Will Include Selections by Well-Known Instrumental Soloists

The annual spring concert of the Municipal Band will be held in the Orpheum Theater on Friday evening, April 25, and will be one of the big musical attractions of the season. Sixty members of the organization, have been drilled for the past several months by Leader Frank Blumenstein to make this vear's program one of the best ever produced by the organization.

Blumenstein to make this sear's program one of the best ever produced by the organization.

This year Mr. Blumenstein has again succeeded in securing a high class offering of selections by instrumental soloists. Included among them are: George Roberts, on the flute, recently with the old Eighth Regiment Band; Charles S. Gerberick, saxophone, also of the old Eighth Periment; Harvey I. Smith, French horn, Spring Garden Band, York, H. G. Witmeyer, soloist in the First United Brethren Church, choir director of the Palmyra Men's Chorus and the P. O. S. of A. Glee Club. Mr. Witmeyer has selected for his number on the program "My Rosebud," a baliad written by Irwin Longenecker. The program this year includes a variety of classics, opera numbers and snappy popular favorites.

All but a few of the twenty members of the organization who served with various musical organizations of the military forces have again returned to Harrisburg and are taking their old places with the organization. The band has a proud patriotic record, having played many gratis engagements for various war activities, including recruiting, Red Cross, Y. M. C. A. and other campaigns.

Tickets for the concert may be purchased from any of the members or at the J. H. Troup Music Store, Irving E. Robinson's Woman's Shop, the John Rose Confectionery store, and at the Orpheum Theater three

Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Man Laughing, in Upper Box, Drops Them on Naval Officer

The treasurer at the Central Theatre has a set of teeth he'd like to return to the man who owns them. The ewner sat in an upper box at a performance of "Somebody's Sweetheart." Saturday night, and when William Kent began cutting up on the stage, laughed so hard his teeth fell out and struck a naval officer in the second row on the arm. The naval man subdued them and turned them in at the box office. It is believed they belong to a white-haired man who went to the box office later and tried to say something. However, all he could do was whistle, and the treasurer never did learn what he wanted.—N. Y. World, 1-31-19.
