"IF YOU DON'T HAVE A BOND WHAT WILL FOLKS THINK?"

Second Student Contest For \$50 Prize Is Presented by the Harrisburg Telegraph

The Telegraph to-day presents another of the essays being submitted by pupils of public and parochial schools in the contest for two \$50 Victory Bonds. Essays may not be over 250 words in length. They must be submitted to teachers by the scholars who write them. The teachers will send the best to the principals. Then the contest committee will make selections. The contest closes next Friday. Here is to-day's essay:

UNCLE SAM ASKS FOR MORE MONEY By Russell Geesaman. East Hanover Township, Mill Road School, No. 6. When the United States declared war on the Teutonic armies, Uncle Sam called for men. He got them, and he needed money to pay, clothe and feed them: to build ships, submarines and aeroplanes; make ammunition, guns and poisonous gas; to buy trucks and many other things. He asked for money to do all these things, giving a bond for security and promising to pay with interest. Did he get it? Yes. That is what the first, second, third and fourth

Boy Takes the Part of "Windyburg" in Play

The Average Man's Bond

By the Rev. Dr. Robert Bagnell, Pastor of Grace Methodist Church

This issue of bonds has such favorable conditions and such a good interest rate that it would be speedily taken by the larger investors but for the government limit. As it is the average man has a chance. Industrial conditions may affect some of the wage-earners, but the average man has more money to invest in bonds than ever before. The American people made more clear money above their living last year than the war cost us. The income of

JOHN BRUMBAUGH

John Brumbaugh, a nephew of ex-Governor Brumbaugh, will take the part of "Windyburg" this afternoon evening in the "Average Man's Bond" at the Orpheum Theater. Through the courtesy of Frank Munser, president of the Harrisburg Railways Company, a car was furnished to take the children of the Nursery Home to this afternoon's performance, where they were the guests of Mr. and Mrs. A. Carson Stamm, at a box party.

CENTRAL HIGH NOTES

Because of the talk that was for some time current throughout the city concerning the behavior of the students of Central at the afternoon performance of "Hamlet" sometime ago, the Senior class of the school had its secretary write the following letter to Walter Hampden, who took the part of the Prince of Denmark in the play. The letter follows: As students of Central High school we are deeply regretted the disorder in the audience at the theater Monday afternoon, April 7. As a body our class is highly indignant and we wish to assure you that with one or two exceptions we were most attentive and appreciative. While we believe that the seniors of our school were the least to blame for the misbehavior yet because that class is necessarily the most responsible in the school, we take it upon ourselves to send this apology to you. "We hope that you will come to the city soon again, if for no other reason than to let us show you that we have learned a valuable lesson on how to be the right kind of audience."

Masons Engage Hall Because of Demand For Seats For Entertainment

A minstrel show, with talent from the Conservatory, will be the main feature of the program for the stag social to be held by the Harrisburg Consistory, at Camp Upton, next Friday night. The social will be held in the Chestnut Street Auditorium in place of the Cathedral Hall, in North street, as was originally planned. The change was made necessary because of the enormous demand for tickets. Members of the Blue Lodge will be guests at the social.

Sergeant W. W. Mullen Dies at Camp Upton

Word has just been received here of the death of Sergeant W. W. Mullen, son of Mr. and Mrs. John W. Mullen, of Camp Upton, Long Island. The body is expected to arrive here tomorrow. Sergeant Mullen, before his enlistment, was office manager of the Elliott-Fisher branch offices in Boston. He was 21 years of age. Besides his parents he is survived by four sisters, Martina Mullen, Fannie Mullen, Edith Mullen and Gerald K. Goodman, and a brother, Thomas Mullen.

Washington Heights Goes Over the Top

Washington Heights flies its quota flag in the Victory Loan campaign, J. C. Thompson, chairman, announced last night. The quota of \$12,000 was overreached yesterday. This is the fifth loan flag that the little village has flown. It is an interesting fact that the town always flies its quota flag two or three days after the campaign was opened.

HOT SPRINGS WAITER WINS FRIENDSHIP OF GOVERNOR

Pennsylvania's Chief Executive Reveals His Kindliness of Nature in Letter Commending His Personal Attendant Hot Springs, Va., April 26.—The human side of Governor Sprout was revealed in a most striking manner by John Frazier, a negro waiter at the Homestead Hotel, where the Governor has been staying. John has been a servant at the hotel for many years, and during the visits of Mr. Sprout, has been assigned to serve him. To-day the negro exhibited a letter written by the Governor on his official stationery. "He's a great man and this letter is worth a thousand dollars," said John. "He never kicks and never frowns. I tell you, he is a real friend of mine." That John has not overestimated the quality of Governor Sprout's friendship is certain. The letter, an extraordinary document, says: "To whom it May Concern: I have given this letter to my friend John Frazier—not that I have not given John many other things during the years of our acquaintance—but whatever I have given him hasn't spoiled him. I have always thought a lot of John, but I have had a chance of getting very well acquainted with him while I have been unable to go from my room during the last few weeks and have been John's special charge. Does Everything Well "Everything John does he does well, even to carrying a tray on the back of his head. He is the best tray-

Victory people are finding this true throughout the district. "The idea is gone at last that the government is asking people to give something away," said Flavel Wright commenting on what Derrick said. "It is recognized that we are merely asked to loan our money and that we will get it back. "Our position is that of the man who casts his bread upon the waters and when he gets his back finds that it's a hot roast beef sandwich, gravy and all."

PREPARE FOR PROHIBITION, IS NEW SLOGAN

Reform Bureau Chiefs Here For the New Campaign Against Booze

Crafts, superintendent and Henry N. Prins, assistant superintendent of the bureau will deliver a number of addresses here to-morrow and Monday. It is planned to enlist the support of forces for good in the city to back this campaign. Mr. Pringle will speak in the Camp Curran Memorial Methodist church to-morrow morning and Dr. Crafts in the evening. The fourth Reformed church, Dr. Crafts morning engagement will be in St. Matthew's Lutheran church. In the afternoon he will speak at the Messiah Lutheran church at 2 o'clock. departure of Foreign Minister Sonnino and Premier Orlando before the latter's departure, as highly dramatic in character. One version is that the Italian prime minister in addressing the American President said: "You have contested the authority of the Italian government before its people and it is my duty to go before the representatives of the Italian people and say to them: 'Decide between Mr. Wilson and me.'" To this President Wilson is represented to have replied: "That is certainly your right."

St. Augustine Church to Change Its Name

E. W. Spangler, contractor for the Episcopal Church congregation to be organized by the members of the St. Augustine Church, which is to be rechartered as the Church of the Holy Cross, retaining the Rev. W. M. Parchment as rector, took out a building permit today to remodel the property at 620 Forster street. The cost of the alterations will be about \$200 and when completed the building will be used for church services. A permit was issued also to M. G. Sollenberger, contractor for John J. Hargest, for the erection of two two-story frame houses in Second street, south of Edward street, at a cost of \$5,000.

Get Your Coal NOW

Unless you put in your next winter's supply early, the chances are you will regret it before cold weather comes again. It is very unlikely that next winter will be as mild as last winter. The prudent housekeeper will not count on it. Don't wait for prices to come down. They are NOT coming down. The advance in wholesale prices will begin May 1st and will continue, no one knows how long or to what point. If you wait till fall or winter, you will have to pay higher prices for the coal you get; but, what is worse, you may not be able to get coal at all when you need it most. Let us not forget the suffering and worry and sickness that came down upon Harrisburg families two years ago, when everybody wanted coal at once and would have paid any price to get it.
