BUFFALO AT EASTON

BUFFALO AT EASTON

During the last week plans have been perfected for the Lafavette baseball team to practice with the Buffalo team of the International League, beginning April 20. From that time until May 1 the two teams will work together on March Field. This arrangement was perfected by Coach George Wiltse, of the Lafayette team, who is also manager of the Buffalo club, Mr. Wiltse got the consent of the college authorities and submitted the proposition to President Lannin, who approved it. The Buffalo club in past years has spent its preliminary training season in Newark or Jersey City. Because of this arrangement, Coach Wiltse will be able to stay with the Lafayette team until May 1, instead of leaving in the middle of April, as would have been necessary without this arrangement. The Maroon and White baseball aggregation will also have the benefit of individual coaching by professional players in their own positions. BUFFALO AT EASTON

Bowie Race Track Just Before Fatal Spill Which Killed Jockey

No tragedy of the racetrack ever made such a lasting sensation as the frightful death of "Frankie" Robinson, at Bowle, three days ago, when a jam against the rail also badly injured Jockeys McTaggart and Sneidman. "Frankie" as every one knew him, was the most popular rider on the first sturn in the son, riding Roaderer, was the second racing sport seems to be recovering to go down. Track officials blame popularity in the North.

#### **BOXING ON THURSDAY**

cwer A. A. could not have planned better attraction at this time than bout which includes Allentown Dundee, the hard-hitting Dutchman who electrified the fans several weeks ago with his tactics. The

weeks ago with his tactics. The man picked to meet this tough lad is Tommy Carey, and he is so popular here that the arena will more than likely make him the favorite, although Dundee always puts up a fight which satisfies. Carey is being boosted right and left and many are willing to make a wager that he will put it all over Dundee.

Another encounter which should be a real thriller is that arranged for Nate Isaacman and Bobby Williams. The latter was to appear at the last Motive Power show and disappointed the spectators greatly by not showing up. But his manager, Charley Ettinger, explains that he was suffering from a nasty cut received in boxing and was in no shape to fight. Isaacman is so slever at the game that he rarely gets an opponet who can make things interesting. Willitms will have the chance.

interesting. Willitms will have the chance.
Young Fulton, who ahe fans know from his bouts with Max Williamson is a clever little fellow will be on deck to meet Dick Gotwalt. Hughey Dugan is a newcomer in Harrisburg but after the fans once see him go, they will be anxious to see him again. He is a boy that battles from bell to bell.

Tom Carey has won a number of bouts, Joe Philips being among his recent victims. He was outfought by Benny Leonard and Britton, but put up creditable bouts. Carey is no youngster in the game and has participated in nearly one hundred bouts. It is dollars to doughnuts he will hit Dundee hard and often.

SHECKARD MAKING GOOD
Sheckard, the famous big leaguer
of other days, is turning out a regular ball club at Franklin and Marshall, the first time this college has had a good team in years. The material is pretty green, Jimmy says, only one veteran being on the job, Rier, but there is considerable talent on hand.

LOCAL BOXERS AT CARLISLE
Sammy Schiff met Black Gunboat Smith last evening before the wounded soldiers at Carlisle Hospital and they put up a lively fray which hugely entertained the soldiers. Phil Schiff met Johnny Herman, Young Michaels fought Jimmy Garonsky, Young Nichols battled Gilly Daylor and Young Lewis crossed dukes with Jack Dewey.

THURSDAY

Young Lewis is a Carlisle fighter.
Immediately following the show all the Harrisburg boxers were treated to a big feed by the Welfare Board.
TENNIS "SLACKERS"
After starting off the tennis sport with a loud boost not enough members of the Harrisburg Park Tennis Club showed up last evening to make a quorum and the meeting was postponed indefinitely.

TY COBB SIGNS

League Ball Game, in Which Swatara Wins

Swatara, of the Allison Hill Junior League, shut out the Union Square baseball team Monday evening by a far to the Saventeenth and Chestnut streets. The game was with nessed by a large crowd of spectators. While the cheering was in full force, the Swataras were only able to shove four runs across in six innings, while each team only made three hits. Swatara's steady fielding and hitting, and Lentz's two-bagger in the third, with two on bases, were features of the game. Score:

## Motor-Trucks are Part of Your Daily Life

Consider the motor-truck. It delivers your ice and coal. It brings to your door the food you eat and the clothes you wear. It carries the merchandize of city and farm

It is an indispensable factor of commerce. It has not only supplemented transportationby-rail, but has supplanted it in many instances. The motor-truck is a vital part of your daily existence. Give it credit.

When you consider that a vast majority of trucks are driven by Atlantic Gasoline, you will realize that Atlantic Gasoline is likewise a vital part of your daily existence. Give it credit.

Truck-users do not buy gasoline as "gasoline". They buy Power, just as coal-users buy heat-units, rather than "coal". That Power must be the most that money will buy, for hauling costs are figured in pennies.

If Atlantic Gasoline is the most economical Power obtainable for trucks and businesscars, it is certainly the most economical Power for passenger-cars.

That is as plain as two-plus-two-equals-four.

Profit by the experience of others. Any gasoline won't do any more than any size shirt or collar will do. There is just one gasoline that is best suited to your needs and purse. Its name is
