# Where Do They Come From?

Is what puzzles everybody for you can scarcely "figure it out" where the immense crowds come from who have been to this "Live Store" to buy Suits or Overcoats. It certainly has been the busiest week in our History, but our customers are our best advertisers, and after they came Here and saw the wonderful Suits and Overcoats we are selling this week from our Winter stock at

\$17.75

They went out after making their purchase of one-two-three or possibly five of these garments and told their friends to come here; it's no wonder we were fairly swamped with business-There's enough to last until Saturday night, but remember we are going to be very busy until 10 o'clock Saturday night and the earlier you come in tomorrow, the better.

This week with its "big" money savings will be remembered for many months to come by our well pleased customers who were not in the least disappointed as they never saw values to compare with what we are selling at

\$17.75

Customers have been here from the four points of the compass, but there's more coming from the north, east, south and west tomorrow for that's the last day of this much talked of sale—You don't want to miss the good suits and overcoats that can be yours if you get here before we close Saturday night.
