### Think of Your Gasoline Bill When You Buy Your Car

Many a dealer tries to take your mind off it while the sale is being made. We don't. We want you to do a lot of careful figuring on it.

And we'd like you to do more than figure. Give us a chance, in actual test, to show you the astonishing records of the Briscoe-built economy motor.

A Briscoe gallon will take your car a wonderful distance-twenty-six miles and more is an every-day performance.

That's because Briscoe engineers devoted years of experiment to the single feature of economy.

Ask us to prove it.

# Willard Service and You

It's for you that the Willard Service Stations are maintained.

It's for you that the Willard 90-day insurance plan was worked out.

It's for you that the Willard Service and Adjustment Policies you'll see in every Willard Service Station were drafted.

The meaning of Willard Service to you as a car owner is given in the booklet, "Willard Service and You." Ask for a copy next time you come in. Ask also to have your battery tested with a hydrometer so that you can be sure you have been keeping it properly charged.

Quad trucks which served the Govern-ment so well in the late war, in stock at the present time. It was standing on the Square for quite a while yester-day where it attracted considerable at-tention from everyone who passed. Shipments of touring cars are ex-pected this week and immediate deliv-eries will soon be made of both the trucks and car.

SHIPMENT OF CARS

The American Auto Company, distributors for the American Six, recently received a shipment of roadsters and touring cars and have these cars in stock for immediate deliveries.

Recently an announcement appeared in another paper about American cars which led the reader to believe that E. C. Markley was the distributor for American Sixes, and that he had bought the agency for the car. However the American Auto Company under the Emanagement of C. A. Slough are still the distributors and Mr. Markley is one of the partners in the firm. Sales and service is conducted at Carr's garage at the corner of Front and Forster streets.

ANDY REDMOND ENJOYED
TRIP IN THE CLOUDS

From a pioneer in the automobile business in Harrisburg, it looks as though Andy Redmond, the well known Chandler and Vim distributor is the pioneer in aerial flights in this district too, During the big Victory loan celebration here Tuesday, Andy had the nerve to take the trip up into the clouds with one of the aviators from the flying circus which visited here. And Andy thought it was great, The story of his flight which was printed in the Telegraph Wednesday told in a graphia way just what Andy thought of his trip, From the way he is falling now, he might get an agency from some well known make of aeroplane and be the first one in the territory to sell the birds.

On the flight Mr, Redmond dropped two hundred of his name cards and on three of them he had a special mark all his own and for the return of these cards, he says, was distributed somewhere between Market and Maclay and the River and Seventh Street,
