

BAPTISTS WILL ADMIT WOMEN

Busy Sessions Are Expected at the Southern Convention

Atlanta, Ga., May 9.—At the annual Southern Baptist Convention, meeting here May 14 to 19, women for the first time will be admitted as delegates on an equality with men and busy sessions are indicated. Southern Baptists were greatly displeased at the ruling of the War Department at Washington in connection with camp pastors, feeling with other evangelical denominations that they were discriminated against and it is expected the convention will make known its attitude toward the policy of the War Department.

Spray Fruit Blossoms and Have Perfect Fruit

Spraying with "PYROX" will prevent wormy fruit, prevent "falling off"—kills eating insects. 1 lb., 40c; 5 lbs., \$1.50; 10 lbs., \$2.75; 25 lbs., \$5.75; 50 lbs., \$10.75; 100 lbs., \$20.00. (1 lb. makes 5 gal.) All the Best Insecticides—Arsenate of Lead—Soluble Sulphur—Bordeaux—Sulfuric, etc. SPRAYERS—all the best makes and all styles. Trim out the dead branches—see our combined pruner and saw—every fruit grower should have one. Walter S. Schell Quality Seeds 1307-1309 MARKET ST. City and suburban town delivery.

UZIT FOR CORNS, BUNIONS, CALLUSES. GORGAS DRUG STORES.

Much interest is being manifested by the denomination as to the outcome of the drive for missions undertaken after the convention at Hot Springs, Ark., last year authorized its boards to plan work on a basis of \$2,500,000 for the present year—\$1,000,000 for home missions and \$1,500,000 for foreign missions. That is 75 per cent greater than the sum raised last year. Leading ministers and laymen throughout the South have been active, and the outlook is that the money will have been raised when the convention meets. The admission of women as delegates on an equality with men is being watched with interest. For more than 75 years the convention has maintained the policy that women should be silent in the churches when men were present. Last year's convention adopted a resolution allowing the women to be admitted. Many women oppose the change believing their work should be confined to the individual churches. Many men oppose their admission on the ground that the membership of the convention already is too large and should be divided.

Leaves France Fortune to Rebuild Churches

Paris, May 9.—Miss Doutet, who has just died at Perpignan, at the age of 75, has left her whole fortune

OVERLAND NEARS WORLD'S RECORD

Only 719 Miles Short at Ten O'clock Last Evening, at End of Fifth Day

At the close of the fifth day of running the Overland model 90 in the world's record nonstop sealed in high gear had covered 3,531 miles, 439 miles ahead of the Oklahoma cars record of 3,093 miles for five days. The car is running in fine shape and according to all indications is capable of going along at the same clip for some time to come.

At 10 o'clock last evening it was within 719 miles of the world's record of 4,250 miles. The first day of the run 799 miles were made without pushing the car in the least. The drivers have been cautioned not to make too much mileage and to hold the car in, but it is thought that by 6 o'clock this evening the world's record will be in the possession of Harrisburg car and in the short time of only six days and six nights. This is a remarkable record considering the fact that the car lost four hours at the time of the accident in Wormleysburg. That it will exceed the world's record mark by between six and seven hundred miles in seven days and nights if it continues its present pace is a settled fact.

One fact worthy of mention in the run being conducted here is that the car on every day so far, has exceeded the A. A. A. 24-hour sealed in high gear record by many miles. This record was made in the city of Chicago some time ago, the mileage being 587 miles. The lowest mileage made by the Harrisburg car was 630 miles, and that was Monday. The highest average was made the first day, it being 799 miles. The highest mark made in a day by the Oklahoma car was 661 miles and the lowest was 581 miles. Harrisburg car will be proud of the remarkable mileage record being made by this car and it is one that will stand for a long time. In Oklahoma, better road conditions are to be found and fewer hills, in fact none like there is in this section. To them our hills are mountains. The record that formerly stood was some where around the 4,250 mark and was made by a car in Los Angeles in 1914. That the Harrisburg car will push it over the 5,000 mile mark is setting a pace that will be hard to equal anywhere.

