

Think Berlin Swans Are Taken For Food

Berlin, Mar. 12.—Tame swans which have paddled about the park ponds of this city have been mysteriously disappearing, the Vorwärts states. The paper expresses the belief that they are being stolen and slaughtered for food. Tame deer in Grunewald and on the former emperor's game preserves in the vicinity of Potsdam are reported to be meeting a similar fate.

SPROUL BILLS BEFORE SENATE

Make Notable Changes in Departments of Capitol—For New Constitution

State administration bills affecting the State government more than any bills appearing this session were presented to the Senate yesterday afternoon. They comprised a big list and members showed considerable interest in the measures that showed up, while Capitol Hill people flocked to the Senate to hear about them. The most important bill was that creating the State salary board along the lines of the outline issued some time ago. This bill is virtually what was vetoed in 1917. The bill for biennial instead of annual reports, also much discussed, was likewise presented. These measures were introduced by Senator William E. Crow, who also sponsored the bill to abolish the office of the executive controller and to have all of the work now handled in that office taken charge of by a bureau of the Auditor General's Department. This is also in line with previous announcements. The Governor will only have to act on contracts under the arrangement planned.

TO RELIEVE CATARRHAL DEAFNESS AND HEAD NOISES

If you have Catarrhal Deafness or are hard of hearing or have head noises go to your druggist and get 1 ounce of Parmit (double strength), and add to it 1/2 pint of hot water and a little granulated sugar. Take one tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has Catarrhal Deafness or head noises should give this prescription a trial.

Wilhelm Dissatisfied With Dutch Residence

Geneva, March 12.—It is reported from Basle that the former German Emperor has complained against his residence in Holland. It is asserted that he has declared that the climate is disagreeable and that he desires to go to the Riviera or to Egypt on account of his health and that he has requested Mathias Erzberger, head of the German armistice commission, to make representations to the allies to this effect.

Plan to Absorb Cumberland Valley Property Approved by the Stockholders

Philadelphia, March 12.—The speed which characterizes transaction of business by shareholders of the Pennsylvania Railroad prevailed at yesterday's annual meeting of the company held at Witherspoon Hall, and it required only eighteen minutes for the fifty odd persons present to approve the annual report, favor the increase of indebtedness by \$75,000,000 and approve of the acquisition of the Cumberland Valley Railroad. In the absence of President Rea, who is attending the conference of Railway Executives with Director Hines, at Washington, C. Stuart Patterson was called to the chair and Lewis Wilson was elected secretary. The reading of the annual report was dispensed with, printed copies being in the hands of the stockholders and the report was approved. When Captain John P. Green offered a resolution to authorize an increase in the funded debt of the company by \$75,000,000 "to provide for expenditures now being made and which hereafter may be made upon the property of the company by the United States Railroad Administration or by the company itself and for other generally to accomplish, enlarge and carry on its purposes and business," George V. Marsey demanded that the question should be submitted to a stock vote to be taken on March 25 in connection with the annual election of directors on that date. The approval of the debt therefore, went over until that time.

Queen Marie, of Rumania, May Visit United States Soon

Paris, March 12.—Queen Marie of Rumania may soon visit the United States. Whether the trip will be made before or after the conclusion of the peace conference has not been decided. The Queen left for London today. In a conversation with The Associated Press she said that for many years her most cherished hope had been to visit the United States, and now she was looking forward to the early fulfillment of that hope. Honors Paid to the Late J. P. McNichol. One of the features of the James P. McNichol memorial service in the State Senate chamber yesterday afternoon, was a short address by Governor Sprout, who told a story concerning three soldiers going into the trenches, as illustrative of Mr. McNichol's life. "Three soldiers going into the front line trenches, perhaps never to return," said the Governor, "were asked their opinion concerning the three greatest vices in life. The consensus of opinion chose cowardice, selfishness, and conceit." The Governor then went on and showed by examples that none of these vices entered into the life of Senator McNichol. The meeting was opened when Senator Vare presented resolutions of regret to the Senate, which were ordered placed in the Legislative record. There were speeches by Senator Vare, Governor Sprout, Auditor-General Snyder, and Senators Sones and Daix. The former seat of Senator McNichol, now occupied by Senator Daix, was decorated with a huge cascade of roses, placed above a picture of the late Legislator. The Republican Alliance of Philadelphia brought 400 men on a special train, for the services. All of the club members wore a badge containing the picture of Senator McNichol, and the words "GIVE LIFE." The Senate chamber was crowded during the ceremonies. Mrs. McNichol and a member of the family were present.

Neville Island Ordnance Plant to Be Abandoned

Washington, Mar. 12.—Abandonment of the Neville Island Ordnance plant, planned as the largest munitions factory in the world, is announced by the war department. Not only will construction be stopped at once, but the buildings already completed will be dismantled and the tools and machinery manufactured or being completed will be transferred to other government arsenals or sold. The island itself, in the Ohio river near Pittsburgh, will be turned back to the original owners. Cancellation of the project is absolute. Reports that the island would be retained as the principal Ordnance storage depot for the eastern part of the United States were specifically denied by the department's statement. For a few months it will be utilized for storage purposes to relieve congestion at other depots, but when this need has passed the property will be cleared and turned back to its former owners.

WILLIAMS-HOFFMAN WEDDING

Newport, Pa., March 12.—David E. Williams and Miss Lillian Hoffman, daughter of Mr. and Mrs. J. J. Hoffman, were married by their pastor, the Rev. W. C. Ney.

Appropriations For Local Charities In

The appropriation bills for the Dauphin county charities made their appearance just before the House adjourned after 6 o'clock last night. They were introduced as follows: Mr. Miller—Home for Friendless \$10,000; Mission Home \$5,000. Mr. Miller—Harrisburg Hospital \$60,000; Nursery Home \$7,500; Children's Industrial Home \$10,000; Sylvan Heights \$10,000; Crittenden Home \$2,000. Mr. Usher—Williams Valley Hospital \$10,000. The Polyclinic bill is still to come.

Stop Whipping Pupils, Judge Orders Teachers

Huntington, W. Va., March 12.—D. W. Frampont, city magistrate, has issued a pronouncement to President H. C. Walburn, of the board of education, that paddles must be abandoned in the city schools as instruments of punishment. "He declared that unless they are abandoned he will inflict the full penalty of the law upon all teachers brought before him on charges of assaulting children."

GIVE HISTORICAL TALKS

Two interesting talks will be given at the regular meeting of the Historical Society of Dauphin County, to be held to-morrow evening, at 8 o'clock, in the society's building, 10 South Front street. Colonel H. C. Demming will speak on "The Wells of Dauphin County," and John Hamilton Alicks, a member of the Dauphin County Bar, will speak on "Reminiscences of Judge John B. McPherson." The late Judge McPherson was judge in the United States District Court of Appeals at the time of his death, and formerly was additional law judge in Dauphin county.

WANT ANOTHER INCREASE

Scranton, Pa., March 12.—Conductors and motormen employed by the Scranton Railway Company, who are now receiving forty-five cents an hour, under an award of the War Labor Board last fall, have made a demand for an increase in wages ranging from 10 to 15 cents an hour, depending on length of service. Every eighth day off is also requested.
