

NEWS AND NOTES OF THE BOY SCOUTS

TROOP SIXTEEN HOLDS BANQUET

Scout Commissioner German and Scout Executive Virgin Make Addresses

There's no use asking what any Wolf Cub or Scout thought of our banquet on Friday night, for you all will say it was great. We all met at the church and when all had arrived, some with their fathers, we assembled in the dining room, where the Rev. Markward asked the blessing. I am sure that everyone had more than he could eat. After the meal was served our guests spoke to us.

Scout Commissioner W. H. German gave a short but interesting talk. The Scout Executive Virgin, whose talk was full of fun and pep, and who wanted to know what sort of an animal a cub is. Field Executive Hunsberger in a brief talk gave us some good advice and urged us to come down and take our tests. Mr. Witt, chief forest warden of the State, was present and told us of the necessity for the preservation of our trees and forests. The Rev. Markward also addressed us on the need of joining a church, be it Jewish, Catholic or Protestant.

Three generations of the Long family were present at our anniversary. Captain Long and Lieutenant Long met for the first time that night since they had left each other in the Argonne forest in France. Assistant Scoutmaster Wieland received his commission and the first merit badge in our Troop was awarded to Frank Foose. John Steiner was presented with a first-class pin, and Paul Kunkel received his second-class pin. Four Scouts, Joseph McClintock, Russel Brown, Marlin Rodenheber, John Steiner, received service stripes. Merit winners for the month are: Frank Foose, 336 points; Cleon Criswell, 287, and Joseph McClintock, 267.

Don't forget to come to the meeting to-night.

—Cleon Criswell, Scribe.

IT'S UNWISE to put off today's duty until tomorrow. If your stomach is acid-disturbed take

KI-MOIDS

the new aid to digestion comfort today. A pleasant relief from the discomfort of acid-dyspepsia.

MADE BY SCOTT & BOWNE MAKERS OF SCOTT'S EMULSION

NO NEED TO BE THIN, SCRAWNY OR SALLOW

If you are thin and want to be plump; if you have wrinkles in your face that you are not proud of; if the skin is sallow or sunken, pimples or blackheads, take Ki-moids stomach tablets for two weeks and notice the change.

The majority of the thin people are thin because the stomach does not perform its duties properly. It is not secreting sufficient of the natural digestive juices and in consequence does not extract from the food enough nutritive matter to nourish every part of the body.

Ki-moids stomach tablets are intended to build up the stomach so that it will act properly and extract from the food the elements necessary to form flesh.

If you are thin try two weeks treatment of Ki-moids stomach tablets. They are small, easily swallowed and are sold on the guarantee of money back if they do not overcome chronic indigestion, acute or chronic, stop stomach disturbance, belching, heartburn, sour stomach, and any after dinner distress.

For sale by H. C. Kennedy and all leading druggists.

The Office Scout

Hello, Scouts! There I've done it! Done what? Why started off without saying "Well, fellows," I've been wanting to join you on the scout page for ever and ever so long but every time I'd think about it, I'd start out with "Well, fellows," and, well, fellows, (see I did it after all!) I like variety and I just had to find another way to commence my rosy tale. You must notice—do it now if you haven't—how happy everyone at Headquarters seems to be lately. Do you know why? It's because we put the Victory Loan across, I should say helped to put it across, in such wonderful fashion. Of course we worked hard, yes, I did too a little, but shucks, what's a little bit of work when you get a big result like that. I'd do it all over again and you would too. To tell the truth I won't feel that I've worked hard enough if there isn't another one. Oh boy, it was great to open the office door to find those bond applications stacked up two or three feet high. Grand and glorious feelings weren't it with the one I had then.

I've been waiting for a few days for Champion Huston to come in so

that I may shake his hand and congratulate him but he must be as busy as ever. Didn't he say something about having Memorial Day for one's birthday and living on Liberty street. Some day I know there's going to be an office on Wall street just this on the R. D. HUSTON Bonds

And that race between Troop 13 and Troop 11. I was so excited over that I did a lot of things all wrong and had to do them over, and I upset the typewriter finally.

THE WIGWAM

Fellows we have a new visitor in the Wigwam this week in the person of G. Park Weaver, the active, energetic and thoroughly efficient Assistant Scoutmaster of Troop 20. His contribution should be read and digested by every Scout in the city.