CANADA AFTER FOREIGN TRADE

Is Pushing Peace-Time Exports Up to Unprecedented Figures

Paris, May 9.—Canada is in the midst of an energetic campaign for foreign trade, which, from results thus far achieved, holds fair shortly to push her peace-time exports up to unprecedented figures. On armistice day Canada's foreign commerce, outside of that in war materials, was virtually at a standstill, because of the shipping facilities and the conditions imposed by war. To-day, five months later, the volume of her peace-time trade is said to be equal to that before the war, and the receipts to be greater. Canada's exports in 1914 were valued at approximately \$430,000,000.

As Sir George Foster, Canadian minister of trade and commerce, who is in Paris, pointed out to the correspondent of the Associated Press, the foreign field for Canadian activities is virtually without limit. The difficulty which is being encountered is the inability of European countries to pay for goods, although there are anxieties to rest. Canada already has granted credits of \$25,000,000 each to Belgium, Greece, Rumania and France, making a total of \$100,000,000. Other credits are under discussion. Large advances also have been made to the mother country to enable her to pay for products for herself and her allies.

Canada is operating in the foreign field through a well organized system of trade commissioners. This has been supplemented by a trade mission in London and a branch mission in Paris. This machinery is designed to get into close and quick touch with European necessities with a view of placing Canada's natural and industrial resources at the service of the countries over here for reconstruction. The results thus far achieved have given rise to great optimism in regard to Canada's immediate future in trade. A large part of Canada's war-time industries are said to be convertible for peace-time manufactures. Canada's war industries were, as a matter of fact, really an organization of her peace facilities. Sir George Foster estimates that the losses which will be sustained in the conversion will be a minimum. Coupled with the quick return to peace conditions industrially has been the successful working out of the demobilization scheme for the troops. These men are rapidly being absorbed into their old occupations. All the Canadian troops remaining on this side will be back in about two months, it is stated, ready to take up their pre-war work.

Middletown Plan Reception to Overseas Soldiers

J. B. Parson, of Port Royal, was called to town on account of the illness of his mother, Mrs. Parson, who lives with her daughter, Mrs. Charles Overdeer, Race street.

Mrs. Maggie Brandt, who had been janitress for the Methodist church for a number of years, has resigned and been succeeded by her mother, Mrs. Annie Platt.

The Mothers' Congress Circle, of town will hold a meeting in the Council Chamber Tuesday evening, opening to make plans for a reception for the Middletown boys who returned from overseas. An invitation has been sent to all secret societies. The three fire companies and all other organizations of town are to take part. This will include the boys from Middletown and Royalton.

At a meeting of the Royalton school board the following teachers were elected for a term of eight months: High school, R. J. Rider; grammar school, Miss Mary Gardner; intermediate school, Mrs. Mabel Famous; third grade, Miss Carol Mathias; second primary, Miss Kathlyn Shearer; first primary, Miss Ruth Kilmer. The tax rate was fixed at 14 1/2 mills.

Mrs. Sherman Hawthorne, of Harrisburg, was the guest of the Social Circle which met at the home of Mrs. N. C. Fuhrman, Swatara street, yesterday afternoon.

Rabbi Horowitz, of Lawrence street, was relieved of \$330 early yesterday morning by a young man who represented himself as a Jew, and selling railcoats. He had been in town for several days and through kindness of Rabbi Horowitz took him in and when he went to call him for breakfast yesterday morning found his room empty and the money gone. He has offered a reward of \$25.

The report from all committees of the Victory Liberty Loan has reached the mark of \$247,650. The Farmers' Bank reported \$151,000 and the Citizens' Bank reported \$96,650. The local car plant reported a final total of \$40,000. A. R. Kern sold the largest amount of bonds, \$10,000, to Mrs. Saul North Spring street.

Phillip Muto sold his property in Lawrence street, to Mrs. Addie Bloomson, who also purchased a property in Witherspoon avenue.

H. O. Keener, of Philadelphia, sold the double house in North Union street to Morris Berman, which is at present occupied by T. B. Boyd and E. Campbell.

