Brings the Roses to Children's Cheeks

Only Costs Few Cents—Make It Yourself Same as Ordinary Tea.

Ask Grandma about Dr. Carter's K & B Tea and she will tell you that thousands of people used it as a spring cleaner and tonic in her younger days because it was justly famous as a really efficient herbal remedy.

To drive out of the system the accumulated impurities of the winter is good advice, and people who want better blood and keener enjoyment of life should not neglect taking at least a two weeks' treatment of gentle health-building K & B Tea.

Druggists will tell you that scores of people enjoy a cup at bedtime because it keeps liver and bowels in proper condition and ends bilious attacks and sick headache.

Give it to the children; they like it, and it acts very gently on their little bowels. Be sure you get Dr. Carter's K & B Tea

tional Council. Nearly 370 delegates, representing 455,000 Boy Scouts, attended the conference. In reporting the growth of the movement, throughout the United States, announcement was made that new permanent camp sites were purchased last year in Birmingham, Ala.; Los Angeles, Cal.; Indianapolis, Evansville and Terre Haute, Ind.; Montclair, N. J.; Omaha, Neb.; Akron, Ohio; Scranton, and Reading, Pa., and Milwaukee.

Reports showed that, for meritorious work, merit badges were awarded 30,160 Scouts in 1918, as against 26,728 in 1917, and that 68 honor medal applications had been acted upon, including the awarding of four gold medals to parents of scouts who had forfeited their lives in efforts to save others.

One of the speakers, John M. Phillips, scout executive of Pittsburgh, stated that it costs Allegheny county, Pa., \$400,000 a year to care for its "bad boys," 1,300 of whom are behind prison bars, while it costs only \$40,000 to care for 5,000 Boy Scouts in Allegheny county, he said, had ever been in the courts.

Sore Throat, Chest Colds Go Overnight

One Small Box Proves It

Becky's Mustarine Contains True Mustard. Does Not Irritate Nose and Eyes

Don't fool with remedies that act slowly. Get rid of the inflammation and congestion as quick as you can. Safety first.

Becky's Mustarine will do it and do it so speedily that you will wonder why you fooled with liniments, poultices, plasters and hot water bottles so long.

Becky's Mustarine is the original improvement on the old-fashioned, dirty, blistering mustard plaster, and one small box is equal to fifty mustard plasters.

Just rub it on the skin—that's all you have to do. It cannot blister, but in a few minutes will bring the relief you prayed for.

It is called the quickest pain killer on earth, because there is nothing like it to ease the pain of rheumatism, neuralgia, lumbago, strains and pain.

Try it to reduce swellings, for stiff neck, headache, carache and toothache. The quick results will surprise you—but be sure it's Becky's Mustarine—made of real mustard, always in the yellow box.

TO TRY FLIGHT ACROSS ATLANTIC

Naval Seaplanes Will Start From Point in Newfoundland

Washington, March 25.—Naval seaplanes which are to attempt a flight across the Atlantic ocean in May will start from Rockaway Beach, Long Island, but the actual "jumping off" place will be much farther up the coast, possibly at some point in Newfoundland. Whether the machines will steer a direct course for Ireland or follow the longer route via the Azores apparently has not yet been determined.

Acting Secretary Roosevelt announced that the destroyer Barney had been ordered to proceed to Newfoundland to investigate the harbor facilities along the coast for the purpose of determining the best base from which the planes could put out overseas and harbors in which landings could be made in the event it became necessary for them to descend during the voyage from Rockaway to the flight base.

Several machines are being prepared for the flight and two or more vessels which are to accompany the flight across the ocean has not been decided. They could carry fuel at the Azores without difficulty and some officers believe it would be entirely possible under favorable weather conditions for them to replenish their gas supply in mid-Atlantic from a ship with which a rendezvous could be arranged beforehand.

The Navy Department has not entered for the \$50,000 prize offered by the London Daily Mail to the first aircraft that completed a trans-Atlantic flight. At the department today it was said that no inquiries had even been made as to the conditions under which the offer was made.

James K. Hackett in "The Better 'Ole." Captain Bruce Balfour, the English war cartoonist and Captain Arthur Elliot, the playwright, have been planning for sixteen months at the Oxford Theater in London, a success that promises to be duplicated in New York, where Mr. and Mrs. Coburn are presenting it to crowded houses nightly at the Cort Theater.

The authors call their play, which is a comedy with music, "A fragment from France in two explosions, seven splinters and a 'Better 'Ole' attack." However, while "The Better 'Ole" is a shaft of fun and the short gag of laughter; every splinter of the seven is a shaft of fun and the short gag of laughter; every splinter of the seven is a shaft of fun and the short gag of laughter; every splinter of the seven is a shaft of fun and the short gag of laughter.

Elaborately staged and gorgeously costumed, "Jimie" Hodges' "Pretty Baby" comes back to Harrisburg tonight at the Majestic.

At the Majestic ever, The Majestic was day to welcome the popular comedian and his company of clever entertainers. The songs they sing are all new and include such popular numbers as "Some Lonesome Night," "Till We Meet Again," "How Ya Gonna Keep 'em Down on the Farm?" and "Pretty Baby" is one of the most enjoyable pieces of entertainment to be found anywhere in the country.

Thursday, Friday and Saturday, the same company will present a comedy, with music, entitled "My Wife."

To-day will be your last opportunity to see "A Man and His Money," with Tom Moore in an original story from the original, "A Man and His Money,"

should prove a fairly welcome bit of news to local theatergoers who have been made or less surprised in recent years with the latter style of entertainment.

Dauphin-Perry League in Action Tonight; Will Cut Salaries

At this evening's meeting of the Dauphin-Perry League in the rooms of the Shenk & Tuttle sporting goods store, 205 Market street, non-dissent for this year will be definitely decided on.

The makeup of the remainder of the league is doubtful. Millersburg and Halifax, unrepresented at last week's meeting, must send representatives to this evening's meeting or their franchise will be declared forfeited.

Another important subject that will receive consideration this evening is that relative to the league to get into action last year. Some towns have instructed their delegates to fight for a low limit of non-resident players.

Marysville fans held a get-together meeting last evening in the Municipal building. A committee was named to attend the evening's meeting. Paul L. Ellenberger is chairman of the committee. This committee will investigate concerning grounds and several other matters to report at the next meeting, which will be held next Monday evening.

To-day and to-morrow of seeing this corking good comedy which has pleased hundreds of thousands.

The Victoria Theater takes pleasure in unqualifiedly recommending "The Better 'Ole" to all its patrons, and assuring them that when they see this production they will see a screen drama which will charm and amuse them from start to finish.