I have not appeared conspicuously in the Wigwam for some time, but you must rest assured that I am busy in scouting. The overnight hiking season is in full swing—or will be very shortly—and when the dusty road, the camp fire, and the night woods call, Red Cloud will be lucky to find time for sitting in an office writing newspaper dope. There is not a troop in the city with whom I would not enjoy a hike. That's not a hint for an invitation, fellows—just a statement. I am not going to mention any names but I know of one troop that expects to hold a camp fire council and "wiengr" roast in Spooky Hollow soon—and say, fellows, I hope the scoutmaster reads my little suggestion above. We'll see.

RED CLOUD.

How to Make Your Troop the Worst Troop in Harrisburg, by G. Park Weaver, with apologies to the Oakland "Scout Scribe."

The following advice is for all scouts (?) who want their troop to be the poorest in Harrisburg:

1. Come to troop meetings whenever you feel like it. Not regularly, of course.

Troop Four Now Boasts Nine First-Class Scouts

Troop 4 has nine first class scouts now out of a membership of twenty-two. It's the record for the city so our scoutmaster tells us. In honor of the three newest first class scouts, George Biles, Theodore Sellig, and Malcolm Graeff, we had a celebration with "eats" provided by Scoutmaster Hallman. We all enjoyed the evening immensely and a rising vote of thanks was given our host. Our troop district has been somewhat changed and we were told of that change last Monday. It's quite a bit bigger than the old territory but when any literature or posters are to be distributed we certainly will cover it. Won't we fellows? And say fellows, save food for the big peace bonfire. We're going to wake Harrisburg up but we need that box and barrel you have in your cellar to do it so "Be Prepared" and gather a lot. We'll furnish light and heat to Harrisburg for one night gratis.

And now about that scout play we're going to have. To make it a success we need every scout in Troop 4 to boost it with all his might. Talk it up wherever you go and we'll have a good crowd. The committee has been hard at work and can guarantee some good effects in the way of lighting and scenery.

Mr. Hallman will be away for two weeks but his brief meetings will be held during that time. Don't forget the big bonfire.

ALEX WIELAND.

Second Anniversary of Troop 16 Properly Marked

In spite of the terrific rain last Friday, Troop 16's second anniversary was celebrated in proper style. We were certainly glad to be in on it. The eats were fine, but we knew what to expect for our mothers were on the job. There were just exactly seventy-five men and boys at the tables and fifteen ladies preparing and serving the luncheon—a total attendance of ninety. Pretty good sized crowd, wasn't it? I'll say. But just wait until Troop 16 celebrates its first anniversary in November. We'll beat that by twenty. Can't do it? Well, just wait and see.

Troop Nine Likes New Scoutmaster, Says Scribe

On Friday May 9 the scouts of Troop 9 held a very important business meeting in which every scout was very much interested. J. P. Scott is our new scoutmaster and we like him very much.

Mag Rhu HELPS DIGEST FOOD

Don't go on and on, suffering and experimenting with temporary relief remedies, until you have spent hundreds of dollars, trying to get well. Mag Rhu is the guaranteed stomach remedy, and it is the result of seven years' experimenting with temporary relief remedies, stomach specialists, etc., by one who spent over five thousand dollars trying to get well, and it is yours for one dollar.

Troop Eight Honors Its First-Class Scouts

Last Monday evening Troop 8 held a celebration in honor of its three first class scouts. There was music, speaking and awarding of badges, and all but not least, a feast.

Honorary Committee of Troop 7 Helps Scoutmaster

The Honorary Committee of Troop 7 are proving a great help to the scoutmaster, and his assistants in trying to stimulate interest in the troop. They met in regular session on Wednesday evening, and took action on some very important matters.

SCOUTS OF CITY SELL MANY BONDS IN BIG CAMPAIGN

Make a Splendid Record; Huston Wins Treasured Helmet

The scouts of the city made a splendid record in the sale of Liberty Bonds in the Fifth or Victory Loan. There was a total of 1,105 subscriptions for \$98,350.00. These figures are higher than those reached in the Fourth Loan. The leading troops were Troops 11, 13 and 17, respectively in amount of sales. A race was on between Troops 13 and 11 for first place, but Troop 13 won out by one bond, thirteen having a total of 128 bonds for \$15,700 and Eleven a total of 127 bonds for \$15,100. Troop 17, of Penbrook, which is one of the newest troops, had a total of \$10,350 thus gaining the much coveted first place.

