

ANARCHIST BOMB WRECKS BUILDING AT BROWNSVILLE

Score of Prisoners Caught in Basement; Rescued by Firemen; Town Is Shaken

Brownsville, Pa., May 2.—An explosion, believed to have been caused by a bomb placed in the office of Burgess Charles H. Storey, wrecked the municipal building and shattered windows for several blocks in the business district here early today. A score of prisoners, trapped in the jail in the basement of the building, a three-story brick structure, which collapsed over them, were rescued by firemen. Police and agents of the Department of Justice say they believed the explosion an anarchist May Day plot.

SOLDIER IS TWICE FOUND GUILTY OF MURDERING GIRL

Verdict Against Jennie Hemmingway's Murderer Returned After 18 Hours

St. Albans, Vt., May 2.—Robert Warm, a former soldier, was convicted for the second time today of manslaughter in connection with the death of Jennie Hemmingway, in August, 1917. The jury was out eighteen hours.
He was convicted first in September, 1917, and sentenced to a term of ten to fourteen years in State's prison, but a retrial was ordered on the ground of misconduct of a juror. The second trial lasted nine days. Sentence was deferred to permit counsel for the defense to file a motion for arrest of judgment.
The body of the girl was found in a cornfield after an all-night search. Warm had been her companion. His defense was that he was attacked by other soldiers while walking with the girl and ran away. When it was reported she had failed to return home, he joined the searching party.

THROWN BY COW
Thrown while endeavoring to lead a cow which was exerting its full strength to run away, Clinton Matter, 56-year-old farmer of near Halifax, is in the Harrisburg Hospital with a fractured right knee. The accident occurred near his home yesterday. He was brought to the local institution last night.

SHED BURNS
The weighing shed of the United Ice and Coal Company, Seventh and Briggs streets, was totally destroyed by fire shortly before midnight last night. The origin of which has not been determined.

ENTIRE DIVISION WILL NOT PARADE IN PHILADELPHIA

Harrisburg and Central Pennsylvania Boys Will Be Discharged and Permitted to Go Home

Philadelphia, May 2.—It has been virtually settled that the entire Twenty-eighth Division, formerly the Pennsylvania National Guard, will not parade in Philadelphia on May 15. This was made known last night after Major General Charles H. Muir, commander of the division, Quartermaster F. T. Pusey, Adjutant General Henry, of Pennsylvania, and representatives of City Councils and the Council of National Defense had conferred on the question of holding the parade. General Muir spent the day at Camp Dix where most of the Pennsylvania boys will be demobilized. It was announced that all non-Pennsylvania members of the division will be sent from Camp Dix to the care of their homes for demobilization. All Pennsylvanians not residing in Philadelphia or immediate vicinity will be discharged and permitted to go to their homes. Philadelphia in the Fifty-fifth Brigade, which is made up of the 10th, 109th and 110th Infantry Regiments and part of the 109th Machine Gun Battalion, will be held in camp and given liberal furloughs until May 15 when they will hold a parade in this city. Pennsylvanians already discharged will be invited to participate in the parade and will be transported here at the expense of the State. It was announced that only about fifty per cent. of the Fifty-fifth Brigade are Philadelphians.
Nothing had been heard up to early today from the transport Maui, which is about due to pass in the Delaware capes with the 109th Infantry, formerly the First Regiment of the Keystone division, and the Thirtieth of Scranton. All local arrangements have been completed to give the regiment a warm welcome.
The action of the military authorities means that Harrisburg and Central Pennsylvania boys will be at their homes in a few days, again civilians.

went to France with the Keystone Division.
Promotions came fast for Wright after the landing of the division in France and the commencement of real work. He was withdrawn from the truck train service and attached to divisional headquarters, being made a captain within a short time and advancing to the rank of major before many months had passed. He is a graduate of Central High School and is 29 years old.

