REGENT THEATER
To-day and to-morrow—Mary Pickford in "Captain Kidd, Jr." Saturday—Bryant Washburn in "Poor Boob" and "Fatty" Arbuckle in "Good Night Nurse."

Mrs. Martha Stewart, mother of Anita Stewart, the movie star, journeyed

all the way across the continent to witness the first public presentation of "Billeted," a new picture, "Mary Regan." She made the trip despite protest of her daughter, who feared for her safety traveling such a distance alone. Nevertheless Mrs. Stewart was one of the first people inside when the picture opened at year ago. Mrs. Stewart never missed the first showing of any of Anita's pictures.

After the first appearance at the Strand yesterday, Mrs. Stewart lost herself in the crowd and hurried away.

From developments which have recently taken place in Los Angeles, it seems altogether likely that Lewis Stone to Re- his contemplated series of picture pictures for the World Film Corporation. It is stated that Stone is now engaged as leading man in the new Wilkes Stock Company, which will open their city office in New York to go to New York to pick other players for the company.

Frank Borzage, director of the Olive Pictures, for Triangle, and more recently of the "Gods Would Destroy," has been engaged to direct a series of picture pictures. Fred Stone will be made by Fred Stone in California, during the coming summer months.

The well-known vaudeville favorites—McWaters and Tyson—are back in this city again and are presenting "Revue of Reviews," an offering of songs, dances, comedy and impersonations of famous stage stars. The bill of the week is a first-class one. Both are fine artists and are sure to please. The burnt cork entertainers, Chappelle and Stinette, are also on the bill. This team hands out a lot of good comedy and songs. The Whiteside Sisters are presenting an artistic dance offering. Mumford and Stanley in songs and nonsense, and the Nathano Brothers in a roller skating novelty, complete the bill.

The second episode of "The Tiger's Trail" with Ruth Roland, will also be shown.

Anita Stewart, the versatile movie star is the nearest thing to the Victoria Theater for the remainder of this week. In this picture, "A Midnight Romance," she plays the role of Marie Alexander, a refugee who lands on the eastern coast after her ship has been sunk by a submarine. She secures a position in a prominent summer resort where Roger Sloan and his father are living for the summer. As their home was burned down, Marie has soft white hands, a perfect carriage, is handsome looking and speaks four languages perfectly.

One night she goes down on the beach to take a walk. The mysterious man who meets her is Roger Sloan who is entranced by her beauty. He lights a match and she is burned. She meets her at a fashionable dance and she is dressed in silks and lingerie. Again she meets him without him learning her name. The next day he learns she is a maid to his sister who is staying at the same hotel.

Suddenly Marie disappears and with her three mysterious friends she goes around whose heads stories of terror and blackmail hang, depart.

She is seen in a room for some time. Then one day she receives an official looking envelope in which she recognizes that starts the story of "A Midnight Romance." That is not a doubt of the best picture ever presented in Harrisburg. Count on this "Fatty" Arbuckle in "The Homebreaker."

Harrisburg lovers of "good pictures" have a chance to-day and to-morrow to see Bert Lytell, portray a match and a roller skating novelty. Do You Like bred crook in his last "A Thief" in "Blackie's Redemption" which is now showing at the Colonial Theater.

Lytell leads a crooked life—but his winsome ways on the screen make you like him—for all his crookedness. Sloan falls to hear from her who will not have anything to do with him unless he reforms. And reforms he tries to do but the jail-birds and police won't let him. They always refer to him as "That" the man who had that clever second-story job at the Hidge-

A Scene From "Billeted," With Margaret Anglin, Coming to the Orpheum Saturday

Miss Anglin's comedy, "Billeted," is the greatest success that the noted actress has ever had in light comedy; the play ran for upwards of a year at the Royalty Theater in London, and was played by Miss Anglin all last winter in New York, and during the past summer it enjoyed long engagements in Chicago, San Francisco and other of the principal cities from coast to coast.

way apartments," or some such phrase.

One day a murder is committed. Blackie has made all preparations to get married the following day but the eve of his marriage he is arrested on the murder charge and sent to jail. At the trial he does not have sufficient evidence to acquit himself so the judge looks stern and murmurs such an unusual phrase.

"Twenty years," then starts the story which makes "Blackie's Redemption" such an unusual phrase.

"Remember this only shows to-day and to-morrow as Nora Talmadge, Harrisburg's screen favorite will be here on Saturday in her latest picture, "Children in the House."

When Director Hickman of the Bessie Barrislee Company, looked about for a man to play the part of the district attorney in "Josselyn's Wife," which Robertson Cole will rehearse through Exhibitor's Mutual, his eye lightened on the handsome handsomely person of Manager Frothingham.

"Will you play the part?" asked Hickman.

