Co-operative Club to Back Big "Y" Drive

"Couple Up" will be the slogan at the monthly meeting to-night of the Friendship and Co-operative Club. Team workers from the local Railroad "Y" will be on hand with some valuable information.

Prominent railroad officials from Philadelphia, Altoona and this city will give short talks on "Efficiency." Following these addresses there will be a general discussion during a twenty-minute period. An interesting announcement is prom-

ised regarding a State-wide movement for Railroad Co-operative Clubs. It is the purpose to start a campaign within the next two months. This campaign will open in Harrisburg with a rousing mass meeting. Prominent speakers are being lined up. Meetings every two weeks will follow at all important railroad centers. Early in the fall a convention will be held in this city at which a State organization will be formed.

This Co-operative movement, while originating with railroad employes in this city, is not confined to railroad circles only. Many large industries are organizing Co-Operative Clubs and will

have a big part in the State-wide movement. The meeting to-night will be held at Eagles Hall, Sixth and Cumberland streets, starting at 8.15 p. m.
