Dr. Apple Speaks
The morning session had the pleasure of hearing Dr. J. H. Apple, president of Hood College, Frederick, Maryland, speak at the morning session of chapel yesterday. Dr. Apple had spoken to the afternoon session Thursday, and commented on the fine courtesy that he had received at the hands of the principal, faculty and students of the school. During the course of his talk, he told the real story about Barbara Fritchey, who Whittier had written the poem. He said that the real Barbara Fritchey was a little school teacher who waved an American flag from the porch of her schoolhouse on the main street of Frederick the entire time the Confederate Army was marching through the Maryland town. General "Stonewall" Jackson, he said, placed a rebel guard with a bayonet to see that she was not injured by any men of the passing army, and later sent a regimental band to serenade the brave woman. This story was told to Dr. Apple by a woman of Frederick, who was one of the little girls under the charge of the Yankee school teacher.

The purpose of the school is to interest the girls of the school in the college he represented, and he urged that every girl, who can possibly arrange, go to the college to see the advantages of the advantages Hood College offers.

The Choir
Under the supervision of Professor Edgar G. Rose, the Senior choir is being trained in preparation for the annual Harrisburg Oratorio contest. All members who were conditioned at the end of the last semester have been removed, and the director can now go ahead with the training without any further interruption. The choir has been using all kinds of music, but more than likely Shakespearian songs will be the numbers used in the contest exercises.

Marysville Minister Goes to Lock Haven Charge

Marysville, Pa., March 29.—The Rev. S. B. Bidlack, pastor of the Marysville Methodist Episcopal Church for the past five years, during which time the membership of the congregation has been doubled, will deliver his farewell sermon tomorrow. He will leave next week for Lock Haven, where he has been sent by the Central Pennsylvania conference which met at Sunbury, to take charge of the Second Methodist Episcopal Church of that city.

At to-morrow morning's service, the Rev. Mr. Bidlack will speak on "Annual Conference Echoes." In the evening "The Man of Galilee" will be his theme. A special musical program has been prepared for rendition at this time. Miss Lillian Grove, of New Cumberland, will render several vocal selections and Miss Dorothy Lenhart will give several violin solos.

"Why Become a Christian?" is the subject on which the Rev. J. C. Reighard, pastor of the Lutheran Church, will speak to-morrow evening. The Rev. Mr. Reighard, of Trinity Reformed Church, will speak on "The Cross of Christ" at the morning service.

Personal and Social Items of Towns on West Shore

The Rev. C. H. Heiges, pastor of the Church of God at New Cumberland, attended the funeral of Solomon Heiges, at York, on Wednesday.

Miss Freda Miller and Miss Lillian Patti, students at the Cumberland Valley State Normal school at Shippensburg, are spending vacation at their homes at New Cumberland. Mr. and Mrs. H. W. Speakman, Mrs. R. McIvor, Mrs. C. H. Smith and Carl, mother of the latter, were yesterday with Mr. Smith took some of the wounded soldiers for a ride.

High Winds Cut Off Light at Marysville

Marysville, Pa., March 29.—The high winds of last night played havoc with electric light wires in several sections of the town. In Maple avenue, near the Marysville High school, a large tree was uprooted and tore a number of wires, leaving that section of town without light for several hours. Wires were torn in other sections, but employees of the Juniata Service Company were immediately at work replacing the billboards and trees were uprooted, but other than that little damage resulted.

SENIORS GIVE "UNCLE RUBE"

Marysville, Pa., March 29.—The Galien theater was filled last evening when the senior class of the Marysville High school presented its annual play, "Uncle Rube," a four-act comedy. Joseph Ensminger played the title role. Between acts vocal selections were rendered by Miss Helen Roberts and Miss Leah Beers. Miss Mae Logan directed the young thespians in their work.

DAMAGE ON RIVER

New Cumberland, Pa., March 29.—On account of the high winds yesterday the steamboat did not make any trips from New Cumberland to Steelton. On Thursday night, a pump of one of the sand steamers was swept away. Sherman Hull, the owner, sent several men down the river yesterday to hunt for it.

FIRST BALL GAME

New Cumberland, Pa., March 29.—Yesterday afternoon the High school boys played the game of ball on the athletic grounds when the Clod Busters defeated the Stump Jumpers by a score of 12 to 3. The game was witnessed by a large crowd, being the first of the season.

PASTOR INSTALLED

Mifflintown, Pa., March 29.—The Rev. Thomas E. Shearer, who has filled the pastorate of Messiah Lutheran Church for the past four months, will be officially installed as pastor to-morrow evening. The Rev. Dr. Thomas C. Houtz, president of the Central Pennsylvania Synod and a member of the faculty of Susquehanna University, Selinsgrove, will have charge of the services. The charge to the congregation will be delivered by the Rev. Dr. M. Coover, of Gettysburg.

