Tech Nine Blows Up to Hanover, Losing Its First Game, 8-1

The Tech baseball nine discovered yesterday at Hanover, where their High School team won, \$-1, that the national pastime has not been kept up-to-date at Harrisburg's enterprising institution. Great complaint was heard to-day at the umpiring, but that could not have been poor enough to cause such a lop-sided score. Tech started to quit the field in the eighth when Umpire Pedcoy called a foul ball "fair," but finding that they would not get their guarantee Tech stuck to the finish, though several times the game promised to wind up in a riot. Hanover had the game, 2-1 until the eighth, with Fortna and Wise, the latter a former Blue Ridge twirler, pitching fine ball. Tech pounded this veteran for 11 hits, so the clubbing eye is OK, although the timely hit was sadly needed in this game. A main cause of the six-run drive of Hanover in eighth was Hinkle's sour throw, which was the last misfortune. TECH The Tech baseball nine discov-

Tokio Government Has Not Yet Arrested Any of Them; Denies Reports of Atrocities Against the Koreans

New York, April 19.—The Japanese government grepects "one or two American missionaries of a connection with the present uprising in Korea," but has followed "the most considerate method of dealing with the matter and has not arrested a single one of them," according to an official cable message from Tokio made public here to-day by Chonosuke Yada, Japanese consul general in New York.

The cablegram denied reports that at Pingyang "a Japanese soldier struck an American lady missionary with the butt end of his gun" or that at Valuary Karea.
