he will not serve out his term. President Wilson is not given to taking good advice.

WHAT THEY WANT

"WE WANT the Soviet," cried two women in the gallery of the British House of Commons the other day.

TO PREVENT LYCHING

FROM the headquarters of the committee in charge, 70 Fifth Avenue, New York, announcement is made of the call for a National Conference on Lynching.

Announcing the call, the committee representing the signers says that 3,216 lynchings, exclusive of the East St. Louis and other mob riots, have occurred in the United States in the last thirty years.

PEACE PUBLICITY

PREMIER LLOYD GEORGE gave a real reason to the House of Commons for keeping secret the terms of the peace treaty until after the Germans had opportunity to consider what was going to happen to them.

SOLDIER AND THE JOB

EVERY day groups of Harrisburg soldiers are returning home quietly and without ostentation.

No time is to be lost in pushing through State departmental legislation. The presence of Senator Boies Penrose and the activity in behalf of the Philadelphia charter bills, is going to occupy considerable of the attention of the members of the two Houses.

The administration will complete drafting of the Capitol park office building, bridge and landscape, bills and several other measures which the Governor has outlined and proposed.

Considerable interest is being shown in the hearing on the proposed Department of Conservation bill, scheduled for a Senate committee on Tuesday.

His children will confront both branches of the Legislature when they reconvene on Monday night after the Easter recess.

How did the speech affect the Japanese representatives? Baron Makino made the Japanese reply. He speaks very good English, but he speaks Koo in French.

Control of the State Library will be vested entirely with the State librarian under the terms of the Smith bill about to pass the State Senate.

Statistics compiled by the General Staff of the Army show the extent to which the expenditure of artillery in the war against Germany was in excess of that in great battles of the past.

At the battle of Chickamauga in two days, the Union army fired 7,325 rounds of artillery, while at Gettysburg the Union army fired 32,781 rounds.

The high water mark in the use of artillery in offensive battles was reached in the war against Germany at the Somme and Mesines Ridge before the effective use of tanks was developed.

During the past year 29 unions were organized in Los Angeles, Cal.

HIS CRIME AND PUNISHMENT

THE charges against Wilhelm Hohenzollern are of a very different nature. There is no question of religion, none of treason against his own country.

He broke the laws of civilization, he took up arms against peaceful sister nations, he trampled upon all the principles of justice and right; the Divine law and the laws of humanity he defied.

Seek-No-Further Land

Prince and pauper and lord and lout must travel asunder far; For each must follow his journey out through the Land of Things That Are.