Mrs. G. E. Benson, who had been ill for the past several weeks at the home of her mother, Mrs. Ella Ackerman, Pine and Water streets, has recovered sufficiently and returned to her home at Pittsburgh. She was accompanied by her husband.

The Mothers' Congress Circle held its regular monthly meeting at the home of Mrs. D. W. Huntsberger, North Union street.

Morris Sites, of Witherspoon avenue, was here Saturday for Camden, N. J., where he will visit relatives for some time and also his family, who are spending some time there.

The annual junior reception for the members of the senior class of the High school was held in the High school building last evening and a good time was spent by both classes. Refreshments were served by Mr. and Mrs. Samuel Caley, South Catherine street, announced the birth of a son, May 7, 1919.

Edward Wendell, who spent the past year overseas, was returned to the United States and sent to Camp Dix, N. J., where he was mustered out of service. He is a son of Paul Wendell, of Royalton.

Urges Churches to Demand Code to Enforce Prohibition

Cleveland, May 9.—American churches were urged yesterday by Wayne B. Wheeler, of Washington, D. C., to ask Congress to enact a code of church law to prohibit Mr. Wheeler, who is general counsel of the Anti-Saloon League of America, was speaking before the Federal council of the churches of Christ in America in session here. "The brewers are working through

all these camouflage organizations which are attacking war and constitutional prohibition," declared Mr. Wheeler. "The hotel men associations, the so-called soldiers' protests, the 'no-work' campaign, the legal battles to prove that beer is not intoxicating and many others, are part of a national program to influence Congress against enacting an effective law-enforcement code as authorized by the eighteenth amendment. The temperance forces must throw the light on these methods of the brewers and their allies, who are attempting to nullify an amendment to the constitution adopted by fifteen-sixteenths of the states of the Union, representing over 95 per cent of the population under majority rule."

To purchase at Harrisburg's LEADING MUSIC HOUSE is satisfaction-insurance

Have a New Piano In Your Home This Spring

THE appearance of an otherwise well-furnished home may easily be spoiled by an old-style or shabby piano. It is the most important piece of furniture in the home and is usually the center of attraction, especially when friends come. The taste and musical appreciation of the family are quite apt to be judged by the make and condition of the piano. An instrument of good name, in perfect tune and well cared for, betokens a sincere love for music and a proper regard for its influence on the family life.

Here is a happy thought for those who are planning to beautify and enhance the attractiveness of their homes this Spring.

What an appropriate time to replace the old Piano with a beautiful new Grand or Upright of the famous J. H. Troup line.

The progress of many a young music student is greatly retarded by having to practice on an old, worn-out Piano, with sluggish action, uneven touch and inferior tone quality. Such an instrument offers no inspiration nor incentive to practice, inculcates faulty ideals of tone and prevents the correct muscular development of the young fingers. In such cases a new Piano is more than a necessity—it is a duty!

Pianos--- that you know are of superior quality. They can be purchased in Harrisburg ONLY at the J. H. Troup Store.

(Grand and Upright models)
Catalog gladly mailed on request.

Now is the Time to Exchange Your Old Piano

The longer you put it off the less you will realize for the old instrument. And besides, what more appropriate time could there be to bring the beauty and charm of a new Piano to your home than right now at the beginning of Spring?

While you are house-cleaning, rearranging, re-decorating, let us take the old piano out of your way, replacing it when you are ready with a handsome, artistic Grand or Upright of latest style—or a Player-Piano, which every member of the family can play—or an Ampico, the miracle Piano, upon which the world's greatest pianists will play for you.

WE WILL ALLOW FULL MARKET VALUE for your present instrument and you may pay the balance in CONVENIENT MONTHLY INSTALMENTS. Nothing could be easier—you'll never miss the money.

Talk it over with the family today—then see us tomorrow. If you can't conveniently visit our store, telephone or drop us a line and we will send an expert to appraise your piano and make you a proposition on an exchange. No obligation incurred; we are glad to render this service.
