## Al Lippe May Bring Frankie Brown Here; One Honest Boxing Manager

Last night saw the town full of boxing men, promoters, fighters, touts, trainers and every kind of buster that goes with the puglilistic circus. Half a dozen men were introduced in the Orpheum ring and a score had the lad who can clean up the universe. Al Lippe sent word that Frankie Brown is ready to defend the featherweight title gained from Johnny Kilbane. He says: "Brown has defeated every good boy in the world. Shubert, Chamey, Champion Pete Herman, Kid Wolfe, Jack Sharkey, Joe Burman, Young Sandow, Louisiana, Billy Bevans, Gussie Lewis, Jabez White, Artie Root. He would like to match him to fight here.

The wise guys fanned themselves into a frenzy over all sorts of topics and one man quoted Billy Rocap, the well-known sporting editor and grefree who tells a story about a manager whose word is as good as an is bond and who never signs a contract. He is the manager for Jos. "Fox, his xame is Johnny Mooney and being from Boston is a high brow. Says Rocap:

"Fox is the holder of the Lord Lonsdale belt. This little rosy-cheek. de Briton beat all the bantanweights on the British Isle who cared to match their skill with him. He waded through that class three times, the holder of the Lord and the bent for the ostensible purpose of taking the featherweight title back with him. So much for Fox, because this story is dedicated to Johnny Mooney, who has proven himself a rairty in the boxing world.

"Mooney has been a manager of little Briton will be enriched a fairty in the boxing world."

What's the matter with Harrisburg ring fans? Last night at the fine show of Frank Erne at the Orpheum theater, the galleries and a good part of the rest of the spectators hissed loudly at some of the best fighting, appearing to have no discrimination whatever 'in judging good boxing. The Houck-Williams bout was fast hard punching from the tap of the gong, with each man working as hard as he knew how with his own particular style and yet they were hooted to an echo. On the other hand Nate Isaacman was applauded loudly, although he could no better than draw with Young Mahoney, of Baltimore, a substitute called in at the last minute. It may have been the continual in-fighting of Lee Houck which caused the uproar. But this was his cue, for Larry Williams had it on him in weight was as lively as could be asked for Houck had to keep in close, it was his only safety, for Williams certain-
