

## M. E. CHURCHES FAVOR PLAN TO MAKE WORLD DRY

### Philadelphia Conference Likely to Make Many Changes Among Pastors

Philadelphia, March 13.—Wharton Memorial Church, West Philadelphia, was selected as next year's meeting place by the Philadelphia Methodist Episcopal Conference which is in session here.

Co-operation with the Anti-Saloon League in its plan for a world-wide campaign for prohibition was endorsed, and the appreciation of the conference was expressed to the members of the Pennsylvania Legislature who voted for the national prohibition amendment.

The Rev. G. Bickley Burns, superintendent of the West district, reporting on the work in his territory, said he was convinced that pastoral evangelism is more successful than spectacular campaigns.

The Rev. George H. Bickley, of the Northwest district, in his report, suggested that prohibition would require churches to be opened as social centers to take the place of saloons in that respect, especially in the coal regions where the saloons, he said, were numerous and regarded as the "poor man's club."

Many changes likely

About a hundred pastoral changes will be announced at the close of the conference.

Two city churches and two up-state churches will be the pivot points, it is said, around which many of the transfers will revolve. One of the local churches is the Columbia Avenue Church, Twenty-fifth street and Columbia avenue; the other, the Fletcher Church, Fifty-fourth and Master streets.

Filling the pulpits of the churches at Pottsville and Lancaster will lead to a shifting of many pastors.

The pastor of the Columbia Avenue Church, the Rev. Dr. F. W. Hart, died several months ago. The pulpit has been filled temporarily by the Rev. Dr. George Burns.

Appointments Ready

Bishop Berry and the five district superintendents virtually have completed a tentative draft of the appointments to be made. But, clergymen point out, the discovery that a single man will not be able to accept an intended appointment will cause a readjustment of almost the entire slate.

New pastors are to be assigned to the Dauphin and Lansford churches, and the Rev. Charles Roads, of the Williamstown Church, is to be changed at his own request. The Millersburg church will get a new pastor.

## Ex-Emperor Charles Seriously Ill Again

GENEVA, March 13.—The former Austrian Emperor, Charles, is again seriously ill from a nervous breakdown, according to advices from Innsbruck. His wife, Zita, is employing every means to leave Austria for the Riviera, but has been unable to obtain French passports. She also is said to be in bad health.

## FREIGHT PILES UP ON PIERS AS BIG STRIKE CONTINUES

### Hampered Movement of Coal Barges Keeps Up as Harbor Workers and Employing Boat Owners Remain Deadlocked

*By Associated Press*

New York, March 13.—The hampered movement of coal barges and the congestion of freight on the piers became more serious to-day as the striking harbor workers and the employing boat owners continued in deadlock over the terms of a settlement of their wage and hours of labor controversy. Schedules of trans-Atlantic liners, in some instances, have been changed in the hope of obtaining coal, while almost every vessel in port is experiencing trouble in coaling.

The demoralized condition of the coal barge service has resulted in so diminishing the supply of steam coal in the city that transit companies have appealed to the Public Service Commission and the naval authorities for aid. A complete shutdown of service on the elevated and subway lines was predicted to-day by Frank Hottel, general manager of the Interborough Rapid Transit Company, when the four days' supply on hand is exhausted. Similar conditions are said to exist in Brooklyn, and manufacturing plants throughout the city are beginning to feel the pinch of the coal supply shortage.

Few Jersey Cars Running

Street car service in twelve northern New Jersey counties was paralyzed again today, although the Public Service Corporation attempted to operate a few cars with employees who refused to join the 4,500 striking motemen and conductors. No service was given to the company after 6:30 last night, until 6 a. m. to-day, when a few cars were sent out on runs. Yesterday, the first day of the strike, the company claimed that fifteen per cent. of its cars were operated. Normally about 850 cars are operated.

The strike, which has been virtually free from violence, has brought out a large number of automobiles and other conveyances to take workmen to factories.

The strikers, members of the Amalgamated Association of Street and Electric Railway Employees, demand recognition of their union. Francis Bird, Federal mediator, was in conference to-day with leaders of the strikers and officials of the company in an effort to bring about a settlement.

## EIGHT-CENTS CAN BE FARE LIMIT

### Carlisle and Mt. Holly Complaint Dismissed Today

An order permitting the Carlisle and Mount Holly Railroad to charge an eight-cent fare, admitting a complaint filed against that rate after it was entered in a court, was issued by the Public Service Commission today.

The opinion, written by Commissioner of Public Service, reviewed the financial condition of the two companies at length and says that evidence was presented that the cars were in poor condition and that the roadbed and pole line would require considerable outlay to put them into proper shape.

The eight-cent fare was announced after a seven-cent fare had been in effect a time and the opinion says the figures at hand "serve to show that the eight-cent fare in the Carlisle and Mount Holly Railroad is not acted as a detriment upon the car rider and has increased in a substantial manner the revenues of the company which the latter claims as absolutely necessary under existing conditions if the public is to have the benefit of proper and adequate service. The report also comments that it is not clear why a street railway operating to a county seat appraised at \$110,000 and with bonds of \$100,000, which never paid a dividend, should have an annual deficit in excess of its substantial net. The data submitted does not furnish an answer to the fundamental feature of the case, the opinion says.