MAYOR KEISTER ADDS FIX-UP TO CLEAN-UP

[Continued from First Page.]
and I urge everybody to repair fences, boardwalks and generally put their homes and yards in good repair.
The Schedule
The following schedule has been arranged for the two clean-up crews which will cover all portions of the city next week:
Monday—One gang will work between the river and Third street from Walnut to Reily, while the other group works between Chestnut and Cedar streets from Paxton and South Front streets to Twentieth street.
Tuesday—No. 1, from Reily to Seneca, between river and Third street. No. 2, from Tenth street to the eastern city line, between the Reading railroad and Derry street.
Wednesday—No. 1, from North street to Broad, between Third and Seventh. No. 2, from Cameron to the eastern city line, between Derry and Market.
Thursday—No. 1, from Broad street to Harris, between Third and Seventh; No. 2, from the river to Cameron street between Market and Walnut.
Friday—From Harris street to Maclay, between Third and Seventh. No. 2, from Cameron street to the eastern city line between Walnut and State.
Saturday—From Maclay street to Seneca, between Third and Seventh and also the Fourteenth ward. No. 2, all territory east of the railroad, from State to Maclay.
All kinds of rubbish will be taken by the collectors. Household are requested by the collection bureau to have all junk they wish to dispose of ready on the day scheduled for their district. Superintendent Sheesley, of the bureau, predicts that the "1919 Clean-up Week will be a big success."

Mexican Medals to Be Distributed at Dix

Adjutant General Beary has detailed Chief Clerk Benjamin W. Demming, of his department, to go with two clerks to Camp Dix to distribute the medals for Mexican border service of the National Guard to members of the Keystone division who were in the service in 1916, and who could not be given their medals before leaving for France in the United States Army. It is estimated that between 10,000 and 12,000 Pennsylvanians are entitled to the medals. Over 2,000 have been given to men who could not go with the Keystone Division to France and to relatives of men who are dead.
General Beary said that May 15 is the tentative date for the parade in Philadelphia and that many casualties are writing to him asking for transportation to Philadelphia on the parade day. Twenty-two alone have written from the hospital at Fort Niagara.

SELLS BONDS TO TECH BOYS AFTER ADDRESS

"Henrie" Cocklin, end of the Tech High football teams of 1913 and 1914, who recently was invalided home after being gassed at Fismes while serving with Battery E, One Hundred and Eighth Field Artillery, spoke to Tech students in the chapel this morning. With great vividness Cocklin related his experiences on the fields of France to the Tech students after which he sold a total of \$1,000 worth of Victory Liberty Bonds among them. Cocklin was graduated from Tech in 1915.
SUE FOR \$5,000
Suit for \$5,000 was filed in court today against the Gunzhauser Bakery by Franziska and Theodore Sverdrup of Enghaut. It is alleged that the defendant's bread delivery ran down and injured Mrs. Sverdrup in Enghaut, on January 7, last. She wants \$5,000 for personal injuries and her husband asks for \$1,000 for the loss of his wife's services.

10-YEAR PENALTY FIXED FOR THEFT OF AUTOMOBILES

Governor Also Signs Bill Permitting Taking of Cash Bail

Governor Sproul today announced approval of the Goehring House bill providing that "in all cases of arrest for any bailable offense under either civil or criminal process" it shall be lawful for the defendant to give cash bail in the sum now provided by law. A receipt is to be given for the bail. On sums realized on final judgment the sheriff is to be allowed two per cent. commission on the first \$500 and half of one per cent. on all over that. When liability of bail is terminated the money is to be returned by the clerk of the courts.
The Governor also approved the Hollingsworth House bill increasing the penalty for thefts of motor vehicles and persons accessory and receiving or buying a car known to have been stolen to a maximum of \$5,000 fine and ten years in prison. Such thefts are made felonies by the act.
Third-class cities are authorized by the Willson House bill to pay one per cent. of all city taxes other than those levied for interest or sinking fund to police pension funds. The organization to which such payments may be made if the city sees fit must be recognized by ordinance.
Other House bills signed were: Providing for relocation of public roads and highways leading into parks or public grounds owned by the State.
Appropriating \$40,000 to pay compensation costs for State employees who may be injured or killed while on duty.
Authorizing Allegheny judges to adopt a system of indices for county offices.
Authorizing silk companies chartered in other States to hold realty in Allegheny.
Authorizing deeds, mortgages, etc., to be acknowledged before judge advocates or officers of the Army and Navy by residents of this State in national service.
The Senate bill authorizing counties to appropriate not over \$1,000 a year to historical societies instead of \$200 as heretofore was also passed.

