It is often hard to get Patrols of the
Troop last Friday evening held meetings
by themselves in different parts of the
building and as a result have started
things going. Of course as is the case
with some fellows, they don't have any
pep and as a consequence things go
bad with their Patrol but with
the coming yearly election in view, the
scouts of the Patrol are looking around
for a suitable Patrol Leader and those
who have not been on the job for the
past year will not have a chance as
the fellows are awake to the fact that
a leader with lots of pep must be select
ed. After the Patrols had each held
a fine meeting for the length of twenty
minutes, the scout meeting was resumed
and after other business, the Troop ad
journed to the meeting which will be
held by Troop Thirteen on the square
as a demonstration on Scout Meeting.

Cubs of Pack Two Liked

Scout Rally; It Was Okeh!

Well, how did you like the rally on
Tuesday? Okeh, I say. Some gans
there, wasn't there? The parade for
the first one of the season was right.
We made a good showing, nearly 100
per cent.—seventeen cubs present out
of an enrolment of eighteen. That's
sticking together. Makes me think of
that song "Any Old Place the Gans
Goes, Fil Be There."

The Cubmaster hasn't found any stars
yet, but he'll have some before this
time next week. Who will be the first
cub to win the stars? In this connection I might say that a new rule
will go into effect to-night. Because
we have no badget the cap will be rewell and reference of the lodge at the close of
the meeting. There will be simple
rules to govern the use of the lodge.
No troop may use it without rerules of govern the use of the lodge.

yet, but he'll have some before this time next week. Who will be the first cub to win the stars? In this connection I might say that a new rule will go into effect to-night. Because we have no badge the cap will be regarded as our badge, and no Cub will be permitted to wear the cap until he has passed the Tenderpad Test. When the One Star test is passed, the star will be placed on the cap to the right of the number, and when the two Star test is passed, the second star will be placed to the left of the number.

I saw some Cubs at the Rally in Scout uniform. I don't know how that happened—"No boy under twelve shall wear the Scout Uniform." This was a wise ruling, and I for one am glad it was made. The cubs have their own organization and the seouts have theirs. The uniform Pack Two has adopted, subject of course to the approval of the executive, is the green cap, blue shirt, green nectie, khaki shirts, and black stockings and shoes. It isn't expensive, and if ever a national cub uniform comes into use the shirt and pants can easily be used for play. It isn't a great expense any way you take it. I believe about ten fellows have uniforms. Let's get biusy.

No hike this Saturday, but keep your eye on the ball, one is coming soon. To-night we are going to get busy on One Star work so come prepared for lots of hard work and little play. Only two caps left, get one soon. If you have any friends who want to join Pack Two, bring them around soon. We have room for only six more Cubs. See you later. CUB HUSTON, Scribe.

TROOP 22's MEETING

Monday evening Troop 22 held a meeting to elect new offices. They then took their oath of office and we hope to have a successful term. We were at the Rally too on Wednesday, and so were our younger brothers, the Wolf Cubs. We have three active patrols and every one was represented at the Rally. The Scout Executive called us bables and thought we were just young, but in a year we will make him "eat" his words. The Wolf Cubs said they had to go along to find out just what Scouts did. The Scout Executive made them stand on their chairs. Serves then right.

We learned a lot of valuable information from Mr. Wirt about trees and forests, and we think that we can do something to help in the conservation of them. You will hear from us again in the course of a week or two. So long.
