

PEACE BOARD MEETS ON TREATY

[Continued from First Page.] public opinion there and the activities of Premier Orlando and his col-

leagues in the government has arrived since Saturday. It was reported that a council of ministers was to be held on Saturday by the Premier, but what action was taken at the time has not been made public. Senators and deputies from all the Italian parties except the official Socialists

held a meeting Sunday and appointed a special committee to draft a resolution of confidence in the Government for submission to the Parliament. World Creed on Peace Table At the public meeting of the Peace Conference to be held to-day the re-

vised draft of the covenant of the League of Nations will be presented. This draft, made public in this country Sunday night, differs in some important respects from that brought to America by President Wilson last February. Japan probably will try to secure an amendment to the cove-

nant which will grant the Japanese claims for recognition of racial equality. Germany, with the exception of Bavaria, Silesia, seems to be much quieter than for several weeks. A general strike is reported in the coal and iron districts of Upper Silesia,

and the iron industry is seriously affected. The Russian Bolsheviks have suffered important reverses on the eastern front and Admiral Kolchak's forces seem to be making gains which may develop most favorably in the near future. Troops which have been

fighting against the allied forces in Northern Russia, are reported to have been withdrawn and sent to the eastern front, where the danger to the Soviet Government seems more threatening. Dispatches from Paris indicate that the plan of provision for the larger cities in Bolshevik Russia is making little progress, and that

opposition to it is growing in anti-Bolshevik circles. HOLD COMMUNITY SING Mrs. Florence Ackley Ley led the group in the first of a series of community sings under the auspices of the War Camp Community Service last evening. The songfest was held at Stevens Memorial Methodist Church.

OUR PART

Tomorrow morning we, whose names are listed on this page, will drop our accustomed task and go forth to offer Victory Liberty Bonds to every one in Dauphin, Perry and Juniata Counties. One of us will call on YOU. We are not coming to "sell" you Victory Bonds, but simply to give you the details and make it easy for you to subscribe. So be ready. This is not only a good chance to make an exceptional business investment, but likewise an opportunity to show your true American patriotism. You want to finish the job. So do we.

YOUR PART

"Sure we will finish the job" That's the attitude of every one in the tri-county district toward the Victory Liberty Loan issue. You know that such a short-term bond—maturing in four years—and such attractive interest—4 1/4 per cent—is an exceptionally good business investment. Only \$7,926,095, if available, for the entire district—Harrisburg and the balance of the three counties! It will be the last Liberty Loan offered to you. You did your share during the war; now make sure you get your share of this last loan. Just as the district boys in khaki and navy blue "finished the job" last fall, so will you subscribe whole-heartedly to the Victory Liberty Loan and "finish the job" on this side.
