hands of a firing squad with the utmost bravery. Alvarez was sentenced to death by a court-martial here Monday. He was captured here last Tuesday in the battle in which General Aureliano Blanquet, minister of war in the Huerta cabinet, was killed.

Many thousands of persons surrounded the barracks when the execution took place. The War Department, however, ordered compliance with the sentence of the court-martial and the prisoner was brought out to face his executioners.

For Acid Stomach Take Bi-nesia

Instant Relief or Money Back

If you suffer from dyspepsia, indigestion, pain after eating, gastritis, heartburn or any stomach trouble due to acidity or food fermentation—and over ninety per cent. of stomach complaints are due to these causes—go to your druggist and get 50 cents worth of Bi-nesia. The next time you eat or have pain in the stomach take a teaspoonful in a little hot water and note how quickly all pain and discomfort ceases. Chemists say that it's almost invariably successful due to the fact that Bi-nesia instantly neutralizes the excess acid and stops fermentation, thus promoting healthy natural digestion. Being absolutely harmless as well as inexpensive, Bi-nesia should be kept on hand in every home where economy and good health are sought.