"No," said the manager.

"Please do," coaxed Miss Barrislee.

"That's different," replied Mr. Frothingham. "I will. He had never appeared on stage or screen before, but when the picture was screened it showed the manager perfectly poised and acting like a veteran.

"He's good. We'll steal him for the next picture," said Director Hickman.

"I'm through," said the manager.

"No, please," coaxed Miss Barrislee.

"That's different," smiled the manager. "I will."

SINN FEINERS PLEAD GUILTY

Leaders Arrested in Fall of 1917 Pay Fines of \$250 Each

New York, May 15.—Three Sinn Fein leaders who were arrested in the fall of 1917 charged with conspiring to obtain false American passports which would enable them to reach Ireland and assist in a second "Easter rebellion," pleaded guilty in Federal district court here yesterday and paid fines of \$250 each.

They were:

Dr. Patrick J. McCarten, who was arrested on a Belgian relief ship in Halifax harbor in October, 1917, and "General" Liam Mellows, and James M. McDermott, who were arrested here simultaneously with Dr. McCarten at Halifax.

The arrests of McCarten, Mellows and McDermott came with the announcement that preliminary plans already had been made for a second Easter rebellion in Dublin in 1918 to be financed with German money. A German who gave his name as Baron Max Reinkhausen was arrested with Mellows and McDermott.

Shoe Manufacturer Guilty of Fraud in Recent Army Contract

Boston, May 15.—Frank I. Sears, vice-president and general manager of the A. J. Bates Co. shoe manufacturer, was found guilty in the Federal district court yesterday of bribery, conspiracy to bribe, and conspiracy to defraud the government in connection with a contract for army shoes. Sentence was deferred pending an appeal.

British Premier Recalls Invitation to Americans Working to Free Ireland

London, May 15.—Andrew Bonar Law, government leader in the House of Commons, admitted yesterday that Premier Lloyd George had asked Frank P. Walsh, Edward Dunne and Michael F. Ryan, representatives of Irish republicans in the United States, to call on him, as he thought it would be to the advantage of Americans interested in Ireland to be received by him. He had planned to lay before them the British case and have it widely reported in America where it is insufficiently understood. Mr. Bonar Law said.

The premier has withdrawn the invitation, the government leader said, because, while he is willing to receive Americans he is unwilling to receive those who come to Ireland and not only take part in the politics of Ireland, but also in rebellious movements."

Philadelphia, May 15.—Brigadier General William G. Price, commander of the Fifty-third Artillery brigade, is to head the reorganized National Guard of Pennsylvania.

Governor Sproul announced this at a dinner last night given in honor of Major General Charles H. Muir, commander of the Iron Division, of the Philadelphia welcome-home committee.

The Governor paid a high tribute to General Muir. He said that when the people of Pennsylvania investigated the character of the man who was leading their boys in France, they were satisfied that they were in safe hands.

General Muir gave a history of the division and expressed his admiration of the bravery of the Keystone State boys.

Tendler and Gannon Who Fight For Barrett Are Both South-Paws

Transportation has been forwarded by Joe Barrett to all the outside boxers who are on the bill for Saturday night at the Chestnut street Auditorium and Barrett is stated that every one will be on the job and in the pink of condition, which will make it the greatest and classic show ever held in this section.

Winning from the advance sale of tickets, the veteran promoter will be justified in bringing to Harrisburg the best there is in the game, such as the feature ten-round bout, with Low Tendler, the sensational Philadelphia lightweight, whose services are in demand all over the country, meeting Allentown Dundee, whose rise in the game has not been as sensational as Tendler's, but just as steady. The Allentown youngster has yet to be beaten, and some of his victims are considered the best in the game.

The tentative arrangement is another bout causing a great deal of gossip among the out-of-town sports. Eddie Loekner, the Lancaster bearcat, will meet the toughest

Ursinus College Pitcher Wins For Hill Team

Standing of the Clubs	W	L	Pct.
Reading	3	0	1.000
Galahad	1	1	.500
Rosewood	1	1	.500
St. Mary's	0	3	.000

Schedule for to-night—Rosewood vs St. Mary's.
Umpire—C. A. Runk.
Last night's score—Reading, 7; Galahad, 6.

After winning Tuesday night from St. Mary's by a one-run margin, Reading repeated the trick over Galahad last night, the score standing 7 to 6 at the end of the sixth inning, when Umpire White called the contest on account of darkness. In the five contests played to date, four of them have been won by a single run, all of which helps to keep up the interest in the league.

Last night Mellinger, from Ursinus College, twirled his initial game in the Allison Hill league, and made nine of the losing teams strike out. In the first three innings Cooper was wilder than the man from Eorno, sending four men to base on balls. An error or two would have kept the runs in rapid succession. When the game was lost, "Bobby" Clark took up the task, and to his credit it must be said that the scoring ceased.

Galahad became dangerous in the fifth. Levan pitched for Reading after Coughan was hit, and Reilly and Clark were out. The Hornerberger connected with one of George's fast ones and clubbed it to deep left field for a circuit of the bases, bringing the score to six. But there was no further scoring. Starry, a former West Point third baseman, made his debut the latter part of the contest for Galahad. The large crowd that surrounded the field handicapped the fielders in holding the ball. The box score:

Doctor Issues Warning And Tells How To Stop Tobacco Habit

TREATMENT CAN BE GIVEN SECRETLY

HERE IS HIS PRESCRIPTION

New York—Doctor Connor, formerly of Johns Hopkins Hospital, says: "I am often asked if I know of anything to stop the tobacco habit which can be given secretly, and I always recommend that preliminary medicine, Nicotol. It is a powerful and quickly prescribed with great success. Here it is: Go to any up-to-date drug store and get fourteen Nicotol Powders. Put one powder twice a day in tea, coffee, milk or food, in a short time all desire and craving for tobacco will disappear, and the victim will believe he has stopped its use of his own accord. These powders are colorless, odorless, tasteless—therefore cannot be detected. They contain no habit-forming drugs, are absolutely harmless and will astonish those who try them. The use of tobacco stops the vitality, vim, vigor and ambition of the slave who is enthralled by its seductive effects. It undermines the health and leaves the victim an easy prey to general debility, throat and lung troubles, nervousness, insomnia, indigestion, headache, dizziness, headache, tongue and lip cancers, and even blindness. Physicians the world over often trace the start of the above diseases and many others to nicotine poisoning. If you have a friend or home man, Hornberger, at 1000 Chestnut street, Philadelphia, who has cured it, it is your duty to help him get rid of the habit without delay. Try the above formula on him and you will be surprised at the rapidity with which it does the work. Remember, there is no after effect."

NOTE—Nicotol Powders are inexpensive and are sold under an iron-clad habit-refund guarantee in this city by all up-to-date druggists, including J. Nelson Clark and H. C. Kennedy.

PADEREWSKI--PREMIER OF POLAND

The Man Who Astonished the World

First as a Musical Genius—Now as Nation Maker

Takes Nuxated Iron For Strength Energy and Endurance

Dr. Kenneth K. MacAlpine, for 16 years Adjunct Professor New York Post Graduate Medical School and Hospital, Says That in His Opinion Nuxated Iron is The Most Valuable Tonic, Strength and Blood Builder Any Physician Can Prescribe

When Ignace Jan Paderewski, Master Pianist and Nation Maker, turned his back to the plaudits of the admiring thousands and deserted his native Poland to give his whole energy that Poland might become a free nation, he little realized that the tremendous strain which would be imposed upon his health and strength. After two years of such strenuous work and intense mental effort as would have worn down the constitution of many men, Paderewski had recourse to the sustaining tonic benefits of Nuxated Iron. He says: "I am convinced that I build my wasted forces and restore his old-time health and strength. That one of the foremost and most forceful figures of the New World should come out frankly and publicly endorse a product which he has personally found valuable for building up the health and strength must arouse the interest of every thinking person in Nuxated Iron, which is to-day being used by over three million people annually to help create red blood, power and endurance.

Commenting upon the use of Nuxated Iron by Paderewski and other widely known people Dr. Kenneth K. MacAlpine, a prominent New York Surgeon and former Adjunct Professor of the New York Post-Graduate Medical School and Hospital, says:

"During sixteen years as Lecturer and Adjunct Professor of Special Surgery (Proctology) in the New York Post-Graduate Medical School and Hospital, I never had recourse to any other remedy for building up the health and strength of debilitated, convalescent patients as Nuxated Iron. Severe cases recently made with Nuxated Iron have absolutely convinced me that it is a preparation of the most valuable and easily assimilated, does not injure the stomach, and is well known to druggists everywhere. Unlike the

health, simply because their blood is thinning out and possibly starving through lack of iron. Iron is absolutely essential to enable your blood to transform the food you eat into confidence and I am convinced that iron there is no strength, vitality and endurance to combat obstacles or withstand severe strains of work. To help make strong, sturdy men of blood and iron there is nothing better than or more valuable than Nuxated Iron. Dr. George H. Baker, formerly Physician and Surgeon, Monmouth Memorial Hospital of New Jersey says: "The fact that Nuxated Iron is today being used by over three million people annually as a tonic, strength and blood-builder, is in itself an evidence of tremendous public confidence and I am convinced that others should take Nuxated Iron when they feel weak and rundown it would help make a nation of stronger, healthier men and women."

If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained.
