Corns Peel Off Painlessly

There's Only One Genuine Corn-Peeler—That's "Gets-It."

There's only one happy way to get rid of any corn or callous, and that's the painless-peel-off way. "Gets-It" is the only corn remedy in the world.

2 drops of "Gets-It"—Corn is doomed!

The world that does it that way—effortlessly, thoroughly. Why get down on the floor, the yourself up into a knot, and have to fool with "packets" of plaster, greasy ointments that rub, stick, and dig, and digging knives and scissors, when you can peel off your corn or callous in one complete piece, painlessly and easily, with magic, simple, easy "Gets-It"? It takes 2 or 3 seconds to apply "Gets-It"; you use 2 or 3 drops, and that's all. "Gets-It" does the rest! Get rid of that corn-pain at once, so that you can work and play without corn torture. Be sure to use "Gets-It." It never fails.

"Gets-It" the guaranteed, money-back corn-remover, the only sure way, costs less than any other drug store. Mfg'd by E. Lawrence & Co., Chicago, Ill.

BIG ULCER ALL HEALED

"Now I Can Walk," Says Mrs. Southcott of Medina

"Here is another letter that makes me happy," says Peterson, of Buffalo, N. Y. "I would rather have than a thousand dollars."

"Money isn't everything in this world. There is in it a great deal more than money. I am a poor man, but I am rich in that I am able to produce a remedy with such mighty healing power as Peterson's Ointment, to sell at all drug stores for 35 cents a box."

HOW FRENCH LADIES PUT ON FLESH

When a French lady begins to grow thin she realizes that she is losing both health and beauty, and that she must at once build up her nervous system and enrich her blood. This she does by taking with every meal a certain tablet known as French discovery known among druggists here as Blood-Iron Phosphate. Recent reports from Paris indicate that during the war every increasing quantities of this product were used by both men and women because it not only put flesh on thin people, but also quickly restored the nervous and physical energy of those suffering from the terrible strain of war work. Blood-Iron Phosphate is obtainable of Geo. A. Gorges and all other good druggists, and as it is sold under a guarantee of satisfaction or money back, it should be taken for at least three weeks, not only for the wise who wish to put on flesh, but also by every man or woman who is weak, nervous, run-down, or easily fatigued. It's simply amazing to note the great improvement in appearance as well as in strength, endurance, vigor and vitality that almost invariably follows the regular use of Blood-Iron Phosphate for a few weeks.
