His Suggestion of Draft Boards to Help Form Legion Practicable.
By Associated Press
New York, April 15.—Use of former district draft boards in staging caucuses at which delegates to the organization convention of the American Legion, to be held May 8 in St. Louis, will be selected was suggested to temporary state chairmen in a communication issued here by Lieutenant Colonel Theodore Roosevelt and Bennett Clark, chairman and vice-chairman, respectively, of the temporary executive committee of the World War Veterans' Association.

The suggestion, originating with Major W. G. Murdock, of Harrisburg, Pa., was said to be highly practicable as the draft board members are in touch with the soldiers, to all delegates to the St. Louis convention. Unless this request is granted, it was pointed out, some delegates may find themselves financially unable to attend the convention.
