Mrs. Alfred Bedard Tells How Cuticura Healed Her Baby

"At the age of three months my baby suffered with eczema that broke out in a rash, causing disfigurement. It would itch so that it caused him to scratch, and he became very cross and would lie awake nights and keep me awake. It developed into large eruptions that got into his ears and on his neck."

"Then I was told about Cuticura. I sent for a free sample. The first treatment gave relief so I bought more, and when I had used one cake of Soap and one and a half boxes of Ointment he was healed."

Mrs. Alfred Bedard, 6401 Upland St., Philadelphia, Pa., Aug. 4, 1918.
