# LEGISLATURE NEWS

## HOUSE WANTS TO QUIT JUNE 19

Resolution Passed, But Is Held Up in the Senate Committee

Resolutions for adjournment of the Legislature of 1919, sine die, on Thursday, June 19, were adopted in the House and messaged to the Senate after an attempt to substitute June 12 had been voted down. The resolutions were presented from the committee on rules by Chairman Ramsey and Mr. Phillips, Clearfield, at once moved to substitute June 12. This amendment is designed to hurry up the work of this session. The country members are willing to stay here for Friday sessions, if necessary," said he. "All we want is the opportunity."

Mr. Ramsey said the resolutions had been drawn after consultation with the Governor, Attorney General and chairman of the appropriations committee, and it was the consensus of opinion that June 19 should be fixed. He said that if it was found in the next week that the Legislature could adjourn on June 12 that date would be set by the Senate by amendment. There were a number of "noes." The Senate sent the resolution to committee, which will discuss it next week.

A patriotic pageant was given Friday evening under the auspices of the Home Guards of the Stevens Memorial Methodist Church, of which Miss Sara Willis and Mrs. S. D. Wilson are the leaders. The program was attractive and presented before a large audience.

Hockenbury in the role of Columbia; Stewart Hockenbury, as George Washington; Margaret Stouffer, Betty Ross; Thurston Collicott, John Paul Jones; Richard Miller, Civil War veteran; Eugene Willis, page; Elizabeth Lipp and Catherine Wilson, banner bearers; Jesse Meadeth, Spanish War veteran; Mr. Wastler, herald.

Red Cross nurses; Margaret Stouffer, Carol Post, Mildred Kline, Elizabeth Ensminger, Helen Jacoby and Genevieve Carter.

Soldiers: Eugene Willis, Jesse Meadeth, Thurston Collicott, Fred Mentzer, La Vlar Fair, Wilbert Benner, John Byrem, Richard Wilder and Stewart Hockenbury.

Miss Estelle Beyer, contralto soloist, sang "Three Cheers for the Red, White and Blue."

## Dandruff Soon Ruins the Hair

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.

## To Reduce Your Weight Quickly and Easily

If you are too fat, or if your figure has become flabby and you are carrying around a burden of annoying unhealthy flesh, the cause is ten chances to one, lack of oxygen carrying power of the blood and faulty assimilation of the food. Too little of the food is being made into good hard tissue and muscle and too much into little globules of fat.

Every man and woman reader of this paper who is too fat, whose flesh is soft and flabby should try the new preparation, Phynola, a simple, but remarkably efficient formula put up for convenient home use.

Go to Gorman, the druggist, stores, 18 N. Third St., Third and Walnut Sts. and Penna. R. R. Station to-day and get a box of wonderful Phynola tablets; take one after each meal and one at bed time. They are pleasant to take, entirely safe and give splendid results quickly and easily. No dieting, strenuous exercising, drastic massaging or appliances. Just a simple Phynola tablet, three times a day and in a short time your weight is reduced on all parts of the body to what it should be.

## Leiby Saves "Movie" Bill in the Senate

The little maxim, "there's many a slip twixt the cup and the lip," was certainly remembered by Senator Scott Leiby, Perry, when his "movie" bill came up in the Senate last evening for final passage.

Senator Leiby's bill would prohibit school children between the ages of 8 and 16 years from going to the moving picture shows at school hours unless carrying a written permit from the teacher.

When the vote was taken on the measure, it was found that but twenty-five Senators had voted in the affirmative, with thirteen negative ballots recorded. A majority in the upper House is twenty-six, so for a moment the Senator from Perry was in a quandary.

Opposite Senator Leiby sits Senator Tompkins, Cambria, (who voted no on the bill). A whispered conversation between the two gentlemen ensued for a few minutes, then the Senate was amused when Senator Tompkins asked the chair to change his vote from "no" to "aye," which, to use the language of President pro tem. Buckman, was "done according to the law." It was a peaceful in Perry county.

More than a score of measures were passed finally by the Senate last evening, but with few exceptions they were unimportant bills. Several bills were recalled from the Governor for purposes of amendment.

The State police bill creating an extra troops to the present force failed to reappear from the committee on appropriations to which it was committed for purposes of amendment, but will probably be reported out some time this week. The Senate committee on a House resolution calling for final adjournment on June 19, to the judiciary special committee without debate. No action was taken on the half-score bills now on the postponed calendar.

## Youth in Adams County Jail Charged With Forgery

Gettysburg, Pa., May 20.—Technically charged with an attempt to commit a felony, Paul Smith, a youth about 19 years old, is in the Adams county jail. ## Now is the Time to Replenish Linen Needs

With Prices Lower Than They Will Be Later On

When the world war's demands for linen for aircraft production crept to about 500,000 yards per week it was seen by the Co-operative Irish Linen manufacturers that prices for individual consumption would continue to rise indefinitely. Now that the war has ended the demand for aircraft linen has not lessened, so the assurance is given that prices for table linens will be considerably higher within the next three or four months.

The logical time to replace linen needs for the table is now, for it is a fact that our prices at retail are lower than present wholesale costs.
