Early Spring Fashions

The Part We Play
in the Awakening
of Spring

What human soul does not breathe a new freshness of life at the very mention of the season of the great outdoors — the budding time that brings to the mind pleasant thoughts of the glorious days to come.

Our part, as usual, in helping to bring such happiness to you lies in the interested and complete service which we are prepared to render our patrons.

For the approaching Spring Season you will find in this store the same good quality merchandise as in previous seasons — necessities for personal, home and general use that will allow you to enjoy at minimum costs, the maximum of comfort, style, appearance and pleasure.

WE INVITE YOUR CONFIDENCE AND PATRONAGE

Redfern Corsets

The attractive figure of the well dressed woman is not the result of chance corseting, but of deliberation in selection, and the careful advice of an expert in corset art.

Such experts we have in the corset department, whose business and pleasure it is to satisfy you.

Your corset is an essential garment in the make up of your personality and we feel responsible for the result of its shaping. Hence you may expect to receive from the hands of our fitters only the most expert service.

It will be a pleasure to introduce you to the new Redfern Models for this season. Never have we been able to serve you better than our complete assortment now permits.

The "lines" are in harmony with dress fashion and the Redfern Corset may be depended upon to model comfortably the correct corsetour.

Prices range from \$3.50 to \$15.00.

These Three Illustrate Some
of the Many

Hats at \$7.95

Black hat with ostrich pompon. Small sailor of black trimmed with cherries and Alice blue ribbon.

Black Hat trimmed with oversea ostrich. Special line of hats trimmed with fruits and ostrich fancies. All colors in assorted styles, \$6.50.

A new line of sailors in all colors, \$3.98 to \$6.95.

The small hat is the call of the Spring season. Curious breaks and points and angles in all manner of odd developments give the new shapes marked individuality over those of the past season. Many of them are trimmed with large bows which reflect the influence of the Alsace Lorraine head-dress, while others skillfully portray numerous modifications of the modern aeroplane wing. Be sure to come in and look them over.