Ralph D. Huston, a cub of Pack 2, under Troop 16 again proved his ability as a salesman by selling 51 bonds. Ralph gets one of the much desired German helmets. Roswell Lyon, of Troop 11, is second with 49 bonds for \$5,900. Richard Johnston also of Troop 11, third with 22 bonds for \$14,200. Scout Johnston also wins a helmet because his was the largest individual amount sold.

As to medal winners, Troop 13 comes first with 15, who will receive either medals or bars; Troop 11 has 13; and Troop 8 has 9. A list of medal winners for all troops follows:

- Troop 1 Donald Royal.

LOOK OUT! HERE IS NEW TROOP

You've Got to Keep Stepping to Catch Up With "Seventeen"

Hello, Scouts, I wish to introduce you to our new Troop of Boy Scouts, Troop Seventeen, of Penbrook, Pa. I guess most of you know us already, because we are some troop. Well to begin with, we stand third with the Boy Scouts of Harrisburg in the Victory Loan. We sold sixty-seven bonds amounting to \$10,350. We also have done numerous other things since we have organized, including the following:

We had clean-up week in Penbrook. We put up posters for the benefit of the Civic Club. We distributed to each home in Penbrook, Welcome Home posters to hang in their windows. We gathered clothes for the Belgium Relief.

And last of all, we are gathering firewood for the big Peace Fire. Going some for a new troop, eh? Scouts Stanley Miller, Nissley Hoak and Chester Hocker have won medals for selling Victory Bonds.

We have enrolled twenty-six Scouts, and have formed three patrols, but have not yet selected names for same. The patrol leaders and their assistants are as follows:

- First Patrol—Clair Rowe, Reese Hocker.
 - Second Patrol—Stanley Miller, Ralph Whisler.
 - Third Patrol—John Miller, Russel Elkholz.
- Scout Reese Hocker has also been elected treasurer of the Troop. Our dues are five cents a week.

Four of our Scouts have their uniforms and several more are getting them. I will tell you why we are making things fly around Penbrook and we hope to soon have one of the best troops in Harrisburg.

—Ralph B. Whisler, Scout Scribe.

Wow! Free For All Scrap For Troop Twenty; Like the Battle of the Marne

At the meeting last Friday of Troop Twenty, a free for all scrap took place when Scouts were given rope-ends to "whip."

It was a surprise to many of them, but after punishing and butchering the rope-ends, they finally produced the desired results.

It was the monthly business meeting and all members were present. Two new applicants, Sweigert and Brunner, were admitted to the Troop. Everyone had an interesting time when G. Park Weaver awarded merits and demerits for the month.

There will be no meeting to-night because of open house night at Technical High School.

—J. Edgar Sellers, Scribe.

Troop Two Preparing For Big Victory Bonfire

A very interesting meeting was held by the scouts of Troop 2 last week. Material for the great victory bonfire will be collected during the following week with great vigor. To-morrow a hike will be taken. Scouts Begeler, Levi and Koplovitz were appointed to look after the rations and set the date for an overnight hike to be held in a few weeks.

Judge Makes Erroneous Prediction Regarding Lawyer

"About one clean shirt is all I thought he would ever wear. He had fallen away to a mere shadow; was as yellow as saffron and often doubled up with pain. Doctors continually gave him morphine and were about to operate for gall stones. Mayor's Wonderful Remedy quickly restored him to perfect health again." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. H. C. Kennedy, Geo. A. Gorgas, Clark's 2 drug stores, and druggists everywhere.

THIS BIRD A SEAMSTRESS

The "tallor bird" of India is an excellent seamstress. When this bird decides to build a nest it chooses a leaf that suits its purpose and pierces it with its beak. Then it takes a long piece of grass fiber and sews the edges together, making a pocket.

If the leaf is not large enough, it is pieced with another leaf. At the end of the season the bird makes a knot in the thread to prevent unraveling. This pocket is not the bird's home, however, but only the beginning of it.

The nest is made within the pocket. The end of a slender branch is always selected, and as the leaf retains its natural color the home of the bird is concealed very effectively from animals and other enemies of birds.—From the People's Home Journal.

THE "SAME AGAIN" DRINK

A foreign representative of a large Welsh house was staying at Carmarthen over night, and with a few friends was addressing himself in more senses than one to the subject of drinks, temperance—and otherwise. "Ah," he exclaimed, "your Scotch whisky—good, good, very good; your Welsh ale, what you call—Boockley—also good; but the other drink—what you call him?—'same again', yes, 'same again'—no good at all; give very bad head to-morrow!"—From the Cardiff Western Mail.
