

CHILD HEALTH TO BE SAFEGUARDED IN HARRISBURG

Parents Invited to Meeting at Board of Trade Tomorrow Evening

"Protect the children from disease," is the keynote of an important meeting set for tomorrow night at the Board of Trade, where will preside Col. Edward Martin, State Board of Health Commissioner and where the chief speaker will be Miss

Salle Lucas Jean, of the Child Health Organization, New York. Mrs. William Henderson and a big representation from the Civic Club, which is vastly interested in this campaign to protect the child and members of many other units have sent word to Stanley Jean, chairman for the occasion, that they will be present.

A second speaker of wide fame, Dr. Dorothy Child, superintendent of the children's department, State Health Board, will discuss the vital topic from her own observations and Miss Miller will set forth the facts as gleaned by the local Visiting Nurses Association.

WIFE DIES ON TRAIN

Albuquerque, N. M., May 2.—Mrs. Jesse Crossway, wife of Jesse Crossway, correspondent of the Associated Press at Rio de Janeiro, Brazil, died at Las Vegas early to-day after being removed from a Santa Fe train en route to Denver, Col. Mrs. Crossway, who was accompanied by her 11-year-old daughter, Hazel Crossway, had been visiting her sister, Mrs. H. A. Thom, of this city, and left here last night. She became suddenly ill on the train and was taken to a hospital when Las Vegas was reached.

What To Do When Nerves Go Wrong A SPECIALIST'S ADVICE Men and women who suffer from weak nerves, who tire easily, can't sleep, have brain fog, low vitality, general weakness, loss of strength, dulled ambition, lack of will power or any of the symptoms that arise from poor, unbalanced nutrition, nerves or nerve force run low, should try eating a little Margo with their meals for a few days and note results. This preparation is said to be the greatest "pick-up" stimulant and nerve vitalizer ever known. It calms and strengthens the nerves of people who get the "jumps" and "dreads," giving them poise, power and tremendous reserve energy in many instances. Margo Nervine tablets are absolutely harmless, contain no dope or habit-forming drugs, and are always safe, easy, pleasant and efficient. Kennedy's, Geo. A. Gorgas and many other leading druggists in Harrisburg and vicinity sell it in large boxes of 100 tablets to the package on an absolute guarantee of satisfaction or money back.

Liberty Loan Workers Again Go Over Ground

The Victory Loan solicitors who started to work again this morning are going back over the ground they have already covered. They are going to impress upon the minds of those who have bought bonds that they must buy more bonds. They are going to impress upon the minds of those who have bought no bonds that they must buy bonds—and that no hope-to-die citizens of Harrisburg will be found without Victory Bonds next Wednesday.

Postmaster Frank Sites, who is in charge of the drive in the homes of this city, was working early to-day in an effort to find out whether all of his several hundred solicitors had really been on the job this week. He had reason to believe that some of them had been more in evidence at the noonday luncheons than they had been in evidence at the various homes of this city. The large number of calls received at headquarters in Market street this morning, asking that solicitors be sent to certain homes, convinced the committee that either through oversight or neglect many homes had not been visited at all.

Hospital Train Here Mr. Sites urged that all citizens of Harrisburg make an effort to get to the Pennsylvania Railroad station this afternoon at 4.30 to inspect a hospital train which will be parked there, and to see two hundred soldiers on the way to western convalescent hospitals from the battlefields of France. "These boys did their duty," said Mr. Sites, "it's up to Harrisburg now to do its duty."

No further figures were received at Victory Loan headquarters to-day. The totals remain as they were yesterday at noon. In the three days ending Thursday at noon, Harrisburg had bought bonds worth \$3,415,900. Perry and Juniata counties had gone over their allotment. Steelton was over its allotment. The balance of Dauphin county outside of Harrisburg and Steelton was on the way to success. The only party of the district that had fallen down was the party of the Baltimore dry docks and Ship Building Company, is the cargo freighter which will be given the name "Dauperata," suggested by four persons in the recent contest for the naming of this boat.

The Dauperata will be christened in June by Mrs. Lyman D. Gilbert, of Harrisburg. This freighter contains twenty-five hundred tons of steel plates rolled by the Central Iron and Steel Company of Harrisburg. It was announced to-day by Victory Loan headquarters that Saturday and Saturday-night booths will be placed in front of moving picture houses of the city and in other prominent locations so that passersby may secure Victory Bonds. Big crowds continue to throng the Board of Trade Hall each afternoon and evening where "The Price of Peace" is being shown. This pic-

Pennsylvania at the Front

Above are shown some sections of the One Hundred and Eleventh Regiment, formerly the Sixth and Eighteenth Regiments of the old Pennsylvania National Guard Supply Train, encamped near Mount St. Mar-

tin, France. The photograph was taken by the United States Signal Corps on August 6 of last year. Persons interested in securing copies should communicate with the Harrisburg Recruiting Station, 325 Market street.

