Carlisle Hospital Baseball Team Asks For Action From Nearby Clubs

A baseball nine has been organized at the United States Army General Hospital at Carlisle and is playing several games each week for the entertainment of the personnel and patients at that institution; and the team is desirous of securing games. They have a strong team, composed of men from various branches of the army just returned from foreign service as patients in this hospital. Providing a game is arranged with your club, the advertisement of this fact should prove a good drawing card. It is desired that the baseball played at the post for the entertainment of the overseas patients in the hospital. No admission fee is charged, as the games are played for the entertainment of injured soldiers. It is therefore impossible for the club to offer any guarantee in money. It is possible to offer motor transportation within a radius of thirty miles from Carlisle, Pa., and three meals (if necessary) for twelve players. It is impossible to provide accommodations over night. Return games can be played by arrangement with the athletic officer.

Officer, United States Army General Hospital No. 31, Carlisle, Pa. The following are games which have been played and scheduled to date:

City Should Patronize Saturday's Interscholastic Track Meet Here

Everything is set under direction of V. Grant Forrer, of the Park Department, for collecting big time on Saturday afternoon at the Island field for the annual interscholastic track meet, suspended during the war, and now again to resume its important place in Harrisburg athletics. The Harrisburg Track Athletic committee has a curious situation to handle; the fact being that few schools responded to the invitation this year because Tech has such a mighty band of contestants. Those in line are: Reading, Carlisle, Altoona, York, Lykens Lansford, Wilkes-Barre, Bloomsburg, Steelton, Reading, and Shippensburg. The High school of Scranton declined. It was partly for this reason that a runner-up cup is being offered. In an effort to do away with any event on the program which in any way jeopardizes the safety of the athletes and the spectators it was decided at the meeting last evening that this year's track meet will not include a javelin throw or hammer throw. The committee feels that the events are not only unsafe for the spectators and athletes on the day of the meet but also that they are dangerous even in practice. A great many instances are reported in athletic annals whereby athletes have been killed or maimed for life just through the misjudgment of the hammer or the breaking of the wire. No great hammer throwers have ever been developed in these parts and no attention is given by the teams to either the hammer or javelin throwing contest. For these reasons, it is believed that the events are dangerous, will not be missed from the program and will further insure the safety of all concerned in the afternoon's attraction.

The following shows the athletes, with their numbers and their respective schools as they will line up for the race on Saturday:
