In his letter Mr. Williams tells of a pair of Neolin-soled shoes which he has worn constantly for four months.

"The soles still look like new," he says.
You, too, will think there is no better way to save, when once you have tried shoes with these long-wearing, comfortable, and waterproof soles. They come in many styles for every member of the family. And good repair shops carry Neolin Soles for re-soling. They are made scientifically by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.
