at 8 o'clock. The Booster Club, which is composed of the representative young people of Methodism of the city and vicinity, anticipates a most successful, helpful and unusual meeting. The officers have been very fortunate in securing Dr.

J. W. R. Sumwalt, pastor of Grace Methodist Episcopal church, Wilmington, Del., to make the principle address. Dr. Sumwalt is known as one of the most enthusiastic and boosting ministers in Methodism, and he has had his greatest success in young people's work.

A fifteen minute community singing will precede the lecture and address. Great interest in this meeting has been stirred up by Stevens Memorial church challenging Grace church to have more of their members at the meeting than Stevens Memorial will have. The chapel will be divided into sections and the members of each church will sit in their respective sections, and visitors, who do not belong to any of the Methodist churches, will be assigned to another special section. The ushers will count the

number present from the various churches, and the results of this contest will be announced at the close of the address.

Dr. Edgar R. Heckman, district superintendent of the Harrisburg district, will offer the prayer and Charles W. Boll, president of the Harrisburg District Epworth League, will preside.

What Is the Perfect Feminine Form?

WHAT constitutes the perfect feminine form? An authority on the subject—Professor Dudley A. Sargent of Howard University—says that the most nearly perfect, physically, of living women is Annette Kellerman, star of the new William Fox production, "Queen of the Sea."

Professor Sargent compares the measurements of two famous women of other epochs—Cleopatra and Venus—with those of Miss Kellerman and declares the proportions shown by the latter are more harmonious than those of either of the famous swimmer's predecessors. Here are the figures:

	Cleopatra	Kellerman	Venus
Height	5 ft. 5 in.	5 ft. 4 3/4 in.	5 ft. 4 in.
Neck	13.7 in.	12.6 in.	14.8 in.
Waist	29.3 in.	26.2 in.	31.2 in.
Hips	39.6 in.	37.8 in.	40.8 in.
Shoulders	40 in.	36.6 in.	41.1 in.
Upper Arm	12.6 in.	12 in.	13.2 in.
Fore Arm	9.5 in.	9.4 in.	
Chest	33.4 in.	33.1 in.	34 in.
Foot, length	9.3 in.	9 in.	10.4 in.