SOLDIER KILLED IN FRANCE

Gettysburg, Pa., March 29.—Official word has been received from the War Department by William Williams that his son, Joseph Williams, was killed in action in France. This is the only son he had and died from Adams county to be

With Choir and Organist

Miss Irene Bressler is the new organist at Augsburg Lutheran Church. For a number of years Miss Bressler has played the splendid two-manual organ in Fourth Reformed Church, her work having consistently been good. She takes the place made vacant by the resignation of Edward B. Waase, who was organist and choirmaster for a long time, but who recently was succeeded by Ira P. Behney as director of music at the uptown place of worship.

At Zion Lutheran Church to-morrow morning the worshipful composition from Mendelssohn's "Elijah," "Lift Thine Eyes" will be sung by three female voices. It will be an important feature of the service, as it would be of any religious gathering.

Bach's "Prelude and Fugue in E Minor" is to be played at two churches to-morrow. William E. Bretz, who succeeded the late Edwin J. Decevee, will offer it at Zion Lutheran Church and it will be the postlude at First United Brethren Church to-morrow evening.

Shelley's "Saviour, When Night Involves the Skies" will be one of the anthems sung at Second Reformed Church to-morrow evening. Buck's "Darkly Rose the Guilty Morning," an anthem suitable for the Lenten season, will be sung by the choir at the morning service.

Wilson Ebersole, tenor and lately of St. Stephen's Episcopal church, will sing Buck's "Oh, Saviour, Hear

Me," at Christ Lutheran Church to-morrow evening.

Miss Lynch, organist at the Colonial, had an unpleasant half hour one evening in ciphering on the Moller organ for several minutes continued to persist and would not be silent in spite of the efforts of the talented musician to make it behave. All the persuasion of which she was capable was employed to no avail and finally she gave up the task until a sterner hand took hold of the situation. For almost thirty-five minutes one note dominated. It was the one that tenaciously held on.

Of all the arrangements of the hymn, "O, Jesus, Thou Art Standing," the conception of the late Dr. William Wallace Gilchrist, for a number of years director of the Harrisburg Oratorio Society and one of the greatest musicians in the eastern part of the United States, probably is the best. Dr. Gilchrist wrote the most pertinent parts of the hymn into solos for contralto voice and contemplated the presentation by a voice of exceptional range, his lowest note being B below the staff and the highest E. The melody of the solo is employed as a theme for the choruses which follow three solo settings. The composition has had little recognition here, but it frequently appears on the church programs in the big cities and invariably proves inspirational and compelling.

Red Cross Nurse Weds Maryland Brigadier General

Waynesboro, Pa., March 29.—Miss Marie L. Towson, of 122 Sinder avenue, and Brigadier General, Charles D. Gaither, who commanded a Maryland brigade of the National Guard when the troops were ordered to Anniston, Alabama, were married Thursday afternoon at the rectory of Emanuel Episcopal Church, Baltimore. The ceremony was performed by the rector, the Rev. William T. Way, and was attended by Miss Evelyn Towson, Waynesboro, sister of the bride, and by a number of close relatives of the groom.

The marriage is the culmination of a romance extending over five years, the couple having first met when Miss Towson nursed Miss Henrietta Gaither, a daughter of her present husband. Since July of last year the bride has been in France as a volunteer Red Cross nurse, and did considerable work near the fighting front when wounded Americans were brought back of the lines to the hospital.

4 MINISTERS TRANSFERRED

New Bloomfield, Pa., March 29.—Four Perry county Methodist Episcopal Church ministers will to-morrow deliver their farewell sermons before departing for the new pastorate to which they have been sent by the Central Pennsylvania conference which met at Sunbury last week.

The Rev. Homer C. Knox, of New Bloomfield, will go to Epworth Church, Harrisburg; the Rev. Victor Neeshood, of Millerstown, to Carlisle; the Rev. S. B. Bidlack, of Marysville, to Lock Haven Second Methodist; the Rev. G. H. Knox, of Liverpool, to Muncy Valley.

How Many Tons of Coal Do You Use In Your Furnace?

One winter you will use more coal than you will another. That is natural. Some winters are colder than others. The winter of 1917-1918 was a severe winter. We will wager that you used a great deal more coal in that one winter than you have during the present winter. If you had an old style furnace this would, no doubt, have been noticeable. If you would have had the CALORIC Pipeless Furnace during that cold winter, you would have saved many tons of coal, and especially when coal was so scarce.

The coal that you will save with the CALORIC Pipeless Furnace will pay for it in a very short time.

Let us send our representative to see you at once to tell you all the details of the CALORIC Pipeless Furnace. He will be glad to show you the CALORIC in operation in any one of the 135 homes in Harrisburg where the CALORIC is used.

Gettysburg, Pa., March 29.—It is expected that Gettysburg will soon see with its chief of police, who has been in France for eighteen months.
