Don't Spoil a Good Meal With a Bad Stomach

If a physician, a specialist in stomach diseases, came to you and said: "I will fix up that miserable, worn out stomach for you or money back." "I will make it as good as new so you will not suffer from any distress and can eat what you want without fear of suffering, or money back when you turn down his offer." And when you are offered Mi-o-na stomach tablets, made from a prescription better than many of the stomach specialists know how to write, are you going to be narrow minded and continue to suffer from indigestion, or are you going to be fair to yourself and try Mi-o-na on the money back agreement. Mi-o-na stomach tablets are offered to you on this basis, that if they do not put your stomach into such good shape that there is no dizziness, sour stomach, biliousness, sick headache, and stomach distress, your money will be returned. For sale by H. C. Kennedy and all leading druggists.

They were traveling in an automobile belonging to Bernard Schmidt. Mr. Schmidt declares that Warner, who cares for his garage, took the automobile without permission. The men had been driving recklessly about Carlisle some time before the accident, which occurred near the old Carlisle Indian school at a sharp turn in the road and in the vicinity of turning the corner, they crashed into the telephone pole. They were slightly injured in the crash.

Theaters Lend Aid to Big Drive to Aid Soldiers to Get a Proper Welcome

There is a quiet little drive going on in the theaters of the United States for pennies, nickels and dimes, which, in the aggregate, will go to make up a fund with which the work of the Stage Women's War Relief will be promoted.

From the very outset of the war there has been no set of people more willing and anxious to assist in the various branches of activity for the nation's good than the stage people. Hundreds of players, whose salary runs into high figures and who have had uninterrupted booking during the entire war period, gave up their bookings and went to France, without a penny of expense to the government, to entertain the soldier boys. During all of the drives for the sale of Liberty Bonds and the collection of funds for Red Cross and other organizations, actor folk and theater owners worked hand in hand and did the kind of work that helped to put the big tasks over.
