**Men's Shirts**

In This Five-Day Sale

Tomorrow is the second day of this sale. Men came in Thursday afternoon when the first editions of The Telegraph had announced the remarkable reductions. But we were obliged to say, "Sorry, but every one gets an even chance Friday morning at nine o'clock." And Friday morning they were there and all day men and women kept coming and buying. Some of them in half dozen lots and others a dozen shirts at the sale prices.

They were wise. They knew what they had to pay elsewhere. They saw the excellent qualities. They admired the pretty patterns. They told their friends to come. And you will tell your friends after you have picked all you can use. Here are hundreds to choose from, but they are moving fast. Remember, store closes tomorrow evening at Six O'clock.
