DON'T BUY ASPIRIN IN A "PILL" BOX

Ask for "Bayer Tablets of Aspirin" in a Bayer package—marked with "Bayer Cross."

You must say "Bayer." Never ask for merely Aspirin tablets. The name "Bayer" means you are getting the genuine "Bayer Tablets of Aspirin," proven safe by millions of people. Don't buy Aspirin tablets in a pill box. Insist on getting the Bayer package with the safety "Bayer Cross" on both package and on tablets. No other way! Beware of counterfeit! Only recently a Brooklyn manufacturer was sent to the penitentiary for flooding the country with talcum powder tablets which he claimed to be Aspirin.

THE EASIEST WAY TO END DANDRUFF

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This dissolves it entirely. To do this, just get about four ounces, of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better. You can get liquid arvon at any drugstore. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.
