SPRING OPENING

of our new

SHOE DEPARTMENT

We say "New Shoe Department" advisedly, because there is not even an old shoestrung here. Every pair of shoes is brand new, direct from the factories and the department is under new management. So we believe we now have the most complete stock of women's shoes for spring to be had in the city. We took no chances of being held up by strikes while having special orders made, but bought the most dependable makes and attractive styles obtainable direct from the shelves of the most reliable makers. Shoes of real leather that will measure up to the Bowman standard of merchandise.

Women may turn with assurance to this Spring assemblage of Footwear. A feature of this showing is individuality of the styles—the assortment contains, novelties especially appropriate and desirable to wear with Easter frock or suit, as well as the more conservative styles that always command an amount of attention.
