the whole matter has been conduct-ed in a way that is very gratifying here. A year ago the Federal Gov-ernment objected to the plans to bring in quail from Mexico, contend-ing that conditions were unfavor-able. This year the State authorities won their point and the results have demonstrated that they were right.

# A Spring Announcement

Instead of making the unusual announcement of our readiness for Spring in every department, we thought it would be a serious omission on our part if we did not let the public know the benefits and advantages we secured by early purchasing and our association with the recognized leading apparel makers.

## Hart Schaffner & Marx Kuppenheimer & Society Brand Clothes

Reflect the new ideas and spirit of American merit. The models of men and young men are inevations in style, not merely modifications of "old stuff." We have an unlimited choice of unmatched values in every color at every price.

To see the actual merchandise, whether it be hats or clothes is to see the results of our substand this association. Of course it goes without saying that our stocks are representative of the leading and exclusive styles popular in metropolitan fashion centers, and are surpassed for size and variety, but the chief feature and the one that is most strongly evident is-that our prices are quite the most reasonable in the city, values and superior service considered.

### Spring Stetson Hats

What an excellent assortment you will find here it's hard to describe the individuality that is expressed in this magnificent display of new Spring Hats. The colorings are the most complete range ever assembled. We want you to take a glimpse at these in our artistically decorated windows. You'll be as generous with your criticism about our windows as we were ourselves when they were ready for inspection. We pronounced them the most beautiful and attractive windows we had ever seenlook at them this week.