CITY TO WELCOME HOME ITS HEROES

[Continued from First Page.]

formation of the early time of arrival of the city men, provide for lots of band music and in all probability, a street parade through the principal streets of the city. Arrangements are now being considered by the Harrisburg police department to handle the large crowds which will be on hand to greet the men when they return home by way of the Pennsylvania Railroad. It will be necessary, those in charge of the plans believe, to rope off a considerable section of the territory in the vicinity of the Pennsylvania Railroad passenger station in order to properly handle the crowds. It is now understood that efforts will be made to have the streets lined off east as far as Fourth street at the very least in order to minimize the confusion.

Plan Military Parade

A parade to be composed of none but soldiers and military organizations late to-day was proposed to welcome the returning Harrisburg soldiers, and the exact time of this parade will be made public just as soon as the definite arrival time of the soldiers is learned here. The parade will, in all probability, be held on the same day the soldiers return, it was announced.

In the parade there will be nothing but military men, including the Grand Army of the Republic, Veterans of Foreign Wars, Spanish-American War Veterans, ex-members of the Governor's Troop, and the incoming lads, besides other military organizations.

The idea, it was pointed out by those who are formulating the plans, is to have many people on the sidelines to cheer and hurrah as it is possible to get. The streets will swarm with thousands of happy citizens to welcome the returning soldiers, it is planned.

A reception in Chestnut Street Auditorium to be held a few days after the return of the soldiers, also being arranged. Mayor Daniel L. Keister will deliver the address of welcome and other features are now being arranged.

600 Lose Jobs Thinking Employers Not Sincere

Reading, Pa., May 2.—Because they failed to come to work on Monday after warning that every man on that turn was expected to be on duty, 600 of the 2,400 employees of the Carpenter Steel Company's plant were discharged to-day. Most of them were chippers and wiremill workers. The men took part in the May Day parade, not believing that management would enforce its order. To-day the men discharged held another parade and trouble is feared.

Peace Treaty Leaves Fate of German Ships Undecided by Allies

Paris, May 2.—The naval terms to be embodied in the peace treaty with Germany, which finally have been completed, do not provide for the sinking of the larger German warships. The disposition of these vessels is left to be decided upon later by the allied and associated powers.

Germans Satisfied With Demeanor of Their Foes

Versailles, May 2.—The German delegates to the Peace Congress to-day expressed themselves as well satisfied that the first meeting on Thursday with representatives of the allied and associated powers took the form of a mutual exchange of credentials rather than a one-sided demand for the production of the German papers for purposes of identification. They took this as an indication that the negotiations are to be conducted on a basis of equality.

A little flurry was caused in both Allied and German circles to-day by a press dispatch reporting that Prince Henry of Prussia was coming to Versailles as a naval delegate. This report was erroneous. It was due to the confusion of the name of a German naval officer, Captain Heinrich, with that of former Emperor William's brother.

Declares Child Labor Section of War Bill Void

Greensboro, N. C., May 2.—The child labor section of the war revenue bill, placing a prohibitive tax on products of child labor entering interstate commerce, was declared unconstitutional to-day by Federal Judge James E. Boyd. Last year he declared void the original child labor act, which the United States Supreme Court annulled by a margin

Federal Troops With Machine Gunners Were Waiting For Rioters

Cleveland, Ohio, May 2.—It became known to-day that Federal troops, with two machine gun companies, equipped with motor trucks, were mobilized just outside the city yesterday ready to suppress any disorder resulting from the Socialist May Day demonstration if the police proved unable to cope with it.

Government authorities, incensed over the Socialist demonstration and display of red flags which precipitated yesterday's riots, to-day were considering steps to deport every foreign-born person who participated on the side of the rioting element.

Joseph Ivantyl, 28, shot three times by a policeman in rioting last night, died in a hospital this morning.

The unknown man who was shot yesterday afternoon was identified to-day as Samuel Pearman.

Swift Justice was meted out to-day in the cases of Radicals who participated in the riots. Police Judge Howies imposed the severest sentence allowed by law, the first offender up being given two sentences of \$200 and costs and six months each assaulting a policeman and a citizen.
