Talk to the Home-Hunters!

If you have property to sell, you

have a message which ought to reach every prospective buyer of property. If you were considering the purchase of a home you would read the real estate ads very carefully — and that is just what a great many people are doing right now. They will gladly read your message in these columns, and if it appeals to them you will find out in a very short time who some of them are—for they will come to see

you to talk over the matter.