Switzerland has already replied favorably to the suggestion, No South American governments have yet answered.

A strong sentiment is developing in high quarters of the conference in making Geneva the official seat of the League of Nations. Several of the heads of the delegations, who have been consulted, have given their approval.

## Simple Way to End Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it to the scalp when retiring, enough to moisten the scalp and rub it gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and for four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and you will feel hundreds times better.—Adv.

## BAD BREATH

### Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of its bad after effects.

All the benefits of nasty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without gripping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after severn patients afflicted with bowel and liver complaint, with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

## Bolsheviks Break Up New York Meeting

New York, March 13.—Bolshevik sympathizers broke up an anti-Bolshevik meeting in Webster Hall here last night, at which Madame Catherine Breshkovskaya, "grandmother of the Russian revolution," and General Oberoutcheff, former commander-in-chief of the Russian military district of Kiev, were speakers.

Hecking from the floor developed into general and violent abuse of the speakers. The police endeavored to keep order, but this action brought renewed and more vigorous outbursts. Finally, after a call for police reinforcements, the hall was emptied, and the crowd which gathered in front of the building dispersed.

## CLASS IN HYGIENE

M. E. Flickinger, of Marketville, has been granted a two-horse huckster license by County Treasurer C. S. Brunner.

## MUST FIND EX-CZAR DEAD OR ALIVE TO COLLECT DEBT

### If Dead, Action Must Be Taken Against Nearest Kin, Is Judge's Decision

New York, March 13.—Bernard Naumberg, a lawyer, has been named by Supreme Court Justice Benedict in Brooklyn as a committee of one to ascertain whether Nicholas Romanoff, former Czar of Russia, is dead or alive and, if dead, who is next of kin.

Mr. Naumberg is eagerly looking for some one who can solve the riddle for him, for on its solution rests the collectibility or noncollectibility of a \$117,450 judgment which Mr. Naumberg recently obtained against Mr. Romanoff on behalf of the Marine Transportation Service Corporation.

The corporations in the early part of the war, transported a large quantity of sugar to Russia upon the Czar's order. Before collection was made, Nicholas was deposed.

Mr. Naumberg recently learned that the late Czar had \$1,000,000 on deposit in the National City Bank here. He obtained a court judgment for \$117,450, but upon presenting it to the bank was informed that the bank could not pay out any of the funds unless Nicholas either were served with notice or were proved dead.

Mr. Naumberg then applied for appointment of a receiver for the fund, hoping to obtain satisfaction from the receiver. Justice Benedict denied the application, however, telling Mr. Naumberg it would be necessary first to serve Nicholas with notice, or after proving him dead, to serve action upon his next of kin. The next of kin would be his wife, if she is alive; if not, his children; if alive; if not, Michael Romanoff, his brother, who at last accounts was alive.

## BULLS RESUME MARKET DRIVE

### In Face of Activity Standard Shares Are Relegated to Background

New York, March 13.—Bullish activity in recent speculative favorites was promptly resumed at the opening of today's stock market, while standard shares were relegated to the background.

Texas Company and Industrial Alcohol, which featured yesterday's market, were again in demand, the former in the first half hour adding six points to yesterday's eleven-point advance, while Alcohol supplemented yesterday's substantial gain with another five points.

Moderate advances were made by the more prominent motors, equipments and affiliated issues, but changes otherwise suggested further profit-taking.

## ENGINEER MUSTERED OUT

Carlisle, Pa., March 13.—Coming back from France with President Wilson on the George Washington, Corporal Harry Buttorff, of Mount Holly Springs, who saw service with the engineers in France has been mustered out and returned to his home here. He was with the engineering corps of the Seventh Division. He was engaged in bridge building and other work during the advance and with a command detailed to remove over 6,000 German mines in and about Metz, the German officers giving maps showing the location of the explosives.

## NEW HOTEL PLANNED

Port Royal, Pa., March 13.—A new hotel for this place as a community endeavor is now being contemplated. Preliminary plans for the erection of such a building were made at a meeting this week.

Port Royal has long felt the need

for a good hotel, there being practically no place in the borough in which an individual could secure a night lodging. Popular subscriptions, it is believed, will figure largely in providing the funds necessary for erection of the building.

## A CHILD DOESN'T LAUGH AND PLAY IF CONSTIPATED

Look, Mother! Is tongue coated breath feverish and stomach sour?

"California Syrup of Figs can't harm tender stomach, liver, bowels

A laxative to-day saves a sick child to-morrow. Children simply will not take the time from play to empty their bowels, which become clogged with waste, liver gets sluggish, stomach sour.

Look at the tongue, mother! Is coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailments, give a teaspoonful of California Syrup of Figs, then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."

# Smoking Tobacco and Chocolate!

## "Your Nose Knows"