Police Captain Is Found Dead After Day of Riots

Boston, May 2.—Captain Hugh J. Lee, of the Dudley street police station, in whose district serious rioting occurred yesterday as a result of the display of red flags in a parade of radicals, was found in bed at his home today. Death was said to be due to natural causes, although fellow officers were inclined to believe that the strain under which he worked during the disturbance was in a measure responsible.
The rioting in the district was the most serious since the war. It included F Company in the estimate, the original strength, when it went to France, was about 1,750 men. Between June 28 and November 30 it had 23 casualties, forty-seven of which were fatalities, and six of the latter occurred after the armistice, while digging up a German mine field.
The engineers had dug trenches and had fought in them, had built bridges over shell fire and gas so terrific that officers and men were at a loss to describe its intensity, had rebuilt roads behind the infantry and ahead of the artillery, had dug barbed wire, and demolished mine fields, had followed or led the Twenty-eighth Division in every field from Chateau Thierry to Thiaucourt.
Six Killed Armistice Day
Perhaps the saddest tragedy for the regiment was the death of six men, the wounding of three and the gassing of two from German tank mines and man traps after armistice day.
The death of the men has caused in the entire regiment an antipathy toward Germany and things German which years will not erase.

GAS IN THE STOMACH IS DANGEROUS

Recommends Daily Use of Magnesia To Overcome Trouble Caused by Fermenting Food and Acid Indigestion
Gas and wind in the stomach accompanied by that full, bloated feeling after eating are almost certain evidence of the presence of excessive hydrochloric acid in the stomach, creating so-called "acid indigestion."
Acid stomachs are dangerous because too much acid irritates the delicate lining of the stomach, often leading to gastritis accompanied by serious stomach ulcers. Food ferments and sours, creating the distressing gas which distends the stomach and hampers the normal functions of the vital internal organs, often affecting the heart.
It is the worst of folly to neglect such a serious condition or to treat with ordinary digestive aids which have no neutralizing effect on the stomach acids. Instead get from any druggist a few ounces of Bisurated Magnesia and take a teaspoonful in a quarter glass of water right after eating. This will drive the gas, wind and bloating right out of the body, sweeten the stomach, neutralize the excess acid and prevent its formation and there is no sourness or pain. Bisurated Magnesia (in powder or liquid) is a harmless, liquid or milk-like substance to take the best form of medicine for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion. G. A. Gorgas.

POLICE UNCOVER EXPLOSIVES IN NEW YORK RAID

Proprietor Arrested, Denies Knowing Chemicals Were in "Medical Institute"

New York, May 2.—A large quantity of explosives confiscated by police and Federal agents at a house in West Forty-fifth street was being examined at police headquarters today in connection with the investigation of the May Day conspiracy to kill prominent men by sending bombs to them through the mails. Officials announced that the house was raided last night by detectives of the police "bomb squad."
The house in which the explosives were found was described by the police as a "medical institute" for the treatment of drug addicts. The proprietor of the place, Charles R. Baldwin, was arrested, charged with violation of the drug act, a quantity of drugs also being found. HOW A YOUNG GIRL SUFFERED

And Was Restored to Health by Lydia E. Pinkham's Vegetable Compound—Told By Her Mother.
Brooklyn, N. Y.—"I cannot praise Lydia E. Pinkham's Vegetable Compound enough for what it has done for my daughter. She was 15 years of age, very sickly and pale and she had to stay home from school most of the time. She suffered agonies from backache and dizziness and was without appetite. For three months she was under the doctor's care and got no better, always complaining about her back and side aching so I didn't know what to do. I read in the papers about your wonderful medicine so I made up my mind to try it. She has taken five bottles of Lydia E. Pinkham's Vegetable Compound and doesn't complain any more with her back and side aching. She has gained in weight and feels much better. I recommend Lydia E. Pinkham's Vegetable Compound to all mothers and daughters."—Mrs. M. FINORE, 218 Marcy Ave., Brooklyn, N. Y.
